January 23, 2026

The following Q&A, updated drawing, and image will serve as Amendment #1 to NYSIF's Invitation for Bids (IFB) for Level 2 EV Charging Stations for Albany Offices, bid number 2025-55-RE. Material in this Amendment supersedes any contradictory material in the RFP.

Please note that the due date for the submission of bids **remains the same**.

All bids are due January 30, 2026, by 2:00 p.m.(eastern).

Sincerely,

A handwritten signature in black ink that reads "Carly Zanotta". The signature is written in a cursive, flowing style.

Level 2 EV Charging Stations for Albany Offices

IFB # 2025-55-RE

Amendment 1

Question #	IFB Page #	IFB Section and Sub-Section Reference #/Heading	Question	NYSIF Response
1	Drawing E-101	Panel Schedule	1 Watervliet Ave. Ext.: Please confirm each EVSE dual-port unit is to have its ports power-shared.	Yes, that is correct.
2	Drawing E-101	New Work Coded Notes	8 Computer Dr. West: Please confirm each EVSE dual-port unit is to have its ports power-shared.	Yes, that is correct.
3	25 & 96	Section 4 - Bid/Proposal Format - 4.2.5 - References; Appendix I - Bidder References	Section 4.2 provides an overview on the bid format with Section 4.2.5 providing specific information on References. As it is written, it appears a References section should be included in the Technical Proposal with a minimum of (2) references, while Appendix I - Bidder References is then provided. Should Appendix I be included in the Administrative or Technical Proposal section of the bid submission?	Appendix I should be included in the Administrative Proposal section of the bid submission.
4	128-129	Appendix Z - Fee Schedule	Should Appendix Z be included in the Administrative or Cost Proposal section of the bid submission?	The Appendix Z should be submitted as a separate electronic file. This separate electronic file will be considered the Cost Proposal section of the bid submission.
5	115	Appendix S	Our company is a certified SDVOB. Please confirm that our company meets the requirements of Appendix S as the prime contractor and how best to document this on Appendix S for the bid submission.	Please complete and submit Appendix S Form S-100.
6	Drawing E-101	Partial Site Plan	Please confirm the scaling found on the drawing is 1/2" = 1'	Please see attached corrected drawing for corrected drawing scale.

IFB # 2025-55-RE

Amendment 1

Question #	IFB Page #	IFB Section and Sub-Section Reference #/Heading	Question	NYSIF Response
7	Drawing E-101	New Work Coded Notes	Please provide panel manufacturer/breaker part number for the contractor provided 100A/2P breakers to be installed in (E)MDP. Photos of other breakers in this panel would suffice for comparison.	A photo of the breaker at 8 Computer Drive West is attached.
8	21	Section 3.4, Bonds	Does the bid require a bid bond or just a letter of intent from our Surety?	Per Section 3.4, with its bid submission, the bidder shall include a letter from its bank or surety company stating that the Letter of Credit or Bond will be provided if being considered for a contract or in the event of a contract. A bond is only required upon award." Additionally, while a performance bond is required, no bid bond is required with this solicitation.
9	8	Section 1.4, Purpose of This IFB	For the level 2 electric car chargers, is this construction only, or is there a need professional engineering to create the design/layout?	The purpose of this IFB is to seek the services of a qualified firm to perform solely the installation of the electrical vehicle chargers.
