THIS AGREEMENT is between the New York State Insurance Fund ("AGENCY"), having its principal place of business at 199 Church St, New York, New York 10007, and **[INSERT VENDOR NAME]**, with offices at **[INSERT VENDOR ADDRESS]**, a Contractor to Agency ("CONTRACTOR"). For the purposes of this agreement, either AGENCY or CONTRACTOR may be a "Receiving Party" or a "Disclosing Party" with respect to Confidential Information.

NOW THEREFORE, for and in consideration of the engagement of CONTRACTOR to perform services set forth in **[INSERT AGREEMENT # OR DESCRIPTION OF AGREEMENT]** ("Agreement" or "Contract"), the parties agree to the following:

1. Background

- a. AGENCY and CONTRACTOR agree that information shared as necessary for the purposes of this Agreement is "Confidential Information." Confidential Information shall include all non-public information (whether in verbal, written, visual, graphic or machine-readable form) of the Disclosing Party which the Receiving Party has had access to (including prior to effective date), will have access to, or will create or prepare, that includes, incorporates, makes reference to or utilizes in any way, without limitation, the Data and all other proprietary information related to the Disclosing Party's business. Confidential Information shall include all information of a third party to which each Party has access or will have access. Confidential Information shall also include any information and data protected by applicable privacy laws and regulations, including but not limited to Federal, State, and local laws as well as those of territories and dependencies.
- b. The party that discloses Confidential Information hereunder is referred to as the "Disclosing Party" and the party receiving Confidential Information hereunder is referred to as the "Receiving Party."
- c. The Receiving Party and Disclosing Party each agree to comply with Federal, State, and local privacy laws and regulations as well as privacy laws and regulations of territories and dependencies as applicable to the Confidential Information.

2. Confidentiality and Non-Disclosure

- a. Each party agrees that Confidential Information is the valuable property of the Disclosing Party notwithstanding any public disclosure by any source and will be protected by civil and criminal law and, where appropriate, by the law of copyright. The Receiving Party shall protect the Confidential Information of the Disclosing Party using procedures no less rigorous than those used to protect its own Confidential Information but not less than a reasonable degree of care. The Receiving Party shall not transfer or disclose any of the Confidential Information to any third party without the Disclosing Party's prior written permission except for the terms listed in Section 4. The Receiving Party further agrees not to divulge information or methods of accessing the Disclosing Party data to any person not authorized to obtain such information and/or data.

- b. Each party agrees to implement and maintain an appropriate security program for Confidential Information to (1) ensure the security and confidentiality of Confidential Information, (2) protect against any threats or hazards to the security or integrity of Confidential Information, and (3) prevent unauthorized access to or use of Confidential Information. Confidential Information shall be stored and maintained in a place and manner that is physically secure from access by unauthorized persons. AGENCY reserves the right to review CONTRACTOR's policies and procedures used to maintain the security for Confidential Information.
- c. CONTRACTOR shall maintain a commercially reasonable Disaster Recovery and Business Continuity Plan and a copy of said plan shall be provided to AGENCY upon request.
- d. The Receiving Party shall use the Disclosing Party's Confidential Information solely for the performance of agreed upon services and shall not take any action inconsistent with the confidential and proprietary nature of such information.

3. Confidentiality Exceptions

Confidential Information shall not include information that (a) is in the public domain at the time of its use or disclosure through no fault of the Receiving Party or its Contractors, (b) was lawfully in the possession of or demonstrably known by the Receiving Party prior to its receipt from the Disclosing Party, (c) is independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information, or (d) becomes known by the Receiving Party from a third party and, to the Receiving Party's knowledge, is not subject to an obligation of confidentiality to the Disclosing Party.

