SECTION 1 – GENERAL INFORMATION

1.1 OVERVIEW OF THE NEW YORK STATE INSURANCE FUND

The New York State Insurance Fund (NYSIF) was established in 1914 as part of the original enactment of the New York State Workers' Compensation Law. NYSIF's mission is to guarantee the availability of workers' compensation insurance at the lowest possible cost to New York employers and to provide timely, appropriate indemnity and medical payments to injured workers, while maintaining a solvent fund. Since inception, NYSIF has fulfilled the dual roles for which it was created: to compete with other carriers to ensure a fair market place and to be a guaranteed source of coverage for employers who cannot secure coverage elsewhere.

NYSIF is the largest workers' compensation carrier in New York State and among the top 10 largest workers' compensation carriers in the nation, insuring approximately 155,000 policyholders, with more than \$2 billion in annual premium and \$18 billion in assets. A self-supporting insurance carrier, NYSIF operates without taxpayer funding.

In addition to workers' compensation insurance, NYSIF provides disability benefits coverage for off-the-job injuries to more than 61,000 New York employers. In 2018, NYSIF added Paid Family leave as a component of its disability benefits product, providing New Yorkers with job-protected, paid time away from work to care for their families.

1.3 SUMMARY OF NYSIF'S POLICY AND PROHIBITIONS REGARDING PERMISSIBLE CONTACTS DURING A COVERED PROCUREMENT

Pursuant to State Finance Law §§139-j and 139-k, this RFP includes and imposes certain restrictions on communications between a Governmental Entity and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of intent to solicit bids through final award and approval of the Procurement Contract by the Governmental Entity and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3)(a). Designated staff, as of the date hereof, is identified in section 1.2 of this RFP. NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period, the Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements is available from the designated contact(s).

1.4 PURPOSE OF THIS RFP

NYSIF will be entering the private markets asset classes and seeks legal advice throughout the process, particularly as it relates to limited partnership agreements. The program will include commitments and investments in private equity, private credit, and real assets. Additionally, NYSIF will seek legal advice on other asset classes as well.

Proposals submitted in response to this solicitation must comply with the instructions and procedures contained herein. Bidders are responsible for checking NYSIF's website at www.nysif.com/procurement for any RFP amendments, addenda, and/or updates.

1.5 BIDDERS' CONFERENCE / SITE VISIT

1.6 DUE DATE

The due date for submission of proposals is 9/17/19, 2:00 p.m. (Eastern).

Successful Bidders will be placed on a panel. Matters will be assigned through the panel based on the assignment, firm’s experience and demonstrated expertise. At NYSIF’s discretion contractor performance may be used as a factor for subsequent referrals. Whenever possible, NYSIF will attempt to provide Contractors with advance notice of referrals to assist Contractors with their staffing and financial planning.

1.9 PARTICIPATION OF NYS BUSINESS ENTERPRISES (MWBE)

It is the policy of NYSIF to encourage the greatest possible participation by Minority and Women-Owned Business Enterprises (MWBE) as Bidders, subcontractors and suppliers on its procurement contracts, consistent with New York State laws. NYSIF has established a goal of 30% MWBE participation for its contracts.

Bidders are required to complete the forms contained within Appendix M and submit those with the bid proposal. Failure to properly complete and provide these documents may result in rejection of the bid.

The Awarded Contractor(s) will be required to demonstrate its ability to meet NYSIF's goals for MWBE participation by documenting all subcontracted work related to this contract for which MWBE participation will take place. If a waiver (or partial waiver) from meeting NYSIF's MWBE goals is being sought, the contractor **MUST complete the waiver form (Form 104 of Appendix M) and provide supporting documentation as listed on the form's instructions** detailing extensive efforts taken to seek and sub-contract MWBE vendors for this procurement.

The awarded contractor may be required to submit subcontractor and payment information in the New York State Contract System on a regular basis throughout the term of the contract. Subcontractors may also be required to verify such payments through this system.

Proof of utilization and payment to MWBE subcontractors is required.

Please see Appendix M for further information.

1.10 PARTICIPATION OF SERVICE DISABLED VETERAN OWNED BUSINESSES (SDVOB)

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. NYSIF recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSIF contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>.

Bidder/Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

1.11 USE OF NYSIF TRADEMARK AND LOGO

Bidders/Contractors may not use NYSIF, its name, trademarks, or logo without prior written approval from NYSIF. NYSIF will need to approve any website content and should be notified of any website content change. NYSIF shall display the vendor contact information on the NYSIF website with approval from the vendor.

Bidders intending to subcontract portions of services under this procurement must complete and submit Appendix Y, "Subcontractor Utilization" with their bid. Prior to the commencement of the work to be performed by the successful Bidder, the Bidder must agree to the following provisions:

The Bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without the prior written approval of NYSIF. Approval shall not be unreasonably withheld upon written receipt of written request to subcontract.

The Bidder may arrange for a portion/s of its responsibilities under a Contract to be subcontracted to qualified, responsible subcontractors, subject to approval of NYSIF. If the Bidder determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance under the Contract must be fully explained by the Bidder to NYSIF. As part of this explanation, the subcontractor must submit to NYSIF a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form- Appendix V, as required by the Bidder prior to execution of a Contract.

The Bidder retains ultimate responsibility for all services performed under a Contract.

All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of the Contract. Unless waived in writing by NYSIF, all subcontracts between the Bidder and subcontractors shall expressly name NYS, through NYSIF, as the sole intended third party beneficiary of such subcontract. NYSIF reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make NYSIF or NYS a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against NYSIF.

NYSIF reserves the right, at any time during the term of the Contract, to verify that the written subcontract between the Bidder and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in the Contract.

The Bidder shall give NYSIF immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Bidder's duties under the Contract. Any subcontract shall not relieve the Bidder in any way of any responsibility, duty and/or obligation of the Contract.

If at any time during performance under the Contract total compensation to a subcontractor exceeds or is expected to exceed \$100,000, that subcontractor shall be required to submit and certify a Vendor Responsibility Questionnaire.

