GENERAL INFORMATION

A. OVERVIEW OF THE STATE INSURANCE FUND

The New York State Insurance Fund (NYSIF) is a non-profit agency of the State of New York, consisting of two separate "funds" – the Workers' Compensation Fund, created in 1914, insuring employers against occupational injury and disease suffered by their employees, and the Disability Benefits Fund, established in 1949, which insures against disabling off-the-job sickness or injury sustained by employees.

The five components of the agency's mission are: provide timely and appropriate indemnity and medical payments to injured workers; drive down the cost of workers' compensation insurance for businesses operating in New York State; ensure that all New York businesses have a market for workers' compensation insurance available to them at a fair price; maintain a solvent state insurance fund that is always available for New York businesses; and be a competitive force in the marketplace and an industry leader in price, quality, and service.

As New York State implements legislative and regulatory changes brought about by the historic workers' compensation reforms passed in 2007, we are continuing to move forward by shaping a better, more affordable workers' compensation system for all New Yorkers.

Approximately 175,000 employers hold NYSIF workers' compensation insurance policies, constituting about 41 percent of the market, while 61,000 employers maintain active disability benefits policies.

NYSIF administers the Aggregate Trust Fund (ATF). The ATF was created under the New York State Workers' Compensation Law and is the disbursing agency for certain death and permanent disability claims exclusive of claims applicable to NYSIF. Amounts are deposited into the ATF by third party insurance companies and self-insured employers for cases falling into the above mentioned categories based on the then present value of awards.

The contract will not be awarded solely on the basis of low bid. However, the Offeror with the low bid may be awarded the contract if it provides the best value, as defined above.

All proposals received will be reviewed and evaluated by a committee of NYSIF personnel. The award will be made to the Bidder whose proposal receives the highest overall evaluation score based on the criteria stated herein.

Bidders may be requested by NYSIF to clarify the contents of their proposals. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time.

The ability to perform the services is most important in evaluating proposals. The evaluation criteria are listed below in order of importance to NYSIF.

A. EVALUATION CRITERIA

1. Capability to perform the required services (bid response). (50% of the overall score)
2. Presentation/Interview. (30% of the overall score)
3. Total cost to NYSIF. (20% of the overall score)

Proposals will also be evaluated for existing or potential conflicts of interest, for financial and operational stability, for adequacy and completeness, and to determine that all requirements of the RFP have been met. NYSIF reserves the right to disqualify a Bidder if, in NYSIF's sole opinion, the proposal does not pass the evaluation for any or all of the evaluation criteria.

B. PRESENTATION/INTERVIEW

An interview of the Bidder's proposed lead professionals will be conducted by NYSIF's evaluation committee based on the following criteria:

1. Capability, appropriateness, and adequacy of approach, including adequacy of analytical procedures.
2. Technical knowledge and experience of the lead professional staff proposed by the Bidder, and the ability to apply the technical skills appropriately.
3. Demonstrated understanding of the needs of NYSIF as expressed in this RFP, and the reasonableness of the proposed approach to meeting those needs.
4. Adequacy of response to interview questions.

METHOD OF EVALUATION & CRITERIA

NYSIF will provide a list of subjects to be covered in the presentation/interview and questions to be addressed. Presentations should include how the Bidder would perform the services required in the contract. Contributions of the proposed lead personnel should be included.

Presentations may be up to 45 minutes. Questions may be asked by the evaluation committee based on material covered in the presentation/interview and/or in the proposal.

Presentation/interviews will be conducted in New York City or Albany. It will be the responsibility of the Bidder to present the proposed staff at the scheduled time. Bidders will be responsible for any and all costs associated with the presentation. Appointments will be made at least one week prior to the scheduled presentation/interview date.

Any additional presentation materials for the presentation/interview must be provided to the Designated Contact via e-mail at least two (2) days prior to the scheduled in-person interview.

C. CONTRACT APPROVAL

The contract between NYSIF and the successful Bidder will not be binding until it has been approved in accordance with the New York State Insurance Fund contract approval process.

TECHNICAL REQUIREMENTS

No oral statements of any person shall modify or otherwise effect the terms, conditions or specifications noted herein or in the contract for the service. Any amendments to this RFP that may be necessary will be issued in writing and posted to NYSIF's website.

A. MANDATORY REQUIREMENTS

Bidders (consultants) may not be connected with the sale or underwriting of insurance and may not be affiliated with any insurance organizations.

Bidding firms are required to have actuarial consulting experience with workers' compensation and disability benefit insurance companies, funds or entities with written workers' compensation insurance premiums in excess of \$750 million. Actuaries must be members of The Casualty Actuarial Society and have a working knowledge of New York State Workers' Compensation Law (WCL), specifically Article 6, and experience reporting to the New York State Insurance Department.

B. SERVICES TO BE PROVIDED

The following (Items 1-11) outlines the services required of the consultant.

The selected consultant will be required to perform independent work as well as review existing actuarial work on the items listed in this RFP.

Unless otherwise stated, all references are to the Workers' Compensation Fund.

1. Annual Statutory Actuarial Opinion – (Workers' Compensation Fund and Disability Benefits Fund)

The consultant must provide an annual "Statement of Actuarial Opinion" relating to the loss and loss adjustment expenses (LAE) of NYSIF for each year ending December 31 within the scope of this contract. The opinion shall be in the format of and contain the information required by the NAIC Annual Statement Instructions for filing with the State Insurance Department of New York due March 1. The consultant must also provide the "Actuarial Opinion Summary" due March 15. In addition, the consultant shall be expected to prepare a comprehensive report of their actuarial review of the loss and LAE reserves of NYSIF annually for years ending December 31.

2. Quarterly Reserve Reviews – (Workers' Compensation Fund and Disability Benefits Fund)

NYSIF's Actuarial Department will calculate quarterly loss and LAE reserves to be used in the interim Statutory financial statements filed with the State Insurance Department of New York due May 15, August 15, November 15. The consultant will review and provide an

TECHNICAL REQUIREMENTS

analysis of these quarterly loss and LAE reserves within 2 weeks of receipt of data from NYSIF.

The consultant will be responsible for determining the loss and LAE reserve deficiency or redundancy on a quarterly basis for Workers' Compensation and on an annual basis for Disability Benefits. The consultant may also be responsible for determining any adverse trends in Claims that might materially damage the Fund's financial status due to reserve uncertainties.

3. Review & Confirmation of Loss Reserves for ATF

NYSIF's Actuarial Department will compute loss reserves for the ATF in accordance with the requirements specified by Section 27 of the WCL. The consultant will review the computation and confirm that it is compliant with the WCL.

The consultant will independently evaluate the loss liabilities of the ATF, compare them to the held reserves, and comment as to the adequacy or redundancy of said reserves.

The consultant will also evaluate the expected cash flow of the ATF.

4. Review of Loss and LCM and Other Factors Relating to Premium Rates

NYSIF is not required to have its rates approved by the New York State Superintendent of Insurance. However, as a starting point it uses the Loss Costs (LC) and experience rating plan filed by the New York Compensation Insurance Rating Board (NYCIRB) and approved by the Superintendent of Insurance. NYSIF then calculates and adopts its own Loss Cost Multiplier (LCM). NYSIF then adjusts the resulting rate by applying a discount or surcharge. These adjustments vary by policyholder, and are a means of individual risk rating.

The consultant's role would be to review the calculation of the LCM and the individual adjustments to the resulting rate, and compare their overall effects with Management's goals, and recommend changes, if appropriate.

5. Monitor the policies and procedures of the Actuarial Department and other NYSIF Departments

The Actuarial Department provides traditional as well as non-traditional services to internal and external customers such as: loss data analysis, financial reporting, safety group accounting preparation, individual case review and processing experience modification rating data.