4. Third-Party Disclosure

- a. The terms of this Agreement shall apply to any agents, employees, subcontractors, representatives, consultants, affiliates, and advisors of AGENCY and CONTRACTOR who need to know the Confidential Information and who are informed of the confidential nature of the information and agree to keep it confidential. It is understood that CONTRACTOR shall be and will remain liable for any breach of Confidentiality and Nondisclosure obligations by any of the Persons set forth above.
- b. CONTRACTOR shall require the Persons set forth in this Section 4 to implement and maintain an appropriate security program for Confidential Information to (1) ensure the security and confidentiality of Confidential Information, (2) protect against any threats or hazards to the security or integrity of Confidential Information, and (3) prevent unauthorized access to or use of Confidential Information. CONTRACTOR shall be responsible for all individuals, including employees of CONTRACTOR and employees of all Persons set forth in this Section 4 authorized to have access to the Confidential Information, adherence to the Confidentiality and Nondisclosure requirements set forth in this Agreement.

5. No Transmission Outside the United States

CONTRACTOR shall take appropriate measures to assure that AGENCY's Confidential Information is NOT transmitted outside of the United States. Such prohibition against transmission shall not apply to satellite transmission or other similar digital

communication methods used by CONTRACTOR or its Contractors in the ordinary course of business and in conformance with this Agreement.

6. Compelled Disclosure

- a. If the Receiving Party is requested or required to disclose any of the Disclosing Party's Confidential Information pursuant to a subpoena, court order, statute, law, rule, regulation or other similar requirement (a "*Legal Requirement*"), the Receiving Party shall, unless prohibited by law, provide prompt notice of such Legal Requirement to the Disclosing Party so the Disclosing Party may seek an appropriate protective order or other appropriate remedy or waive compliance with the provisions of this Agreement. If the Disclosing Party is not successful in obtaining a protective order or other appropriate remedy and the Receiving Party is, in the opinion of its counsel, compelled to disclose such Confidential Information under pain of liability for contempt of court or other censure or liability, the Receiving Party shall be permitted to disclose such Confidential Information solely to the extent necessary, in the opinion of its counsel, to comply with the Legal Requirement.
- b. Information that would otherwise be considered AGENCY's Confidential Information within the meaning of this Agreement shall not be deemed otherwise because such information may be available to third parties pursuant to the New York State Freedom of Information Law (FOIL). In the event that an independent third-party has or shall obtain from AGENCY information pursuant to FOIL that would otherwise be considered AGENCY's Confidential Information and has publicly disclosed such information, then such information shall be considered public information from the time of such disclosure and no longer Confidential Information.
- c. CONTRACTOR trade secrets and/or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such with specific justification setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request; such determination will be made in accordance with statutory procedures. In the event such information is requested pursuant to FOIL or other legal process, AGENCY will give CONTRACTOR notice as soon as practicable for the purposes of affording it the opportunity to interpose objections to its disclosure. Properly identified information that has been designated trade secret or proprietary by CONTRACTOR will not be disclosed except as required by FOIL or other applicable State and federal laws.

7. Return of Confidential Information

- a. Following a request of the Disclosing Party or upon the termination of this Agreement, the Receiving Party shall promptly but in no event more than five (5) business days following such request or the termination of this Agreement, return to the Disclosing Party all or any portion of the Confidential Information or, at the Disclosing Party's election, destroy all or any part of the Confidential Information and provide certification thereof upon request by the Disclosing Party. In lieu of returning Confidential Information that has been included in the Receiving Party's notes, analyses, and studies, the Receiving Party may destroy the portions of such notes, analyses, or studies containing Confidential Information and provide certification thereof.

- b. Notwithstanding the foregoing, Receiving Party may (1) retain copies of Confidential Information that is required to be retained by law or regulation and (2) in accordance with legal records retention requirements, store such copies and derivative works in an archival format which cannot be returned or destroyed.