2.7 LOCATION AND TRAVEL

The rates provided in the Fee Schedule (Appendix Z) will be inclusive of all costs, including any and all travel expenses. For purposes of any contract resulting from this RFP, NYSIF will not be liable for any expense incurred by the Contractor for any parking fees or as a consequence of any traffic infraction or parking violations attributable to employees of the Contractor. It is understood that travel expenses are not allowed and will not be billed to NYSIF.

SECTION 3 – METHOD OF EVALUATION & CRITERIA

As required by New York State Finance Law §163, the award will be made on the basis of best value (the proposal which optimizes quality, cost and efficiency) to the responsive and responsible Bidder, as determined in the evaluation process. The contract will not be awarded solely on the basis of low bid. However, the Bidder with the low bid may be awarded the contract if it provides the best value, as defined above.

All proposals received will be reviewed and evaluated by a committee of NYSIF personnel. The committee will recommend the award be made to the Bidder whose proposal receives the highest overall evaluation score based on the criteria stated herein.

NYSIF reserves the right to award the contract based solely on section 3.1 below. However, NYSIF may request, at its sole discretion, that evaluators interview the Bidder's staff, as stated in section 3.2 below.

Bidder may be requested by NYSIF to clarify the contents of their proposals. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time.

The ability to perform the services is most important in evaluating proposals. The evaluation criteria are listed below in order of importance to NYSIF.

3.1 EVALUATION CRITERIA

The evaluation criteria will consist of three (3) separate parts: (1) a Technical Proposal, (2) a Financial Proposal, and (3) a Quantitative Factor for Business Certification as described below. Each component will be evaluated separately and independently in accordance with the RFP as further described below. The relative weights of each part of the Proposal are as follows:

1. Technical Proposal: 75%
2. Financial Proposal: 20%
3. Minority and Woman-Owned Business Enterprises (MWBE) Certification, Small Business Enterprise (SBE) status, Service Disabled Veteran Owned Business (SDVOB) Certification (per section 3.1.3): 5%

3.1.1 TECHNICAL

Capability of Bidder to perform the required services at the time of the bid, demonstrated ability to recruit and retain qualified staff for similar services, and the Bidder's experience in providing services of a similar scope. Includes references for Bidder and Bidder's liaison to NYSIF. (75% of the overall score). This process consists of the following steps:

1. Pass / Fail Evaluation: the technical evaluation team will inspect each Technical Proposal to determine if it contains responses to all of the mandatory requirements as described in section 2.1 of the RFP. Additional information

regarding Appendix T, Vendor Security Survey, is included below in Section 3.3.

Please Note: Should a Bidder fail to meet any of the mandatory requirements (section 2.1), the Bidder will be disqualified, and no further evaluation or scoring will be completed.

2. Qualifications and Technical Evaluation: This phase of the Technical evaluation reviews the Bidders capability to meet NYSIF's needs as described in this RFP.

3.1.2 FINANCIAL EVALUATION

The Financial evaluation will be based upon a review of the Grand Total Cost of the Bidders Fee Schedule Proposal (Appendix Z), which details the total cost to provide all services listed within this RFP. (20% of the overall score)

3.1.3 QUANTITATIVE FACTOR FOR NYS CERTIFIED MINORITY AND WOMEN OWNED BUSINESSES, SMALL BUSINESSES, AND SERVICE DISABLED VETERAN OWNED BUSINESSES AS DEFINED IN NYS EXECUTIVE LAW

State Finance Law section 163(1)(j) allows, when making a Best Value determination, for the inclusion of a quantitative factor for Bidders that are Small Businesses, certified Minority or Women-owned Business Enterprises (MWBs), or Service Disabled Veteran Owned Businesses (SDVOBs) as defined in subdivisions 310(7), 310(15), 310(20), and 369-H of NYS Executive Law.

In accordance with such authority, five percent (5%) of the overall evaluation scale (referred to herein as the "quantitative factor") will be awarded to any responsive Bidder who meets one of the following criteria (NOTE: Although a Bidder may meet more than one of the criteria, credit is to be awarded for only one category, not multiple categories):

- a. The bidder is a New York State Certified Minority- Owned Business Enterprise (MBE) as defined in Executive Law 310(7) **or**
- b. The bidder is a New York State Certified Woman- Owned Business Enterprise (WBE) as defined in Executive Law 310(15) **or**
- c. The bidder is a Small Business Enterprise as defined in Executive Law Section 310(20) **or**
- d. The bidder is a Service Disabled Veteran Owned Business Enterprise (SDVOB as defined in Executive Law Section 369-H

3.1.4 EVALUATION PREROGATIVES

In addition, proposals will be evaluated for existing or potential conflicts of interest, for financial and operational stability, for adequacy and completeness, and to determine that all requirements of the RFP have been met. NYSIF reserves the right to disqualify a Bidder if, in NYSIF's sole opinion, the proposal does not pass the evaluation for any or all of the evaluation criteria.

For the purpose of insuring the completeness and comparability of offers, NYSIF reserves the right to analyze submissions and make adjustments or normalize submissions in the bid proposal, including the Bidder's technical assumptions, and underlying calculations and assumptions used to support the Bidder's computation of costs, or to apply such other methods, as it deems necessary to make level comparisons across bids.

3.2 PRESENTATION/INTERVIEW

NYSIF, at its own discretion, may require Bidders to attend an interview. NYSIF may select the top six (6) Bidders plus any vendors within 10% of the first-place Bidder, to attend an interview. The top Bidders will be determined by total score as outlined in section 3.1. NYSIF evaluators may use the information gathered during this process to revise the scores from the technical evaluation, based on the merits and clarifications provided.

NYSIF will provide a list of subjects to be covered in the presentation/interview and questions to be addressed. Presentations should include how the Bidder would perform the services required in the contract. Contributions of the proposed lead personnel should be included.

Presentations may be up to 60 minutes. Questions may be asked by the evaluation committee based on material covered in the presentation/interview and/or in the proposal.