The Actuarial Department is interested in improving work flow process and increasing value-added services. The consultant may be expected to provide advisory services consistent with

TECHNICAL REQUIREMENTS

reviewing current and proposed Department guidelines and procedures as well as facilitate the implementation of the new or revised procedures.

As necessary, the consultant will be requested to assist in training and/or advise other departments (i.e. Claims or Underwriting) on best practices or benchmarking.

6. Safety Group Accounting

There are approximately 100 Safety Groups which represents almost half of NYSIF's premium. These Safety Groups operate similarly to mini-mutual insurance companies, which offer their members premium returns in the form of dividends. A contingent balance for safety group dividends is recorded as a liability on NYSIF's balance sheet. This balance represents the aggregate amount that is available for dividends, loss development and adjustments to the Safety Groups as of the report date.

The consultant may be expected to review the Safety Group accountings specifically addressing the adequacy of the contingent reserve balances and the methods of computing them. In addition, the consultant may be expected to perform a review of the excess loss charges, expense ratios, and computations of the gains/losses to NYSIF relating to these Safety Groups, or any other aspect of the accounting statement.

7. Establish Financial Projection Models

The consultant may be required to work with NYSIF Management in developing a model for making financial projections for five years. This includes the projection of premium revenues, losses, paid loss adjustment expenses, and incurred loss adjustment expenses. The model will not be required to project investment yields, distribution of assets, asset/liability matching or credit risk, but may reflect projections of these using other sources.

In addition, Cash Flow projections must be provided at a minimum once a year, after year-end financial reports are finalized. The consultant may be asked to meet with NYSIF's Investment Department and Financial Advisor.

8. New Products

The Department is requested at times by Executive to develop and review programs for new products (i.e. Par Plan). The consultant may be asked to review the assumptions and factors used in these programs, and make recommendations to the Department.

9. Attendance at Monthly Board of Commissioners' Meetings

The consultant will be expected to present the year end loss and loss adjustment review annually at the Board of Commissioners' meetings. Attendance at other monthly Board of Commissioners' meetings as requested.

TECHNICAL REQUIREMENTS

10. Executive Staff Meetings

The consultant will be expected to attend formal meetings with Executive staff at least twice a year to discuss NYSIF's financial status as well as general Workers' Compensation market and reinsurance market trends. Informal meetings with staff will be held as necessary.

11. Miscellaneous Actuary Services

The consultant will be expected to provide additional actuarial analysis on an ad hoc basis including but not limited to assistance in reviewing commutation offers and impending legislation. The consultant may also be asked to provide industry updates and trends.

C. TERM

It is the intent of NYSIF to enter into a contract from **October 1, 2011 through September 30, 2016.**

D. COST

The rates proposed (fixed and hourly) must include all expenses, as travel and incidental/administrative expenses will not be reimbursed.

For the *Annual Statutory Opinion* and the *Quarterly Reserve Updates and Review of Monthly Reserves* (Technical Specifications, Section B), the Bidder must provide an annual fixed cost for each of these services. The fixed cost must include all expenses associated with these tasks (including travel, data entry, overhead, etc.) as no other charges will be allowed for these items. The Annual Statutory Opinion is to be invoiced after all services in Section B.1. Services to be Provided are rendered. The Quarterly Reserve Updates and Review of Monthly Reserves are to be invoiced at the conclusion of each quarterly review.

The bid for all other services shall consist of hourly rates for services rendered by the Bidder's staff assigned to the contract. Hourly rates must be inclusive of all overhead, profit and all other costs not expressly specified. Separate hourly rates for clerical staff are not allowed. Invoices for hourly consulting services are to be billed monthly in arrears.

High Level: Presidents and Principals;

Mid Level: Senior Consultant, Consulting Actuary, Director, Claim Expert, Senior Manager;

TECHNICAL REQUIREMENTS

Base Level: Supervisor, Actuarial Analyst, Actuarial Tech and Jr. Consultant.

Travel: Travel and incidental hotel and meal expenses between the firm's office and NYSIF's New York City office shall not be reimbursed. Time spent by the firm's staff during normal work hours for authorized travel between NYSIF offices and on site visits will be considered a normal work assignment and must be included in the annual and hourly rates bid in the Fee Schedule.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of the State and any attempts to assign the contract without the State's written consent are null and void. The Contractor may, however, assign its right to receive payment without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6.a).

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the

performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor

within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) FEDERAL EMPLOYER IDENTIFICATION NUMBER and/or FEDERAL SOCIAL SECURITY NUMBER. All invoices or New York State standard vouchers submitted for payment for the sale of goods or services or the lease of real or personal property to a New York State agency must include the payee's identification number, i.e., the seller's or lessor's identification number. The number is either the payee's Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Failure to include this number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or New York State standard voucher, must give the reason or reasons why the payee does not have such number or numbers.

(b) PRIVACY NOTIFICATION. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.

(2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in New York State's Central Accounting System by the Director of Accounting Operations, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment,

employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State; or (iii) banking services, insurance policies or the sale of securities. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law §165. (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

GENERAL**1. APPLICABILITY**

The terms and conditions set forth in this Appendix B are expressly incorporated in and applicable to the resulting procurement contracts let by NYSIF where incorporated by reference in its Bid Documents. Captions are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

2. GOVERNING LAW

This procurement, the resulting contract and any purchase orders issued hereunder shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise, and actions or proceedings arising from the contract shall be heard in a court of competent jurisdiction in the State of New York.

3. ETHICS COMPLIANCE

All Bidders/Contractors and their employees must comply with the requirements of Sections 73 and 74 of the Public Officers Law, other State codes, rules, regulations and executive orders establishing ethical standards for the conduct of business with New York State. In signing the Bid, Bidder certifies full compliance with those provisions for any present or future dealings, transactions, sales, contracts, services, offers, relationships, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the Bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

4. CONFLICT OF TERMS

Unless otherwise set forth in the procurement or contract documents, conflicts among documents shall be resolved in the following order of precedence:

- a. Appendix A Standard Clauses for NYS Contracts (June 2006)
- b. Contract and other writing(s) setting forth the final agreements, clarifications and terms between the Bid Documents and Contractor's Bid. In the latter circumstance, clarifications must specifically note in writing what was offered by the Contractor and what was accepted by the State. If not, such clarifications shall be considered last in the order of precedence under this paragraph.
- c. Bid Documents (Other than Appendix A).
- d. Appendix B (General Specifications).
- e. Contractor's Bid or Mini-Bid Proposal.

BID SUBMISSION**5. NOTIFICATION TO ALL BIDDERS**

NYSIF is responsible for providing addenda or responding to questions only from those persons or firms having obtained the Bid Documents from NYSIF. Persons or firms obtaining the Bid Documents from sources other than NYSIF bear the sole responsibility for obtaining any addenda issued, or responses to questions regarding this project. If it is necessary to revise the Bid Documents before the due date for bids, revisions will be provided only to firms who have requested the documents from NYSIF.

By submitting a bid, Bidders are certifying they are qualified to perform the proposed work. Bidders shall have the necessary staff, equipment, compliance, etc. as set forth in the Bid Documents.

6. INTERNATIONAL BIDDING

All offers (tenders), and all information and Product required by the solicitation or provided as explanation thereof, shall be submitted in English. All prices shall be expressed, and all payments shall be made, in United States Dollars (\$US). Any offers (tenders) submitted which do not meet the above criteria will be rejected.

7. BID OPENING

Bids may, as applicable, be opened publicly. NYSIF reserves the right at any time to postpone or cancel a scheduled Bid opening.