8. Right to Audit

- a. If CONTRACTOR utilizes a Statement on Standards for Attestation Engagements (SSAE) No. 16 or a Standards for Attestation Engagements No. 18, as developed by the American Institute of Certified Public Accountants (AICPA) within the past twenty-four months prior to the Agreement, CONTRACTOR shall provide NYSIF with a copy of CONTRACTOR's Service Auditor's Report(s) for either Type I or Type II (Reports) or Service Organization Control (SOC) Report types 1, 2, or 3 on an annual basis. Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). Production of CONTRACTOR SSAE 16 or 18 Report(s) or SOC Reports shall not take the place of NYSIF's right under the Agreement to independently audit CONTRACTOR. The documentation, reports, or information received by AGENCY in relation to this section shall be deemed CONTRACTOR Confidential Information. For regulatory and compliance purposes, AGENCY may be required to produce such documentation, reports, or information received to the proper regulatory authority or independent auditors. AGENCY shall take all necessary steps to protect and preserve the confidential nature of any documentation, reports, or information shared for regulatory and compliance purposes.
- b. CONTRACTOR shall maintain accurate records and accounts of services performed and money expended under this Agreement and shall furnish or make available such supplemental accounts, records or other information as required in the event of a security breach and/or to substantiate any expenditure or report to AGENCY, or as may be necessary for auditing purposes or to verify that expenditures were made and/or proper non-disclosure procedures were implemented as instructed by this Agreement. Such records, accounts and all supportive documentation shall be kept for at least six (6) years subsequent to the termination date of this Agreement.

9. Cybersecurity Incident Response

In the event of a Cybersecurity Incident involving AGENCY supplied Confidential Information, including Nonpublic Information as defined by Title 23 New York Codes, Rules and Regulation §500.01(k), CONTRACTOR shall provide AGENCY with timely notice in writing, to the extent not prohibited by applicable law or directives of law enforcement, of the Cybersecurity Incident in the most expedient time possible and without unreasonable delay, but no later than within 24 hours of the determination of a Cybersecurity Incident. Cybersecurity Incident shall mean any theft; loss of; unauthorized or unlawful disclosure, use, alteration or destruction of; unauthorized or unlawful access to; or other actual or suspected compromise of NYSIF Confidential Information, breach of CONTRACTOR's systems, including, in the absence of direct evidence of a breach, any occurrence where it can be reasonably assumed under the circumstances that AGENCY Confidential Information was exposed, accessed or disclosed without AGENCY's prior, written authorization.

Such notice to AGENCY will be made by contacting NYSIF's Information Security Office by email to: infosec@nysif.com. Such notice shall include a description of:

- (i) the scope of the Cybersecurity Incident, including identification of the vulnerability in the affected system and the amount of time that such vulnerability existed; identification of potentially compromised AGENCY Confidential Information; the last time unauthorized users (if applicable) had access to the affected systems or NYSIF Confidential Information; the identity of any third parties or otherwise unauthorized entity that may have accessed or obtained AGENCY Confidential Information as a result of the Cybersecurity Incident; and identification of any misuse of any AGENCY Confidential Information involved in the Cybersecurity Incident; and
- (ii) the efforts taken to contain and mitigate the impact of the Cybersecurity Incident, including any retention of an outside firm to assist in the effort, the involvement of law enforcement, and a reasonably detailed summary of the results of the investigation of the Cybersecurity Incident.

At its sole cost and expense, CONTRACTOR shall immediately commence an investigation to determine the scope of the Cybersecurity Incident and to restore the security of its systems and prevent further, unauthorized access to or disclosure of Confidential Information. CONTRACTOR shall provide AGENCY timely updates with additional information and inform AGENCY about the final results of its investigation, the efforts taken to secure Confidential Information and prevent further Cybersecurity Incidents. CONTRACTOR shall take commercially reasonable efforts to recover NYSIF Confidential Information and identify any third parties that received or obtained any NYSIF Confidential Information as a result of such Cybersecurity Incident.

Should CONTRACTOR fail to provide timely notice of any Cybersecurity Incident(s) involving AGENCY supplied Confidential Information, then CONTRACTOR shall be fully liable for all AGENCY costs, expenses, and/or damages due to the delay in timely notice consistent with the terms of this Agreement. Failure to comply with AGENCY's Cybersecurity Incident Response requirements could also lead to suspension or termination of the contract, including Termination for Non-Responsibility.

Additionally, CONTRACTOR additionally undertakes to, solely at its own cost and expense, provide any requisite notices that either CONTRACTOR or AGENCY would be required to provide pursuant to NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or any other applicable statute, both on behalf of CONTRACTOR and on behalf of AGENCY. CONTRACTOR's notification shall include but not be limited to a description of the categories of information that were, or are reasonably believed, to have been acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so acquired, or as otherwise provided for by applicable law.