Presentation/interviews will be conducted in New York City or Albany. It will be the responsibility of the Bidder to present the proposed staff at the scheduled time. Bidders will be responsible for any and all costs associated with the presentation. Appointments will be made at least one week prior to the scheduled presentation/interview date.

3.3 APPENDIX T, VENDOR SECURITY SURVEY

NYSIF will review and evaluate the bidder's response to Appendix T, NYSIF Vendor Security Survey on a pass/fail basis. The minimum required implementation levels are defined in Appendix T, NYSIF Vendor Security Survey. Bidders who do not meet the minimum required implementation levels will be disqualified.

- a. **Pass:** Meets or exceeds minimum implementation levels
- b. **Fail:** Does not meet minimum implementation levels

NYSIF reserves the right to seek non-material clarifications to the bidder's IT Data Security procedures if determined to be in NYSIF's best interest.

3.4 CONTRACT APPROVAL

The contract between NYSIF and the successful Bidder will not be binding until it has been approved by NYSIF's Board of Commissioners.

If the GLBA or any other applicable state or federal law or regulation, now or hereafter in effect, imposes a higher standard of confidentiality or security with respect to CPI, such standard shall prevail over the provisions of this Agreement. This provision shall independently survive any expiration, termination, if any, of this Agreement and any agreement with AGENCY concerning CPI.

4. NON-DISCLOSURE; NON-USE OF CONFIDENTIAL INFORMATION

- (a) The Contractor will maintain the confidentiality of the Agency's Confidential Information using procedures no less rigorous than those used to protect and preserve the confidentiality of its own similar proprietary information. In no event shall the Contractor use less than a reasonable degree of care to protect and preserve the Agency's Confidential Information, including its obligation to not, without the Agency's prior written permission: (i) transfer or disclose any of the Agency's Confidential Information to any third party; (ii) use any of the Agency's Confidential Information for any purpose other than for the Purpose; or (iii) take any other action with respect to the Agency's Confidential Information inconsistent with the confidential and proprietary nature of such information. Notwithstanding clause (i) of this Section 4(a), the Contractor may disclose the Agency's Confidential Information to the officers, directors, employees, consultants, attorneys, accountants, agents or other representatives of the Contractor ("Contractor Personnel") who have a need to know such Confidential Information solely in connection with the Purpose. The Contractor shall: (1) cause the Contractor Personnel to comply with this Agreement; and (2) assume full responsibility for any breach of this Agreement caused by any of the Contractor Personnel.
- (b) If the Contractor is requested or required to disclose any of the Agency's Confidential Information pursuant to a subpoena, court order, statute, law, rule, regulation or other similar requirement (a "*Legal Requirement*"), the Contractor shall, to the extent permitted by law, provide prompt notice of such Legal Requirement to the Agency so the Agency may seek an appropriate protective order or other appropriate remedy or waive compliance with the provisions of this Agreement. If the Agency is not successful in obtaining a protective order or other appropriate remedy and the Contractor is, in the opinion of its counsel, compelled to disclose such Confidential Information under pain of liability for contempt of court or other censure or liability, or if the Agency waives compliance with the provisions of this Agreement in writing, the Contractor may disclose, without liability hereunder, such Confidential Information in accordance with, but solely to the extent necessary, in the opinion of its counsel, to comply with, the Legal Requirement. Information that would otherwise be considered AGENCY Confidential Information within the meaning of this Agreement, shall nevertheless be considered AGENCY Confidential Information and shall not be deemed otherwise because such information may be available to third parties from AGENCY pursuant to New York State Freedom of Information Law (FOIL). In the event that an independent third-party has or shall actually obtain from AGENCY, during or prior to the pendency of this Agreement, information pursuant to FOIL that would otherwise be considered AGENCY Confidential Information, and has publicly disclosed such information, then such information shall no longer be considered Confidential Information but shall instead be considered public information from the time of such disclosure.
- (c) Each party agrees and shall assure that each and every Contractor understands and agrees

that Confidential Information is valuable to the Agency, is deemed to be a trade secret or other proprietary right of the Agency, notwithstanding any public disclosure thereof by any source, and will be protected by civil and criminal law, and, where appropriate, by the law of copyright.

- (d) The parties' confidentiality obligations under this Agreement shall be perpetual except as expressly superseded by a definitive written agreement executed by the parties.
- (e) AGENCY and CONTRACTOR acknowledge that CONTRACTOR is in the business of providing services to, and receiving information from other entities (collectively "CONTRACTOR customers"). CONTRACTOR shall not disclose any AGENCY Confidential Information to any CONTRACTOR Customers.
- (f) In connection with CONTRACTOR's and its Contractors' obligations under this Agreement, CONTRACTOR agrees and shall require each Contractor to use the standard of care that is consistent with the highest industry standards in continuously controlling the use and disclosure of AGENCY Confidential Information in a manner that fully protects AGENCY's rights therein.

5. RIGHT TO AUDIT

- (a) CONTRACTOR shall maintain commercially reasonable Disaster Recovery and Business Continuity Plans. If CONTRACTOR utilizes a Statement on Audit Standards No. 70 (SAS 70), or a Statement on Standards for Attestation Engagements (SSAE) No. 16, as developed by the American Institute of Certified Public Accountants (AICPA), within the past twenty-four months prior to the Agreement, CONTRACTOR shall provide NYSIF with a copy of CONTRACTOR's Service Auditor's Report(s) for either Type I or Type II (Reports), or Service Organization Control (SOC) Report types 1, 2, or 3, on an annual basis. Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). Production of CONTRACTOR SAS 70 Report(s), or SOC Reports shall not take the place of NYSIF's right under the Agreement to independently audit CONTRACTOR.
- (b) CONTRACTOR shall maintain accurate records and accounts of services performed and money expended under this Agreement and shall furnish or make available such supplemental accounts, records or other information as are required in the event of a security breach and/or to substantiate any expenditure or report to AGENCY, or as may be necessary for auditing purposes or to verify that expenditures were made and/or proper non-disclosure procedures were implemented as instructed by this Agreement. Such records, accounts and all supportive documentation shall be kept for at least six (6) years subsequent to the termination date of this Agreement.