8. BID SUBMISSION

All Bids are to be packaged, sealed and submitted to the location stated in the Bid Specifications. Bidders are solely responsible for timely delivery of their Bids to the location set forth in the Bid Specifications prior to the stated Bid opening date/time.

In the event that a Bidder fails to provide such information on the return Bid envelope or shipping material, the receiving entity reserves the right to open the shipping package or envelope to determine the proper Bid number or Product group, and the date and time of Bid opening. Bidder shall have no claim against the receiving entity arising from such opening and such opening shall not affect the validity of the Bid or the procurement.

Notwithstanding the receiving agency's right to open a Bid to ascertain the foregoing information, Bidder assumes all risk of late delivery associated with the Bid not being identified, packaged or labeled in accordance with the foregoing requirements.

All Bids must be signed by a person authorized to commit the Bidder to the terms of the Bid Documents and the content of the Bid (offer).

9. LATE BIDS

For purposes of Bid openings held and conducted by NYSIF, a Bid must be received in such place as may be designated in the Bid Documents at or before the date and time established in the Bid Specifications for the Bid opening.

Any Bid received at the specified location after the time specified will be considered a late Bid. A late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of the Bid Documents are received or, (ii) in the case of a multiple award, an insufficient number of timely Bids were received to satisfy the multiple awards; and acceptance of the late Bid is in the best interests of NYSIF. Bids submitted for continuous or periodic recruitment contract awards must meet the submission requirements associated with their specifications. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of NYSIF shall not excuse late Bid submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Bid submissions. Determinations relative to Bid timeliness shall be at the sole discretion of NYSIF.

10. BID CONTENTS

Bids must be complete and legible. All Bids must have original signatures. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by NYSIF or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Bidders are cautioned to verify their Bids before submission, as amendments to Bids or requests for withdrawal of Bids received by NYSIF after the time specified for the Bid opening, may not be considered.

11. ERRORS AND OMISSIONS

If a bidder discovers any ambiguity, conflict, discrepancy, omission or other error in Bid Documents, immediately notify one of the Designated Contacts of such error and request the clarification or modification thereof. Notice to NYSIF of any problems described above must be made in writing and received at NYSIF on or before the date and time shown as the final date for bidder inquiries. Any modifications deemed necessary by NYSIF shall be given by written notice to all parties who receive the Bid Documents from NYSIF.

If a bidder fails prior to the final filing date for submission to notify NYSIF of a known error or an error that reasonably should have been known, the bidder shall assume the risk. If awarded the contract, the bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. EXTRANEOUS TERMS

Bids must conform to the terms set forth in the Bid Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Bid non-responsive and may result in rejection of the Bid.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

Only those extraneous terms that meet all the following requirements may be considered as having been submitted as part of the Bid:

- a. Each proposed extraneous term (addition, deletion, counter-offer, deviation, or modification) must be specifically enumerated in a writing which is not part of a pre-printed form; and
- b. The writing must identify the particular specification requirement (if any) that Bidder rejects or proposes to modify by inclusion of the extraneous term; and

- c. The Bidder shall enumerate the proposed addition, counter offer, modification or deviation from the Bid Document, and the reasons therefore.

No extraneous term(s), whether or not deemed “material,” shall be incorporated into a Contract or Purchase Order unless submitted in accordance with the above and NYSIF or Authorized User expressly accepts each such term(s) in writing. Acceptance and/or processing of the Bid shall not constitute such written acceptance of Extraneous Term(s).

13. CONFIDENTIAL/TRADE SECRET MATERIALS

- a. **Contractor** Confidential, trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Bidder. Marking the Bid as “confidential” or “proprietary” on its face or in the document header or footer shall not be considered by NYSIF to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. Bidders/Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.
- b. **NYSIF** Contractor further warrants, covenants and represents that any confidential information obtained by Contractor, its agents, Subcontractors, officers, distributors, resellers or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the State or NYSIF hereunder or received from another third party, will not be divulged to any third parties. Contractor shall not be required to keep confidential any such material that is publicly available through no fault of Contractor, independently developed by Contractor without reliance on confidential information of NYSIF, or otherwise obtained under the Freedom of Information Act or other applicable New York State laws and regulations. This warranty shall survive termination of this Contract. Contractor further agrees to take appropriate steps as to its agents, Subcontractors, officers, distributors, resellers or employees regarding the obligations arising under this clause to insure such confidentiality.

14. RELEASE OF BID EVALUATION MATERIALS

Requests concerning the evaluation of Bids may be submitted under the Freedom of Information Law. Information, other than statistical or factual tabulations or data such as the Bid Tabulation, shall only be released as required by law after Contract award. Bid Tabulations are not maintained for all procurements. Names of Bidders may be disclosed after Bid opening upon request. Written requests should be directed to NYSIF.

15. FREEDOM OF INFORMATION LAW

During the evaluation process, the content of each Bid will be held in confidence and details of any Bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Bid contains any such trade secret or other confidential or proprietary information, it must be accompanied in the Bid with a written request to NYSIF to not disclose such information. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Bid. Notations in the header, footer or watermark of the Bid Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or other confidential or proprietary information. Where a Freedom of Information request is made for trademark or other confidential or proprietary information, NYSIF reserves the right to determine upon written notice to the Bidder whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Bid tabulation is prepared and Bids publicly opened, such Bid tabulation shall be available upon request.

NYSIF will not consider fee schedules and attachments thereto as proprietary information. As such, these documents will be subject to release under the Freedom of Information Law.

16. PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

- a. **“Public Works” and “Building Services” - Definitions**
 - i. **Public Works** Labor Law Article 8 applies to contracts for public improvement in which laborers, workers or mechanics are employed on a “public works” project (distinguished from public “procurement” or “service” contracts). The State, a public

benefit corporation, a municipal corporation (including a school district), or a commission appointed by law must be a party to the Contract. The wage and hours provision applies to any work performed by Contractor or Subcontractors.

- ii. **Building Services** Labor Law Article 9 applies to Contracts for building service work over \$1,500 with a public agency, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.
- b. **Prevailing Wage Rate Applicable to Bid Submissions** A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified.
- c. **Wage Rate Payments / Changes During Contract Term** The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.
- d. **Public Posting & Certified Payroll Records** In compliance with Article 8, Section 220 of the New York State Labor Law:
 - i. **Posting** The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.
 - ii. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over \$25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.
 - iii. **Submission of Certified Payroll Transcripts for Public Works Contracts Only** Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to the Authorized User that has prepared or directs the preparation of the plans and specifications for a public works project, as set forth in the Bid Specifications. For Mini-Bid solicitations, the payroll records must be submitted to the entity preparing the agency Mini-Bid project specification. For “agency specific” Bids, the payroll records should be submitted to the entity issuing the purchase order. For all other OGS Centralized Contracts, such records should be submitted to the individual agency issuing the purchase order(s) for the work. Upon mutual agreement of the Contractor and the Authorized User, the form of submission may be submitted in a specified disk format acceptable to the Department of Labor provided: 1) the Contractor/Subcontractor retains the original records; and, (2) an original signed letter by a duly authorized individual of the Contractor or Subcontractor attesting to the truth and accuracy of the records accompanies the disk. This provision does not apply to Article 9 of the Labor Law building services contracts.
 - iv. **Records Retention** Contractors and Subcontractors must preserve such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

Day’s Labor Eight hours shall constitute a legal day's work for all classes of employees in this state except those engaged in farm and domestic service unless otherwise provided by law.