10. Use of Generative Artificial Intelligence

CONTRACTOR and its subcontractors, if any, shall not use any Generative Artificial Intelligence (GenAI) technology, tool or solution, including GenAI transcription or recording tools, to provide any part of the agreed upon services, either directly or indirectly, without prior written approval from NYSIF. This provision applies to any and all technology systems that deploy GenAI technology. For the purposes of this provision,

GenAI is defined as any form of Artificial Intelligence (AI) that is capable of creating and/or generating text, images, or other media, using generative models or otherwise simulating human intelligence through learning, reasoning, and/or self-correction. This includes any GenAI technology that is composed of, uses, or implements machine learning algorithms to generate wholly new content, whether supervised, unsupervised or partially supervised by a human being. It also includes any GenAI models that learn from the patterns and structure of their input training data and then generate new data that has similar characteristics based on those inputs.

If CONTRACTOR intends to use GenAI technology, tool(s) or solution(s), either directly or indirectly, to provide any part of the services under this Contract, CONTRACTOR must obtain written approval from AGENCY prior to the use of any GenAI. Approval shall be requested by emailing contracts@nysif.com. CONTRACTOR use of GenAI must fully comply with applicable federal, state and/or local law and legal guidance, including the most current guidance from the NYS Department of Financial Services, Workers' Compensation Board, and/or Office of Information Technology Services. Failure to obtain the required approvals or failure to comply with AGENCY's GenAI policies could lead to suspension or termination of any or all contract(s) with AGENCY.

11. Term of Contract

This Agreement shall continue in effect until terminated by written notice to the other party. The Confidentiality and Nondisclosure obligations of the parties as detailed in Section 2 and Section 4 shall survive termination of this Agreement in perpetuity.

12. Grant of Rights and Warranties

Disclosure of the Confidential Information shall not be deemed to grant any license or other right to use such Confidential Information except as set out in this Agreement or as set out in a separate written agreement executed by both parties.

13. Notice

Any notice, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed delivered to a party (i) when delivered by hand or courier or (ii) six (6) days after the date of mailing if mailed by United States certified mail, return receipt requested, postage prepaid, in each case to the address of such party set forth below (or at such other address as the party may specify for delivery of notice in the foregoing manner):

14. No Assignment

- a. This Agreement and the parties' respective rights, duties and obligations under this Agreement are not transferable or assignable by either party. Any attempt to transfer or assign this Agreement or any of its rights, duties or obligations under this Agreement is void unless (i) consented to in writing by AGENCY and (ii) the transferee or resultant surviving entity explicitly agrees to the terms of this Agreement. For purposes of this section, a transfer of more than fifty percent (50%) ownership interest in CONTRACTOR or a consolidation or merger of CONTRACTOR into another entity, including an affiliate of CONTRACTOR, shall be considered an assignment of this Agreement.

15. Modifications

This Agreement can only be modified by a written agreement signed by the persons authorized to sign agreements on behalf of CONTRACTOR and AGENCY. Without limiting the foregoing, terms and conditions which are displayed or conveyed electronically or responded to by any action other than a signed written agreement as set forth above will not be effective and will not amend or modify this Agreement.

Each party represents and warrants to the other that it has full power and authority to enter into and adhere to this Agreement.

19. No Waiver

A waiver of a breach or default under this Agreement shall not be a waiver of any other or subsequent breach or default. The failure or delay in enforcing compliance with any term or condition of this Agreement shall not constitute a waiver of such term or condition unless such term or condition is expressly waived in writing.

20. Remedies

Each party understands that if there is a breach of the obligations under this Agreement, in addition to the termination rights and remedies provided for under the Contract, the injured party shall have the right to obtain injunctive relief to prevent further injury. Each party acknowledges that compensation for damages may not be sufficient and that

injunctive relief to prevent or limit any breach of confidentiality may be the only viable remedy to fully protect the Confidential Information identified in this Agreement.