6. INFORMATION SECURITY BREACH

In the event of a Breach of Security as defined in NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or otherwise, involving AGENCY supplied Personal Information or Private Information from systems owned, operated, sub-contracted or otherwise routed through Contractors systems or networks, CONTRACTOR shall notify AGENCY immediately, without unreasonable delay. "Breach of Security" shall mean the unauthorized acquisition or acquisition without valid authorization of computerized data that compromises the security, confidentiality, or integrity of personal information maintained by a business. "Personal Information" shall mean any information concerning a person which, because of name, number, mark or other identifier, can be used to identify such person. "Private Information" shall mean personal information in

combination with any one or more of the following data elements, when either the personal information or the data information or the data element is not encrypted or encrypted with an encryption key that has also been acquired: (i) social security number; (ii) driver's license number or non-driver identification cards number; or (iii) account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account. CONTRACTOR additionally undertakes to, solely at its own cost and expense, provide any requisite notices that either CONTRACTOR or AGENCY would have to provide pursuant to NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or any other applicable statute, both on behalf of CONTRACTOR and on behalf of AGENCY. CONTRACTOR's notification shall include but not be limited to a description of the categories of information that were, or are reasonably believed, to have been acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so acquired, or as otherwise provided for by applicable law.

7. RETURN OF CONFIDENTIAL INFORMATION

Notwithstanding Section 2(d) above, following a request of the Agency or upon the termination of this Agreement, the Contractor shall promptly, but in no event more than five (5) business days following such request or the termination of this Agreement, return to the Agency all or any portion of the Agency's Confidential Information or, at the Agency's election, destroy all or any part of the Agency's Confidential Information, and upon request by the Agency, provide certification thereof; provided that in lieu of returning Confidential Information that has been included in the Contractor's notes, analyses, and studies, the Contractor may destroy such Confidential Information and provide certification thereof.

8. THE AGENCY POLICIES

CONTRACTOR shall use its best efforts to comply with all of AGENCY's rules, regulations, policies and procedures that might affect CONTRACTOR's delivery of services or products in effect (the "*Policies & Procedures*"), including but not limited to AGENCY's security procedures, procurement policies and privacy policies, provided that such Policies & Procedures are generally applicable to all similarly situated vendors to AGENCY. CONTRACTOR will advise all of CONTRACTOR'S Contractors involved in the performance of services or the delivery of products of their obligation to comply with the Policies & Procedures.

9. CONTRACTOR TRADE SECRETS

The AGENCY acknowledges that the business methods and investigative techniques and pricing structure of CONTRACTOR, other than payment amounts by NYSIF, are confidential proprietary business assets of the CONTRACTOR and AGENCY agrees to use reasonable means to protect the same to the extent practicable and permitted by law. In the event such information is demanded by subpoena, request pursuant to the New York Freedom of Information law or other legal process, the AGENCY will give CONTRACTOR notice within three (3) business days for the purpose of affording it the opportunity to interpose objections to its disclosure. AGENCY acknowledges that CONTRACTOR considers the above described information to be trade secrets within the meaning of NY Public Officers Law §87(2)(d). AGENCY will also give notice to CONTRACTOR in the event of unintentional disclosure within three (3) business days upon discovery. In the event of termination of the relationship between CONTRACTOR and AGENCY for any reason, AGENCY agrees not to disclose any of the aforementioned information to any successor contractor performing the same or similar services.

10. TERM

This Agreement shall continue in effect until terminated by written notice to the other party. The confidentiality obligations of the parties shall survive termination of this Agreement in accordance with Section 4(d).

11. NOTICE

Any notice, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed delivered to a party (i) when delivered by hand or courier, or (ii) six (6) days after the date of mailing if mailed by United States certified mail, return receipt requested, postage prepaid, in each case to the address of such party set forth below (or at such other address as the party may from time to time specify by notice delivered in the foregoing manner):

12. NO ASSIGNMENT

This Agreement and the parties' respective rights, duties and obligations under this Agreement are not transferable or assignable by either party. Any attempt to transfer or assign this Agreement or any of its rights, duties or obligations under this Agreement is void. For purposes of this section 12, a transfer of more than fifty percent (50%) ownership interest in CONTRACTOR or a consolidation or merger of CONTRACTOR into another entity, including an affiliate of CONTRACTOR, shall be considered an assignment of this Agreement and shall be prohibited unless (i) consented to in writing by AGENCY and (ii) the transferee or resultant surviving entity explicitly agrees to the terms of this Agreement.

13. MODIFICATIONS

This Agreement can only be modified by a written agreement duly signed by hand by the persons authorized to sign agreements on behalf of CONTRACTOR and AGENCY, and variance from the term or conditions of this Agreement will be of no effect. Without limiting the foregoing, terms and conditions which are displayed or conveyed electronically or are associated with, or are responded to by the operation of a mouse or other pointing device, typing on a keyboard, "virtual" actions, an automated computer program, the removal of shrink-wrap, the opening of a package, the loading or use of software or other goods or services, or any other action other than a handwritten signature as set forth above, will not be effective and will not amend or modify this Agreement.

Each party represents and warrants to the other that it has full power and authority to enter into and perform this Agreement.

17. NO WAIVER

A waiver of a breach or default under this Agreement shall not be a waiver of any other or subsequent breach or default. The failure or delay in enforcing compliance with any term or condition of this Agreement shall not constitute a waiver of such term or condition unless such term or condition is expressly waived in writing.

18. INJUNCTIVE RELIEF

Each party acknowledges that a breach of its obligations under this Agreement may, as determined by a court of competent jurisdiction, result in irreparable and continuing damage to the other party for which monetary damages will not be sufficient. Each party further agrees that in the event of a breach or threatened breach by the Contractor of any of the provisions of this Agreement, the Agency shall be entitled to seek, in addition to its other rights and remedies hereunder or at law, injunctive or other equitable relief, and such further relief as may be proper from a court of competent jurisdiction.