No laborers, workmen or mechanics in the employ of the Contractor, Subcontractor or other person doing or contracting to do all or part of the work contemplated by the Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five calendar days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. “Extraordinary emergency” shall be deemed to include situations in which sufficient laborers, workers and mechanics cannot be employed to carry on public work expeditiously as a result of such restrictions upon the number of hours and days of labor and the immediate commencement or prosecution or completion without undue delay of the public work is necessary in the judgment of the NYS Commissioner of Labor for the preservation of the Contract site or for the protection of the life and limb of the persons using the Contract site.

17. TAXES

- a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.
- b. Purchases made by NYSIF are exempt from New York State and local sales taxes and, with certain exceptions, federal excise taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by NYSIF or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to

the State, an exempt organization under Section 1116 (a) (1) of the Tax Law. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.

- c. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates, and subcontractors for Contracts with a value greater than \$100,000 in accordance with provisions of the law.

18. EXPENSES PRIOR TO CONTRACT EXECUTION

NYSIF is not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid or best and final offers or for any work performed prior to Contract execution.

19. ADVERTISING RESULTS

The prior written approval of NYSIF is required in order for results of the Bid to be used by the Contractor as part of any commercial advertising. The Contractor shall also obtain the prior written approval of NYSIF relative to the Bid or Contract for press or other media releases.

20. PRODUCT REFERENCES

- a. **“Or Equal”** In all Bid Specifications the words “or equal” are understood to apply where a copyrighted, brand name, trade name, catalog reference, or patented Product is referenced. References to such specific Product are intended as descriptive, not restrictive, unless otherwise stated. Comparable Product will be considered if proof of compatibility is provided, including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. NYSIF’s decision as to acceptance of the Product as equal shall be final.
- b. **Discrepancies in References** In the event of a discrepancy between the model number referenced in the Bid Specifications and the written description of the Products which cannot be reconciled, with respect to such discrepancy, then the written description shall prevail.

21. REMANUFACTURED, RECYCLED, RECYCLABLE OR RECOVERED MATERIALS

Upon the conditions specified in the Bid Specifications and in accordance with the laws of the State of New York, Contractors are encouraged to use recycled, recyclable or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health, welfare, safety requirements or in the Bid Specifications. Contractors are further encouraged to offer remanufactured Products to the maximum extent practicable without jeopardizing the performance or intended end use of the Product and unless such use is precluded due to health, welfare, safety requirements or by the Bid Specifications. Where such use is not practical, suitable, or permitted by the Bid Specifications, Contractor shall deliver new materials in accordance with the “Warranties” set forth below.

Items with recycled, recyclable, recovered, refurbished or remanufactured content must be identified in the Bid or Bidder will be deemed to be offering new Product.

22. PRODUCTS MANUFACTURED IN PUBLIC INSTITUTIONS

Bids offering Products that are manufactured or produced in public institutions will be rejected.

23. PRICING

- a. **Unit Pricing** If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of NYSIF, such unit pricing is obviously erroneous.
- b. **Net Pricing** Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.
- c. **“No Charge” Bid** When Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid “no charge” on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of NYSIF.

- d. **Third Party Financing** If Product acquisitions are financed through any third party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a “Consent & Acknowledgment Agreement” in a form acceptable to NYSIF.
- e. **Best Pricing Offer** During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of NYSIF, shall be immediately reduced to the lower price.
- f. **Price Decreases** Price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after:
- i. **GSA Changes**: Where NYS Net Prices are based on an approved GSA Schedule, the date the approved GSA Schedule pricing decreases during the Contract term; or
 - ii. **Commercial Price List Reductions**: Where NYS Net Prices are based on a discount from Contractor’s list prices, the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or
- Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) without being in conflict with, or obligation to comply on a global basis, with the terms of this clause.
- g. **Best and Final Prices** As specified in the Bid Documents and Contract, a Contractor may be solicited at the time of issuance of a Purchase Order or Mini-Bid award for best and final pricing for the Product or service to be delivered to the Authorized User. Contractors are encouraged to reduce their pricing upon receipt of such request.

24. DRAWINGS

- a. **Drawings Submitted With Bid** When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by NYSIF, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.
- b. **Drawings Submitted During the Contract Term** Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to the Commissioner’s representative.
- c. **Accuracy of Drawings Submitted** All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of product, connections and components. Drawings and diagrams are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing product, services or installation, or carrying out any other requirements of the intended scope of work.

25. SITE INSPECTION

Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder’s ability to properly deliver, install or otherwise provide the required Product. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

26. SAMPLES

- a. **Standard Samples** Bid Specifications may indicate that the Product to be purchased must be equal to a standard sample on display in a place designated by NYSIF and such sample will be made available to the Bidder for examination prior to the opening date. Failure by the Bidder to examine such sample shall not entitle the Bidder to any relief from the conditions imposed by the Bid Specifications.
- b. **Bidder Supplied Samples** NYSIF reserves the right to request from the Bidder/Contractor a representative sample(s) of the Product offered at any time prior to or after award of a contract. Unless otherwise instructed, samples shall be furnished within

the time specified in the request. Untimely submission of a sample may constitute grounds for rejection of Bid or cancellation of the Contract. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, any descriptive literature relating to the Product and a statement indicating how and where the sample is to be returned. Where applicable, samples must be properly labeled with the appropriate Bid or Contract reference.

A sample may be held by NYSIF during the entire term of the Contract and for a reasonable period thereafter for comparison with deliveries. At the conclusion of the holding period the sample, where feasible, will be returned as instructed by the Bidder, at the Bidder's expense and risk. Where the Bidder has failed to fully instruct NYSIF as to the return of the sample (i.e., mode and place of return, etc.) or refuses to bear the cost of its return, the sample shall become the sole property of the receiving entity at the conclusion of the holding period.

- c. **Enhanced Samples** When an approved sample exceeds the minimum specifications, all Product delivered must be of the same enhanced quality and identity as the sample. Thereafter, in the event of a Contractor's default, NYSIF may procure a Product substantially equal to the enhanced sample from other sources, charging the Contractor for any additional costs incurred.
- d. **Conformance with Sample(s)** Submission of a sample (whether or not such sample is tested by, or for, NYSIF) and approval thereof shall not relieve the Contractor from full compliance with all terms and conditions, performance related and otherwise, specified in the Bid Specifications. If in the judgment of NYSIF the sample or product submitted is not in accordance with the specifications or testing requirements prescribed in the Bid Specifications, NYSIF may reject the Bid. If an award has been made, NYSIF may cancel the Contract at the expense of the Contractor.
- e. **Testing** All samples are subject to tests in the manner and place designated by NYSIF, either prior to or after Contract award. Unless otherwise stated in the Bid Specifications, Bidder samples consumed or rendered useless by testing will not be returned to the Bidder. Testing costs for samples that fails to meet Contract requirements may be at the expense of the Contractor.

BID EVALUATION

27. BID EVALUATION

NYSIF reserves the right to accept or reject any and all Bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if NYSIF determines the best interests of the State will be served. NYSIF, in its sole discretion, may accept or reject illegible, incomplete or vague Bids and its decision shall be final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the offer.

28. CONDITIONAL BID

Unless the Bid Specifications provides otherwise, a Bid is not rendered non-responsive if the Bidder specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Bid Documents.

29. CLARIFICATIONS / REVISIONS

Prior to award, NYSIF reserves the right to seek clarifications, request Bid revisions, or to request any information deemed necessary for proper evaluation of Bids from all Bidders deemed to be eligible for Contract award. Failure to provide requested information may result in rejection of the Bid.

