

Are any of your employees still dining on your tab?

Each year, injured workers recover but fail to tell their bosses. Instead, they work other jobs and still collect workers' comp. Padding their bank accounts is good for them, but it's bad for everybody else in New York. Fraud increases business costs, negatively affects employee raises and benefits, and even forces some companies to close their doors, costing honest workers their jobs.

TO REPORT FRAUD CONTACT NYSIF AT:

- Div. of Confidential Investigations
PO Box 3395
Church Street Station
New York, NY 10007
- Toll-Free Fraud Hotline