19. CONSTRUCTION

The Parties are sophisticated and have been represented by counsel during the negotiation of this Agreement. As a result, the Parties believe the presumption of any laws or rules relating to the interpretation of contracts against the drafter thereof should not apply, and hereby waive any such presumption.

20. COUNTERPARTS

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. Both Parties agree that signature pages may be detached from separate counterparts and attached to a separate counterpart so that all signature pages are physically attached to the same document. Transmission by facsimile of an executed counterpart to this Agreement will be deemed due and sufficient delivery of such counterpart, and a photocopy of an executed counterpart sent by facsimile transmission may be treated by the parties as a duplicate original.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

4. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

5. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

6. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

7. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the

Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

8. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

9. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

10. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

11. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property

and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

12. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Exhibit A, the terms of this Exhibit A shall control.

13. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

14. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

15. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

16. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

17. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

18. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

20. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain.

NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

21. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

22. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

23. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

24. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

25. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

GENERAL**1. APPLICABILITY**

The terms and conditions set forth in this NYSIF Exhibit B are expressly incorporated in and applicable to the resulting procurement contracts let by NYSIF where incorporated by reference in its Bid Documents. Captions are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

2. GOVERNING LAW

This procurement, the resulting contract and any purchase orders issued hereunder shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise, and actions or proceedings arising from the contract shall be heard in a court of competent jurisdiction in the State of New York.

3. ETHICS COMPLIANCE

All Bidders/Contractors and their employees must comply with the requirements of Sections 73 and 74 of the Public Officers Law, other State codes, rules, regulations and executive orders establishing ethical standards for the conduct of business with New York State. In signing the Bid, Bidder certifies full compliance with those provisions for any present or future dealings, transactions, sales, contracts, services, offers, relationships, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the Bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

4. CONFLICT OF TERMS

Unless otherwise set forth in the procurement or contract documents, conflicts among documents shall be resolved in the following order of precedence:

- a. NYSIF Exhibit A Standard Clauses
- b. Contract and other writing(s) setting forth the final agreements, clarifications and terms between the Bid Documents and Contractor's Bid. Clarifications must be specifically noted in writing as to what was offered by the Contractor and what was accepted by the State. If not, such clarifications shall be considered last in the order of precedence under this paragraph.
- c. Bid Documents (Other than Exhibit A).
- d. NYSIF Exhibit B (General Specifications).
- e. Contractor's Bid or Proposal.

BID SUBMISSION**5. NOTIFICATION TO ALL BIDDERS**

NYSIF is responsible for providing addenda or responding to questions from prospective Bidders. If it is necessary to revise the Bid Documents before the due date for bids, amendments will be posted on NYSIF's website: www.nysif.com/procurement.

By submitting a bid, Bidders are certifying they are qualified to perform the proposed work. Bidders shall have the necessary staff, equipment, compliance, etc. as set forth in the Bid Documents.

6. INTERNATIONAL BIDDING

All offers (tenders), and all information and Product required by the solicitation or provided as explanation thereof, shall be submitted in English. All prices shall be expressed, and all payments shall be made, in United States Dollars (\$US). Any offers (tenders) submitted which do not meet the above criteria will be rejected.

7. BID OPENING

Bids may, as applicable, be opened publicly. NYSIF reserves the right at any time to postpone or cancel a scheduled Bid opening.

8. BID SUBMISSION

All Bids are to be packaged, sealed and submitted to the location stated in the Bid Specifications. Bidders are solely responsible for timely delivery of their Bids to the location set forth in the Bid Specifications prior to the stated Bid opening date and time.

In the event that a Bidder fails to provide such information on the return Bid envelope or shipping material, the receiving entity reserves the right to open the shipping package or envelope to determine the proper Bid number or Product group, and the date and time of Bid opening. Bidder shall have no claim against the receiving entity arising from such opening and such opening shall not affect the validity of the Bid or the procurement.

Notwithstanding the receiving agency's right to open a Bid to ascertain the foregoing information, Bidder assumes all risk of late delivery associated with the Bid not being identified, packaged or labeled in accordance with the foregoing requirements.

All Bids must be signed by a person authorized to commit the Bidder to the terms of the Bid Documents and the content of the Bid (offer).

9. LATE BIDS

For purposes of Bid openings held and conducted by NYSIF, a Bid must be received in such place as may be designated in the Bid Documents at or before the date and time established in the Bid Specifications for the Bid opening.

Any Bid received at the specified location after the time specified will be considered a late Bid. A late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of the Bid Documents are received or, (ii) in the case of a multiple award, an insufficient number of timely Bids were received to satisfy the multiple awards; and acceptance of the late Bid is in the best interests of NYSIF. Bids submitted for continuous or periodic recruitment contract awards must meet the submission requirements associated with their specifications. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of NYSIF shall not excuse late Bid submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Bid submissions. Determinations by NYSIF relative to Bid timeliness shall be final.

10. BID CONTENTS

Bids must be complete and legible. All Bids must have original signatures. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by NYSIF or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Bidders are cautioned to verify their Bids before submission, as amendments to Bids or requests for withdrawal of Bids received by NYSIF after the time specified for the Bid opening, will not be considered.

11. ERRORS AND OMISSIONS

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in Bid Documents, immediately notify one of the Designated Contacts of such error and request the clarification or modification thereof. Notice to NYSIF of any problems described above must be made in writing and received at NYSIF on or before the date and time shown as the final date for Bidder inquiries. Any modifications deemed necessary by NYSIF shall be given by written notice and posted on NYSIF's Procurement website (www.nysif.com/procurement).