30. PROMPT PAYMENT DISCOUNTS

While prompt payment discounts will not be considered in determining the low Bid, NYSIF may consider any prompt payment discount in resolving Bids which are otherwise tied. However, any notation indicating that the price is net, (e.g., net 30 days), shall be understood to mean only that no prompt payment discount is offered by the Bidder. The imposition of service, interest, or other charges, except pursuant to the provisions of Article 11-A of the State Finance Law, which are applicable in any case, may render the Bid non-responsive and may be cause for its rejection.

31. EQUIVALENT OR IDENTICAL BIDS

In the event two offers are found to be substantially equivalent, price shall be the basis for determining the award recipient. If two or more Bidders submit substantially equivalent Bids as to pricing or other factors, the decision of NYSIF to award a Contract to one or more of such Bidders shall be final.

32. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS

NYSIF reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Bidder/Contractor meet the requirements set forth in the Bid Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. A Bidder/Contractor must be prepared, if requested by NYSIF, to present evidence of legal authority to do business in New York State, integrity, experience, ability, prior performance, organizational and financial capacity as well as where applicable, a statement as to supply, plant, machinery and capacity of the manufacturer or source for the production, distribution and servicing of the Product offered/Bid. If NYSIF determines that the conditions and terms of the Bid Documents, Bid Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity, experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, NYSIF may reject such Bid or terminate the Contract.

33. DISQUALIFICATION FOR PAST PERFORMANCE AND FINDINGS OF NON-RESPONSIBILITY

Bidder may be disqualified from receiving awards if Bidder, or anyone in Bidder's employment, has previously failed to perform satisfactorily in connection with public Bidding or contracts or is deemed non-responsible.

34. QUANTITY CHANGES PRIOR TO AWARD

NYSIF reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Bid Specifications. In the event such right is exercised, the lowest responsible Bidder meeting Bid Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Bid price in relation to the changed quantities. Refusal by the low Bidder to so extend or reduce its Bid price may result in the rejection of its Bid and the award of such Contract to the lowest responsible Bidder who accepts the revised qualifications.

35. TIME FRAME FOR OFFERS

NYSIF reserves the right to make awards within one hundred eighty (180) days after the date of the Bid opening or such other period of time as set forth in the Bid Documents, during which period, Bids must remain firm and cannot be withdrawn. Pursuant to Section 163(9)(e) of the State Finance Law and Section 2-205 of the Uniform Commercial Code when applicable, where an award is not made within the one hundred eighty (180) day period or other time specified as set forth in the Bid Documents, the Bids shall remain firm until such later time as either a Contract is awarded or the Bidder delivers to NYSIF written notice of the withdrawal of its Bid. Any Bid which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of NYSIF, be accepted or rejected.

ADMINISTRATIVE

36. NYSIF PREROGATIVES

The contract award is subject to the availability of funds. Moreover, NYSIF is not liable for any costs incurred by any firm for work performed to prepare its proposal or for any travel and/or other expenses incurred in the preparation and/or submission of its proposal or with respect to any presentation/interview that may be required by NYSIF. Further, NYSIF is not liable for any costs incurred by the successful Offeror for services performed or costs incurred until the contracting process has been completed and all required approvals obtained.

NYSIF reserves the right to exercise the following:

- a. Reject any or all bids received in response to the solicitation.
- b. Adjust or correct any arithmetical error in the bid and so notify the Bidder.
- c. Waive or modify minor irregularities in bids received after prior notification to the Bidder.
- d. Adopt as NYSIF property all submitted bids and to use any portions thereafter which are not specifically noted as proprietary by the submitting firms.
- e. Change the bid due date.
- f. To not award a contract.
- g. Cancel or limit the scope of the contract for any reason.
- h. Accept or reject any of the Bidder's employees assigned to this contract and to require their replacement at any time.
- i. Consider modifications to bids at any time before the award is made, if such action is in the best interest of NYSIF.
- j. Amend and modify the RFP specifications after their release and so notify all Offerors.

- k. Negotiate with Offerors to serve the best interests of the State.
- l. Accept a bid for the contract other than the lowest cost.
- m. Begin contract negotiations with another Bidder in order to serve the best interest of the State of New York in the event that the State is unsuccessful in negotiating a contract with the selected Bidder.
- n. Split the contract between several Offerors.
- o. Eliminate mandatory requirements unmet by all Offerors.
- p. Reject all bids which do not comply with the bid specifications. However, NYSIF may elect to award to the Bidder who receives the highest overall combined evaluation score providing that the Bidder's non-compliance is deemed by NYSIF to be non-material to overall performance of the services.
- q. Review Bidder's records used in determining bid.
- r. Require the Bidder to demonstrate to the satisfaction of NYSIF any feature(s) presented as a part of its bid.
- s. Make inquiries, at NYSIF's discretion and by means which it may choose, into the Bidder's background or statements made in the bid to determine the truth and accuracy of all statements made therein.
- t. After an unsuccessful attempt to speak with the contact person noted on the reference form, survey another person knowledgeable and familiar with the Bidder from the submitted reference due to time constraints.
- u. Invalidate an Bidder's scores at any time during the evaluation process if the Bidder's bid is deemed non-responsive or is disqualified.
- v. Evaluate, accept and/or reject any and all bids, in whole or in part, and waive technicalities, irregularities and omissions if, in NYSIF's considered judgment, the best interests of NYSIF will be served. Separable portions of offers may also be accepted or rejected. In the event compliant bids are not received, NYSIF reserves the right to consider late or non-conforming bids as offers.
- w. In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken by NYSIF as if no delay in payment had occurred.
- x. Submission of an invoice and payment, or electronic transmission, thereof by NYSIF shall not preclude NYSIF from reimbursement or demanding a price adjustment in any case where the service delivered is found to deviate from the terms and conditions of the bid and award documents. Any delivery made which does not meet such terms and conditions may be rejected, or accepted on an adjusted price basis as may be determined by NYSIF.
- y. If a contract is not approved by the State Comptroller, or if a contract is awarded but terminated within 120 days, NYSIF reserves the right to contract with the next lowest bidder (IFB)/next highest ranking offer (RFP).

37. NEW YORK STATE PROCUREMENT RIGHTS

To enable the State to acquire commodities, technology and services at the lowest price or best value from responsible and responsive bids, the State reserves the rights to:

- a. Define requirements to meet Agency needs and to modify, correct and clarify requirements at any time during the process provided the changes are justified and maintain fairness in contracting with the business community;
- b. Accept and/or reject any or all bids, and waive technicalities or portions of the bids in the best interest of the State;
- c. Establish terms and conditions which must be met by all bidders and/or, where permitted by the solicitation, eliminate mandatory requirements that are not met by any bidder;
- d. Establish, where permitted by solicitation, conditions under which the scope of the contract can be expanded and criteria for price increases or decreases during the contract period;
- e. Award contracts for any or all parts of the bid solicitation in accordance with the Method of Award;
- f. Consider every bid as firm and not revocable for a period of up to one hundred eighty (180) days from the bid opening or such other period of time specified in the solicitation. Subsequent to such one hundred eighty (180) day or other specified period, a bid may be withdrawn in writing.
- g. Have the option to require a bond or other guarantee of performance, and to approve the amount, form and sufficiency thereof.

38. BIDDER CERTIFICATION REQUIREMENTS

Any company submitting a bid in response to this solicitation *must certify in writing* acceptance of the following contract conditions which relate to consideration of the bid:

- a. NYSIF reserves the sole right of judgment and acceptance of a company's written bid.
- b. The submitted bid must remain in effect for one hundred-eighty (180) days from the bidding deadline. However, a non-successful bidder may withdraw its bid any time after the selection of the successful bidder, upon written notice to NYSIF. Bidders whose bids have been rejected by NYSIF shall be notified of such rejection.
- c. Compensation shall be paid by the State of New York, in accordance with the standard payment practices of the State of New York.
- d. The bidder certifies that, if selected, all services described in the bid document can and will be provided.
- e. The successful bidder agrees to submit an Equal Employment Opportunity Policy Statement and Staffing Plan to NYSIF, upon request, as outlined under Participation of New York State Business Enterprises.
- f. The bidder warrants that, if selected, it will not delegate, assign, encumber or subcontract, in whole or in part, its agreement and/or its responsibilities under the contract without prior written approval from NYSIF.

For any bid that includes services to be provided by subcontract with a third party, the bidder will be responsible for the conduct and performance of the third party. NYSIF will consider the bidder to be the prime contractor and the sole point of contact in regard to any contractual items specified or required in the bid documents.

The bidder should obtain the consent of the proposed subcontractor and include it in the bid.

- g. The bidder warrants that all information provided by it in connection with this bid is true and accurate.
- h. The bidder agrees not to make any claims for or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any lack of information.
- i. The bidder warrants that the prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor. Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to the opening, directly or indirectly, to any Bidder or competitor and that no attempt has been made or will be made by the Bidder to induce any other person, partnership, or corporation to submit or not submit a bid for the purpose of restricting competition. In addition, a bidder is prohibited from making multiple bids in a different form, e.g., as prime bidder and as a subcontractor to another prime bidder.

A bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.
- j. The bidder will conform to all provisions of Appendix A, *Standard Clauses for All New York State Contracts*.
- k. The bidder agrees that no New York State or local sales tax, transportation tax or Federal excise tax will be charged on any part of this project since NYSIF is an agency of the State of New York and tax exempt by statute.
- l. The bidder will save and hold harmless NYSIF and its management from all claims, suits, litigation and legal liability from any acts or omissions committed by the bidder during the course of the contract.
- m. The contractor is an independent contractor of the State and may not hold itself out nor claim to be an officer, employee or subdivision of the State nor may contractor make any claim, demand or application to or for any right based upon any different status.

Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid and Contract and any applicable laws, including but not limited to, permits, licensing, and shall provide such proof as required by NYSIF. Failure to comply or failure to provide proof may constitute grounds for NYSIF to cancel or suspend the Contract, in whole or in part, or to take any other action deemed necessary by NYSIF. Failure to comply with those provisions may result in disqualification from the bidding process and in other civil or criminal proceedings as required by law.

- p. If NYSIF causes any delay in completing or impedes the successful Bidder's work, then NYSIF should be notified immediately in writing of the delay and reason(s) for the delay.
- q. Tax Law 5-a is effective with all solicitations to purchase issued by covered agencies on or after January 1, 2005. 1. CONTRACT DOCUMENTS

The contract documents consist of the contract agreement, proposal, bid document specifications, addenda issued prior to receipt of bids, and all subsequent modifications and changes issued pursuant to the bid documents.

The contract represents the agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral, including the bidding documents which may have resulted from the Bid Documents.

The contract may be revised, modified and/or amended by mutual written consent of both parties and the approval of the Office of the State Comptroller. The contract is made in accordance with the laws of New York State.

2. TERM

In addition to any stated renewal periods in the Contract, any Contract or unit portion thereof let by NYSIF may be extended by NYSIF for an additional period(s) of up to one year with the written concurrence of the Contractor and Comptroller. Such extension may be exercised on a month to month basis or in other stated periods of time during the one year extension.

3. TERMINATION OF CONTRACT

- a. **For Cause:** For a material breach that remains uncured for more than thirty (30) days or other specified period after written notice to the Contractor, the Contract may be terminated by NYSIF at the Contractor's expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non-performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach. NYSIF shall have the right to award a new contract to a third party. In the event of termination for cause, NYSIF shall seek recovery damage incurred by NYSIF and the reasonable re-procurement costs associated in reassigning the contract.
- b. **For Convenience:** By written notice, this Contract may be terminated at any time by the State for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.
- c. **For Violation of the Sections 139-j and 139-k of the State Finance Law:** NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.
- d. **For Violation of Revised Tax Law 5a:** NYSIF reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor.

4. SUSPENSION OF WORK

NYSIF may order the contractor in writing to suspend performance of all or any part of the work for a reasonable period of time, not to exceed thirty (30) days, as determined by NYSIF.

Upon receipt of a suspension order, the contractor shall, as soon as practicable, cease performance of the work as ordered.

The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

5. SAVINGS/FORCE MAJEURE

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or NYSIF in the performance of the Contract which non-performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide NYSIF with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor NYSIF shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and NYSIF to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of NYSIF where the delay or failure will significantly impair the value of the Contract to the State, NYSIF may:

- a. Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to Authorized Users with respect to Product subjected to allocation; and/or
- b. Purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to the State; or
- c. Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, NYSIF reserves the right, in his/her sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss.

6. DISASTER RECOVERY PLAN

A. Disaster Recovery Plan

Contractor shall develop and deliver, upon request, to NYSIF on or before a date as reasonably determined by NYSIF, and at no additional cost to NYSIF, a Disaster Recovery Plan for the services which is acceptable to NYSIF and all appropriate regulatory organizations having jurisdiction over Contractor. The Disaster Recovery Plan, which will apply specifically and exclusively to the services under this Agreement, shall provide a description of the Plan Assumptions, Recovery Strategy, Disaster Declaration, Plan Notification and Activation, and Recovery Resources. Contractor shall make available at its premises its Master Disaster Recovery Plan applicable to all of its operations for review by NYSIF. NYSIF's approval of the disaster Recovery Plan shall not be unreasonably withheld. Review and acceptance of any Disaster Recovery Plan as may be required by any such regulatory organization shall be the responsibility of Contractor. The Disaster Recovery Plan shall provide, at a minimum, for Contractor to provide alternate electrical power for uninterrupted service. The Disaster Recovery Plan shall also designate one or more facilities (each a "Disaster Recovery Site") or separate computer resources to which Contractor shall move the Services (or affected portion of such services) upon the declaration of a Disaster requiring such a relocation (including a Disaster at a Disaster Recovery Site). Each Disaster Recovery Site must be appropriately equipped with data processing equipment which the parties reasonably believe should be sufficient to provide the Services in compliance with Attachment A. The Disaster Recovery Plan must also specify all procedures for the determination or declaration of a Disaster, which determination or declaration may not be unreasonably withheld or delayed by either party.

B. Access to Disaster Recovery Plans

1. Contractor shall make available to NYSIF any reports or findings of any regulatory agency dealing with Contractor's disaster recovery capabilities to provide services hereunder, unless it is prohibited from making such disclosure by law or by any such agency, together with any reports of its independent auditors relating to such plans. Contractor shall also make available to NYSIF results of any tests of Contractor's disaster recovery facilities conducted by Contractor or any third party with respect to the services provided under the Agreement. Contractor shall provide an annual briefing to NYSIF related to its disaster recovery strategy.
2. NYSIF acknowledges that Contractor's Master Disaster Recovery Plan providing disaster recovery for these services contains highly sensitive and confidential business information. It is understood and agreed that NYSIF may examine and approve the Master Disaster Recovery Plan; however, such examination shall be limited to that portion of the plan(s) which relates to the providing of services under this Agreement. Contractor may in its discretion limit NYSIF's review of its Master Disaster Recovery Plan(s) to a review of a copy maintained at Contractor's Capital Region office and not permit any copies to be made.

C. Disaster Event Notification

Contractor shall no later than twenty-four (24) hours after the occurrence of an event requiring activation of the Disaster Recovery Plan inform NYSIF that the plan has been activated. At that time, Contractor shall provide NYSIF with a description of the nature and extent of the disaster, an assessment of the impact on all services provided pursuant to this Agreement and a description of the specific recovery actions with their associated timeframes that have been or will be taken as part of the plan. Contractor will provide appropriate periodic updates of the recovery process as required by NYSIF.