If prior to the final filing date for submission of a bid, a Bidder fails to notify NYSIF of a known error or an error that reasonably should have been known, the Bidder shall assume the risk. If awarded the contract, the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. EXTRANEIOUS TERMS

Bids must conform to the terms set forth in the Bid Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Bid non-responsive and may result in rejection of the Bid.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

Only those extraneous terms that meet all the following requirements may be considered as having been submitted as part of the Bid:

- a. Each proposed extraneous term must be specifically enumerated in the "Comments and Limitations" section of the proposer's bid response; and
- b. The Bidder must identify the particular specification requirement (if any) that Bidder rejects or proposes to modify by inclusion of the extraneous term; and

- c. The Bidder shall enumerate the proposed addition, deletion, counter-offer, modification or deviation from the Bid Document, and the reasons therefore.

No extraneous term(s), whether or not deemed “material,” shall be incorporated into a Contract or Purchase Order unless submitted in accordance with the above and NYSIF expressly accepts each such term(s) in writing. Acceptance and/or processing of the Bid shall not constitute such written acceptance of Extraneous Term(s).

13. CONFIDENTIAL/TRADE SECRET MATERIALS

Trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Bidder. Marking the Bid as “confidential” or “proprietary” on its face or in the document header or footer shall not be considered by NYSIF to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. Bidders/Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing at the time of bid submission, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

Contractor further warrants, covenants and represents that any confidential information obtained by Contractor, its agents, Subcontractors, officers, distributors, resellers or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the State or NYSIF hereunder or received from another third party, will not be divulged to any third parties. Contractor shall not be required to keep confidential any such material that is publicly available through no fault of Contractor, independently developed by Contractor without reliance on confidential information of NYSIF, or otherwise obtained under the Freedom of Information Act or other applicable New York State laws and regulations. This warranty shall survive termination of this Contract. Contractor further agrees to take appropriate steps as to its agents, Subcontractors, officers, distributors, resellers or employees regarding the obligations arising under this clause to insure such confidentiality.

14. RELEASE OF BID EVALUATION MATERIALS

Requests concerning the evaluation of Bids may be submitted under the Freedom of Information Law. Information, other than statistical or factual tabulations or data such as the Bid Tabulation, shall only be released as required by law after Contract award. Bid Tabulations are not maintained for all procurements. Names of Bidders may be disclosed after Bid opening upon request. Written requests should be directed to contracts@nysif.com.

15. FREEDOM OF INFORMATION LAW

During the evaluation process, the content of each Bid will be held in confidence and details of any Bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Bid contains any such trade secret or proprietary information, a written request to NYSIF to not disclose such information must accompany the Bid. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Bid. Notations in the header, footer or watermark of the Bid Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or proprietary information. Where a Freedom of Information request is made for a trade secret or proprietary information, NYSIF reserves the right to determine upon written notice to the Bidder whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Bid tabulation is prepared and Bids publicly opened, such Bid tabulation shall be available upon request.

16. PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

- a. **“Public Works” and “Building Services” -Definitions**
 - i. **Public Works** Labor Law Article 8 applies to contracts for public improvement in which laborers, workers or mechanics are employed on a “public works” project (distinguished from public “procurement” or “service” contracts). The State, a public benefit corporation, a municipal corporation (including a school district), or a commission appointed by law must be a party to the Contract. The wage and hours provision applies to any work performed by Contractor or Subcontractors.
 - ii. **Building Services** Labor Law Article 9 applies to Contracts for building service work over \$1,500 with a public agency, that:
 - (i) involve the care or maintenance of an existing building, or
 - (ii) involve the transportation of office furniture or

equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

- b. **Prevailing Wage Rate Applicable to Bid Submissions** A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified.
- c. **Wage Rate Payments / Changes During Contract Term** The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.
- d. **Public Posting & Certified Payroll Records** In compliance with Article 8, Section 220 of the New York State Labor Law:
 - i. **Posting** The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.
 - ii. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over \$25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.
 - iii. **Submission of Certified Payroll Transcripts for Public Works Contracts Only** Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to NYSIF that has prepared or directs the preparation of the plans and specifications for a public works project, as set forth in the Bid Specifications. For Mini-Bid solicitations, the payroll records must be submitted to the entity preparing the agency Mini-Bid project specification. For “agency specific” Bids, the payroll records should be submitted to the entity issuing the purchase order. For all other OGS Centralized Contracts, such records should be submitted to the individual agency issuing the purchase order(s) for the work. Upon mutual agreement of the Contractor and NYSIF, the form of submission may be submitted in a specified disk format acceptable to the Department of Labor provided: 1) the Contractor/Subcontractor retains the original records; and, (2) an original signed letter by a duly authorized individual of the Contractor or Subcontractor attesting to the truth and accuracy of the records accompanies the disk. This provision does not apply to Article 9 of the Labor Law building services contracts.
 - iv. **Records Retention** Contractors and Subcontractors must preserve such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

Day's Labor Eight hours shall constitute a legal day's work for all classes of employees in this state except those engaged in farm and domestic service unless otherwise provided bylaw.

No laborers, workmen or mechanics in the employ of the Contractor, Subcontractor or other person doing or contracting to do all or part of the work contemplated by the Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five calendar days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. “Extraordinary emergency” shall be deemed to include situations in which sufficient laborers, workers and mechanics cannot be employed to carry on public work expeditiously as a result of such restrictions upon the number of hours and days of labor and the immediate commencement or prosecution or completion without undue delay of the public work is necessary, in the judgment of the NYS Commissioner of Labor, for the preservation of the Contract site or for the protection of the life and limb of the persons using the Contract site.

17. TAXES

- a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.
- b. Purchases made by NYSIF are exempt from New York State and local sales taxes and, with certain exceptions, federal excise taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by NYSIF or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to the State, an exempt organization under Section 1116 (a) (1) of the Tax Law. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.

- c. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates, and subcontractors for Contracts with a value greater than \$100,000 in accordance with provisions of the law.

18. EXPENSES PRIOR TO CONTRACT EXECUTION

NYSIF is not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid or best-and-final offers or for any work performed prior to Contract execution.

19. ADVERTISING RESULTS

The prior written approval of NYSIF is required in order for results of the Bid to be used by the Contractor as part of any commercial advertising. The Contractor shall also obtain the prior written approval of NYSIF relative to the Bid or Contract for press or other media releases.