7. **PRODUCT DELIVERY**

Delivery must be made as ordered to the address specified on the Purchase Order and in accordance with the terms of the Contract. Unless otherwise specified in the Bid Documents, delivery shall be made within thirty calendar days after receipt of a Purchase Order by the Contractor. The decision of NYSIF as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify NYSIF and confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by NYSIF. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in NYSIF's discretion, the Contract.

8. **WEEKEND AND HOLIDAY DELIVERY**

Unless otherwise specified in the Bid Specifications, deliveries will be scheduled for ordinary business hours, Monday through Friday (excluding legal holidays observed by the State of New York). Deliveries may be scheduled by mutual agreement for Saturdays, Sundays or legal holidays observed by the State of New York where the Product is for daily consumption, an emergency exists, the delivery is a replacement, delivery is late, or other reasonable circumstance, in which event the convenience of NYSIF shall govern.

9. **SHIPPING / RECEIPT OF PRODUCT**

- a. **Packaging** Tangible Product shall be securely and properly packed for shipment, storage and stocking in appropriate, clearly labeled shipping containers and according to accepted commercial practice, without any extra charges for packing materials, cases or other types of containers. The container shall become and remain the property of NYSIF User unless otherwise specified in the Contract documents.
- b. **Shipping Charges** Unless otherwise stated in the Bid Specifications, all deliveries shall be deemed to be freight on board (FOB) destination tailgate delivery at the dock. Contractor shall be responsible for ensuring that the Bill of Lading states "charges prepaid" for all shipments.
- c. **Receipt of Product** The Contractor shall be solely responsible for assuring that deliveries are made to personnel authorized to accept delivery on behalf of NYSIF. Any losses resulting from the Contractor's failure to deliver Product to authorized personnel shall be borne exclusively by the Contractor.

10. **PRODUCT SUBSTITUTION**

In the event a specified manufacturer's Product listed in the Contract becomes unavailable or cannot be supplied by the Contractor for any reason (except as provided for in the Savings/Force Majeure Clause) a Product deemed in writing by NYSIF to be equal to or better than the specified Product must be substituted by the Contractor at no additional cost or expense to NYSIF. Unless otherwise specified, any substitution of Product prior to NYSIF's written approval may be cause for cancellation of Contract.

11. **REJECTED PRODUCT**

When Product is rejected, it must be removed by the Contractor from the premises of NYSIF within ten calendar days of notification of rejection by NYSIF. Upon notification of rejection, risk of loss of rejected or non-conforming Product shall remain with Contractor. Rejected items not removed by the Contractor within ten calendar days of notification shall be regarded as abandoned by the Contractor, and NYSIF shall have the right to dispose of Product as its own property. The Contractor shall promptly reimburse NYSIF for any and all costs and expenses incurred in storage or effecting removal or disposition after the ten-calendar day period.

12. **INSPECTION AND ACCEPTANCE OF THE WORK**

NYSIF will, from time-to-time, inspect the products being provided and/or the services being performed under the terms of the contract.

All products/work shall be subject to the approval of NYSIF. In the event that any of the products provided/work performed are not acceptable to NYSIF in its sole judgment, the contractor shall replace the product/correct that work in an expeditious manner at no additional cost to NYSIF.

The contractor shall, without charge, promptly correct any problems NYSIF finds do not conform to the contract documents, unless in the public interest NYSIF consents to accept such product or work with an appropriate adjustment to the contract price.

If the contractor does not promptly correct rejected product/work, NYSIF may replace such product/correct such work and charge the cost thereof to the contractor, or terminate the contract in accordance with this Agreement.

13. TITLE AND RISK OF LOSS

Notwithstanding the form of shipment, title or other property interest, risk of loss shall not pass from the Contractor to NYSIF until the Products have been received, inspected and accepted by the receiving entity. Acceptance shall occur within a reasonable time or in accordance with such other defined acceptance period as may be specified in the Bid Specifications or Purchase Order. Mere acknowledgment by NYSIF personnel of the delivery or receipt of goods (e.g., signed bill of lading) shall not be deemed or construed as acceptance of the Products received. Any delivery of Product that is substandard or does not comply with the Bid Specifications or Contract terms and conditions, may be rejected or accepted on an adjusted price basis, as determined by NYSIF.

14. EMERGENCY CONTRACTS

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or NYSIF determines pursuant to his/her authority under Section 163 (10) (b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of Product, NYSIF reserves the right to obtain such Product from any source, including but not limited to this Contract(s), if NYSIF in its sole discretion determines will meet the needs of such emergency. Failure to obtain consent to assignment from NYSIF shall revoke and annul such Contract. Notwithstanding the foregoing, the State shall not hinder, prevent or affect assignment of money by a Contractor for the benefit of its creditors. Prior to a consent to assignment of monies becoming effective, the Contractor shall file a written notice of such monies assignment(s) with the Comptroller. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request to assignment to NYSIF and seek written agreement from NYSIF which will be filed with the Comptroller. NYSIF reserves the right to reject any proposed assignee in his/her discretion.

Upon notice to the Contractor, the Contract may be assigned without the consent of the Contractor to another State Agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the functions are transferred to a successor Agency or to another Agency that assumes NYSIF responsibilities for the Contract.

16. ASSIGNMENT OF CLAIM

Contractor hereby assigns to the State any and all its claims for overcharges associated with this Contract which may arise under the antitrust laws of the United States, 15 USC Section 1, et. seq. and the antitrust laws of the State of New York, General Business Law Section 340, et. seq.

Such records and accounts and all supportive documentation shall be kept for at least six (6) years subsequent to dates of final payment hereunder, or until a final audit has been made by NYSIF (or its designee).

Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). - e. **Deduction/Credit** Sums due as a result of these remedies may be deducted or offset by NYSIF from payments due, or to become due, the Contractor on the same or another transaction. NYSIF reserves the right to determine the disposition of any rebates, settlements, restitution, liquidated damages, etc., which arise from the administration of the Contract.

The Contractor agrees, during the term of this Contract, to maintain at Contractor's expense those benefits to which its employees would otherwise be entitled by law, including health benefits, and all necessary insurance for its employees, including worker's compensation, disability and unemployment insurance, and to provide NYSIF with certification of such insurance upon request. The Contractor remains responsible for all applicable federal, state and local taxes, and all FICA contributions.

26. EMPLOYEES, SUBCONTRACTORS AND AGENTS

All employees, Subcontractors or agents performing work under the Contract must be trained staff or technicians who meet or exceed the professional, technical and training qualifications set forth in the Bid Specifications or the Bid Documents, whichever is more restrictive, and must comply with all security and administrative requirements of NYSIF. NYSIF reserves the right to conduct a

security background check or otherwise approve any employee, Subcontractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on, including but not limited to, professional, technical or training qualifications, quality of work or change in security status or non-compliance with NYSIF's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. NYSIF reserves the right to reject and/or bar from the facility for cause any employee, Subcontractor, or agents of the Contractor.

27. OWNERSHIP OF DOCUMENTS

All drawings, specifications, computations, sketches, test data, survey results, reports and other documents including models, photographs, renderings and other material prepared for or relating to the project, including any material furnished by NYSIF are the property of NYSIF.