20. PRODUCT REFERENCES

- a. **“Or Equal”** In all Bid Specifications the words “or equal” are understood to apply where a copyrighted, brand name, trade name, catalog reference, or patented Product is referenced. References to such specific Product are intended as descriptive, not restrictive, unless otherwise stated. Comparable Product will be considered if proof of compatibility is provided, including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. NYSIF’s decision as to acceptance of the Product as equal shall be final.
- b. **Discrepancies in References** In the event of a discrepancy between the model number referenced in the Bid Specifications and the written description of the Products which cannot be reconciled, with respect to such discrepancy, then the written description shall prevail.

21. REMANUFACTURED, RECYCLED, RECYCLABLE OR RECOVERED MATERIALS

Upon the conditions specified in the Bid Specifications and in accordance with the laws of the State of New York, Contractors are encouraged to use recycled, recyclable or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health, welfare, safety requirements or in the Bid Specifications. Contractors are further encouraged to offer remanufactured Products to the maximum extent practicable without jeopardizing the performance or intended end use of the Product and unless such use is precluded due to health, welfare, safety requirements or by the Bid Specifications. Where such use is not practical, suitable, or permitted by the Bid Specifications, Contractor shall deliver new materials in accordance with the “Warranties” set forth below.

Items with recycled, recyclable, recovered, refurbished or remanufactured content must be identified in the Bid or Bidder will be deemed to be offering new Product.

22. WARRANTIES

Where Contractor, product manufacturer or service provider generally offers additional or more advantageous warranties than set forth below, Contractor shall offer or pass through any such warranties to NYSIF. Contractor hereby warrants and represents:

- a. **Product Performance** Contractor warrants and represents that Products delivered pursuant to this Contract conform to the manufacturer's specifications, performance standards and documentation, and the documentation fully describes the proper procedure for using the Products.
- b. **Title and Ownership Warranty** Contractor warrants, represents and conveys (i) full ownership, clear title free of all liens, or (ii) the right to transfer or deliver perpetual license rights to any Products transferred to NYSIF under this Contract. Contractor shall be solely liable for any costs of acquisition associated therewith. Contractor fully indemnifies the NYSIF for any loss, damages or actions arising from a breach of said warranty without limitation.
- c. **Contractor Compliance** Contractor represents and warrants to pay, at its sole expense, for all applicable permits, licenses, tariffs, tolls and fees to give all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of the Commissioner that it meets or exceeds all requirements of the Bid/Contract and any applicable laws, including but not limited to, permits, insurance coverage, licensing, proof of coverage for worker’s compensation and disability benefits (form C-105.2 and form DB-120.1, respectively), and shall provide such proof as required by the Commissioner. Failure to do so may constitute grounds for the Commissioner to cancel or suspend this Contract, in whole or in part, or to take any other action deemed necessary by the Commissioner.

- d. **Product Warranty** Unless recycled or recovered materials are available in accordance with the “Recycled or Recovered Materials” clause herein, Product offered shall be standard new equipment, current model or most recent release of regular stock product with all parts regularly used with the type of equipment offered; and no attachment or part has been substituted or applied contrary to the manufacturer’s recommendations and standard practice.

Contractor further warrants and represents that components or deliverables specified and furnished by or through Contractor shall individually, and where specified and furnished as a system, be substantially uninterrupted or error-free in operation and guaranteed against faulty material and workmanship for the warranty period, or for a minimum of one (1) year from the date of acceptance, whichever is longer (“Project warranty period”). During the Project warranty period, defects in the materials or workmanship of components or deliverables specified and furnished by or through Contractor shall be repaired or replaced by Contractor at no cost or expense to NYSIF. Contractor shall extend the Project warranty period for individual component(s), or for the System as a whole, as applicable, by the cumulative period(s) of time, after notification, during which an individual component or the System requires servicing or replacement (down time) or is in the possession of the Contractor, its agents, officers, Subcontractors, distributors, resellers or employees (“extended warranty”).

Where Contractor, the Independent Software Vendor (“ISV”), or other third party manufacturer markets any Project Deliverable delivered by or through Contractor with a standard commercial warranty, such standard warranty shall be in addition to, and not relieve the Contractor from, Contractor’s warranty obligations during the project warranty and extended warranty period(s). Where such standard commercial warranty covers all or some of the Project warranty or extended warranty period(s), Contractor shall be responsible for the coordination during the Project warranty or extended warranty period(s) with ISV or other third party manufacturer(s) for warranty repair or replacement of ISV or other third party manufacturer’s Product.

Where Contractor, ISV or other third party manufacturer markets any Project Deliverable with a standard commercial warranty which goes beyond the Project warranty or extended warranty period(s), Contractor shall notify NYSIF and pass through the manufacturer’s standard commercial warranty to NYSIF at no additional charge; provided, however, that Contractor shall not be responsible for coordinating services under the third party extended warranty after expiration of the Project warranty and extended warranty period(s).

- e. **Replacement Parts Warranty** If during the regular or extended warranty period’s faults develop, the Contractor shall promptly repair or, upon demand, replace the defective unit or component part affected. All costs for labor, material and transportation incurred to repair or replace defective Product during the warranty period shall be borne solely by the Contractor, and the State or NYSIF shall in no event be liable or responsible for such costs.

Any part of component replaced by the Contractor under the Contract warranty shall be replaced at no cost to NYSIF and guaranteed for the greater of: a) the warranty period under paragraph (d) above; or b) if a separate warranty for that part or component is generally offered by the manufacturer, the standard commercial warranty period offered by the manufacturer for the individual part or component.

- f. **Virus Warranty** The Contractor represents and warrants that Licensed Software contains no known viruses. Contractor is not responsible for viruses introduced at Licensee’s site.

- g. **Date/Time Warranty** Contractor warrants that Product(s) furnished pursuant to this Contract shall, when used in accordance with the Product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a Contractor proposes or an acquisition requires that specific Products must perform as a package or system, this warranty shall apply to the Products as a system.