28. INFORMATION SECURITY CLAUSE

In the event of a Breach of Security as defined in NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or otherwise, involving NYSIF supplied Personal Information or Private Information from systems owned, operated, sub-contracted or otherwise conducted through Contractor's systems or networks, Offeror shall notify NYSIF immediately, without unreasonable delay, pursuant to the NOTICE provision of this Agreement. "Breach of security" shall mean the unauthorized acquisition or acquisition without valid authorization of computerized data containing personal or private information. "Personal Information" shall mean any information concerning a person which, because of name, number, mark or other identifier, can be used to identify such person. "Private Information" shall mean personal information in combination with any one or more of the following data elements, when either the personal information or the data information or the data element is not encrypted or encrypted with an encryption key that has also been acquired: (i) social security number; (ii) driver's license number or non-driver identification cards number; or (iii) account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account. Additionally, Offeror undertakes to, solely at its own cost and expense, provide any requisite notices that either Contractor or NYSIF would have to provide pursuant to NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or any other applicable statute, both on behalf of Contractor and on behalf of NYSIF. Offeror's notification shall include but not be limited to a description of the categories of information that were, or are reasonably believed, to have been acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so acquired, or as otherwise provided for by applicable law.

29. CONFIDENTIALITY CLAUSE

NYSIF Confidential Information includes but is not limited to: (i) the meaning ascribed to "Nonpublic Personal Information" in Title V of the Gramm-Leach-Bliley Act of 1999 or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("GLBA"), as it relates to NYSIF's consumers, (ii) "Protected Health Information" ("PHI") as such term is defined in the Health Insurance Portability and Accountability Act of 1996, or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("HIPAA") and (iii) any personally identifiable information protected under any other applicable state or federal statute, rule or regulation.

All material made available to the contractor or its staff will remain the property of NYSIF. In addition, the contractor, subcontractor and staff shall maintain the confidentiality of all material, including the identity of any parties and content of any material to which they are exposed or have access. All improvements to applications and processes developed at NYSIF's expense and within the scope of the services provided to NYSIF shall be the sole and exclusive property of NYSIF.

The contractor will not divulge, disclose or furnish to any other party the information or processes utilized at NYSIF, disclosed to the contractor or developed by the contractor or another during the course of the project unless such information is in the public domain.

The contractor will advise NYSIF if it is engaged in a project for any other insurance company, or subsidiary, that has a Workers' Compensation or Disability Benefits product line.

Any request for information from third parties shall be reported to NYSIF in writing within 24 hours. News releases pertaining to this project will not be made without prior NYSIF approval.

30. INDEMNIFICATION

Contractor shall be fully liable for the actions of its agents, employees, partners or Subcontractors and shall fully indemnify and save harmless NYSIF from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by any intentional act or negligence of Contractor, its agents, employees, partners or Subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any

claim, loss or damage arising hereunder due to the negligent act or failure to act of NYSIF.

31. LIMITATION OF LIABILITY

Except as otherwise set forth in the Indemnification Paragraphs above, the limit of liability shall be as follows:

- a. - b. NYSIF may retain such monies from any amount due Contractor as may be necessary to satisfy any claim for damages, costs and the like asserted against NYSIF unless Contractor at the time of the presentation of claim shall demonstrate to the NYSIF's satisfaction that sufficient monies are set aside by the Contractor in the form of a bond or through insurance coverage to cover associated damages and other costs.
- c. Notwithstanding the above, neither the Contractor nor NYSIF shall be liable for any consequential, indirect or special damages of any kind which may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by NYSIF, the Contractor, or by others.

32. NON-SOLICITATION

The Contractor shall contact NYSIF employees, including employees designated by NYSIF to receive marketing material and negotiate contracts only in connection with the transaction of business set forth herein. The Contractor shall be cognizant of sections 73 and 74 of the NYS Public Officers Law, which govern the conduct of the state employees, and sections 139-j and 139-k of the NYS Finance Law which governs the conduct of the state employees and their relations with outside parties.

The Contractor shall not contact or solicit NYSIF employees in connection with any contests, lotteries, challenges, or competitions, whether or not prizes, awards, gifts, remuneration or items of value are awarded. The Contractor shall neither solicit nor market directly to any NYSIF employees in their individual capacities. If the Contractor maintains identifiable records of NYSIF employees in connection with its performance hereunder, such records shall not commercially exploit its relationship with NYSIF nor use NYSIF, its name, trademarks or logo for any advertising, marketing or other commercial purpose without prior written approval. This clause shall survive termination of any awarded contract.

33. CONTRACTOR CONSULTANT LAW

Effective June 19, 2006, Chapter 10 of the Laws of 2006 amended the Civil Service and State Finance Laws, relative to maintaining certain information on contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as "contracts entered into by a state agency for *analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services*". The amendments require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), the Division of the Budget (DOB) and the Department of Civil Service (CS).

To meet these new requirements, the awarded contractor agrees to complete Form A - Contractor's Planned Employment Form, and Form B - Contractor's Annual Employment Report (Appendix O).

34. INSURANCE

Prior to the commencement of the work, Contractor shall file with NYSIF Certificates of Insurance evidencing compliance with all requirements contained in the Bid Documents. Acceptance and/or approval by NYSIF do not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under this Agreement.

Contractor shall cause all insurance to be in full force and effect as of the commencement date of this Agreement and to remain in full force and effect throughout the term of this Agreement and as further required by this Agreement. Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

35. PERFORMANCE / BID BOND

NYSIF reserves the right to require a Bidder or Contractor to furnish without additional cost, a performance, payment or Bid bond or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract. Where required, such bond or other security shall be in the form prescribed by NYSIF

If the contractor offers new job titles or services, these services may be made available under this contract and may be offered at maximum not to exceed prices. It shall be the contractor's responsibility to submit to NYSIF service changes for consideration for contract amendment. These changes, if approved, shall take effect upon written notification by NYSIF and may be subject to pre-audit by the Office of the State Comptroller.

38. SEVERABILITY

In the event that any provision of this Agreement shall be considered void, voidable, illegal or invalid for any reason, such provision shall be of no force and effect only to the extent that it is so declared void, voidable, illegal or invalid. VENDOR RESPONSIBILITY QUESTIONNAIRE

Each Contracting Agency conducts a review of prospective contractors (“vendors”) to provide reasonable assurances that the vendor is responsible. This questionnaire is used for all non-construction contracts with a contract value of \$100,000.00 or more and is designed to provide information to assess a vendor’s authorization to do business in New York State, as well as your business integrity, financial and organizational capacity, and performance history. (Review of construction contractors will be based upon the Uniform Contracting Questionnaire developed by the Council of Contracting Agencies.)

Each vendor must answer every question contained in this questionnaire. Where a response requires additional information, the vendor must attach a written response that adequately details the requested information. Please number each response to match the question number. The completed questionnaire and attached responses will become part of the procurement record.

In order to expedite the required review, when providing additional information for a “YES” answer to Questions 14 a-s, or any other response which requires additional explanation, your information and responses should address the relationship of the issue to the proposed contract. Be brief, concise and to the point. Discuss as appropriate the following:

- Provide a description of the issue and identify the actions taken or currently being implemented to ensure that the issue will not occur again.
- State whether the staff and/or organizational component involved in the identified issue(s) will work on the proposed contract. If so, provide information to assure the agency that the issue will not be repeated.
- Identify the relationship (or lack thereof) between the product/services involved in the issue and the type of product/services proposed for this contract.
- State whether the issue will affect your financial or organizational ability to perform under the proposed contract.
- Provide copies of relevant documents or any other information that would assist the agency in its vendor responsibility evaluation.

It is imperative that the person completing the vendor responsibility questionnaire be knowledgeable about the proposing vendor’s business and operations, as an owner or officer of the vendor must attest to the questionnaire information. Please be advised that at the end of this questionnaire, you must certify, under oath, all responses given.