Where Contractor is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g., billing, invoicing, claim processing), Contractor warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of Contractor’s business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. Contractor shall be responsible for damages resulting from any delays, errors or untimely performance resulting therefrom, including but not limited to the failure or untimely performance of such services.

This Date/Time Warranty shall survive beyond termination or expiration of this contract through: a) ninety (90) days or b) the Contractor’s or Product manufacturer/developer’s stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

- h. **Workmanship Warranty** Contract warrants that all components or deliverables specified and furnished by or through Contractor under the Project Definition/Work Order meet the completion criteria set forth in the Project Definition/Work Order and any subsequent statement(s) of work, and that services will be provided in a workmanlike manner in accordance with industry standards.
- i. **Survival of Warranties** All warranties contained in this Contract shall survive the termination of this Contract.

23. PRODUCTS MANUFACTURED IN PUBLIC INSTITUTIONS

Bids offering Products that are manufactured or produced in public institutions will be rejected.

24. PRICING

- a. **Unit Pricing** If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of NYSIF, such unit pricing is obviously erroneous.
- b. **Net Pricing** Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.
- c. **“No Charge” Bid** When Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid “no charge” on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of NYSIF.
- d. **Third Party Financing** If Product acquisitions are financed through any third party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a “Consent & Acknowledgment Agreement” in a form acceptable to NYSIF.
- e. **Best Pricing Offer** During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of NYSIF, shall be immediately reduced to the lower price.
- f. **Price Decreases** Price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after:
 - i. **GSA Changes:** Where NYS Net Prices are based on an approved GSA Schedule, the date the approved GSA Schedule pricing decreases during the Contract term; or
 - ii. **Commercial Price List Reductions:** Where NYS Net Prices are based on a discount from Contractor’s list prices, the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or

Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) without being in conflict with, or obligation to comply on a global basis, with the terms of this clause.

- g. **Best and Final Prices** As specified in the Bid Documents and Contract, a Contractor may be solicited at the time of issuance of a Purchase Order or Mini-Bid award for best and final pricing for the Product or service to be delivered. Contractors are encouraged to reduce their pricing upon receipt of such request.

25. DRAWINGS

- a. **Drawings Submitted With Bid** When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by NYSIF, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.
- b. **Drawings Submitted During the Contract Term** Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to the Commissioner’s representative.

- c. **Accuracy of Drawings Submitted** All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of product, connections and components. Drawings and diagrams are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing product, services or installation, or carrying out any other requirements of the intended scope of work.

26. SITE INSPECTION

Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder's ability to properly deliver, install or otherwise provide the required Product/Services. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

27. SAMPLES

- a. **Standard Samples** Bid Specifications may indicate that the Product to be purchased must be equal to a standard sample on display in a place designated by NYSIF and such sample will be made available to the Bidder for examination prior to the opening date. Failure by the Bidder to examine such sample shall not entitle the Bidder to any relief from the conditions imposed by the Bid Specifications.
- b. **Bidder Supplied Samples** NYSIF reserves the right to request from the Bidder/Contractor a representative sample(s) of the Product offered at any time prior to or after award of a contract. Unless otherwise instructed, samples shall be furnished within the time specified in the request. Untimely submission of a sample may constitute grounds for rejection of Bid or cancellation of the Contract. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, any descriptive literature relating to the Product and a statement indicating how and where the sample is to be returned. Where applicable, samples must be properly labeled with the appropriate Bid or Contract reference.

A sample may be held by NYSIF during the entire term of the Contract and for a reasonable period thereafter for comparison with deliveries. At the conclusion of the holding period the sample, where feasible, will be returned as instructed by the Bidder, at the Bidder's expense and risk. Where the Bidder has failed to fully instruct NYSIF as to the return of the sample (i.e., mode and place of return, etc.) or refuses to bear the cost of its return, the sample shall become the sole property of the receiving entity at the conclusion of the holding period.

- c. **Enhanced Samples** When an approved sample exceeds the minimum specifications, all Product delivered must be of the same enhanced quality and identity as the sample. Thereafter, in the event of a Contractor's default, NYSIF may procure a Product substantially equal to the enhanced sample from other sources, charging the Contractor for any additional costs incurred.
- d. **Conformance with Sample(s)** Submission of a sample (whether or not such sample is tested by, or for, NYSIF) and approval thereof shall not relieve the Contractor from full compliance with all terms and conditions, performance related and otherwise, specified in the Bid Specifications. If in the judgment of NYSIF the sample or product submitted is not in accordance with the specifications or testing requirements prescribed in the Bid Specifications, NYSIF may reject the Bid. If an award has been made, NYSIF may cancel the Contract at the expense of the Contractor.
- e. **Testing** All samples are subject to tests in the manner and place designated by NYSIF, either prior to or after Contract award. Unless otherwise stated in the Bid Specifications, Bidder samples consumed or rendered useless by testing will not be returned to the Bidder. Testing costs for samples that fails to meet Contract requirements may be at the expense of the Contractor.

BID EVALUATION

28. BID EVALUATION

NYSIF reserves the right to accept or reject any and all Bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if NYSIF determines the best interests of the State will be served. NYSIF, in its sole discretion, may accept or reject illegible, incomplete or vague Bids and its decision shall be final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the offer.

29. CONDITIONAL BID

Unless the Bid Specifications provides otherwise, a Bid is not rendered non-responsive if the Bidder specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Bid Documents.

30. CLARIFICATIONS / REVISIONS

Prior to award, NYSIF reserves the right to seek clarifications from Bidders on the contents of the bid/proposals Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time. Failure to provide requested information may result in rejection of the Bid.

31. PROMPT PAYMENT DISCOUNTS

While prompt payment discounts will not be considered in determining the low Bid, NYSIF may consider any prompt payment discount in resolving Bids which are otherwise tied. However, any notation indicating that the price is net, (e.g., net 30 days), shall be understood to mean only that no prompt payment discount is offered by the Bidder. The imposition of service, interest, or other charges, except pursuant to the provisions of Article 11-A of the State Finance Law, which are applicable in any case, may render the Bid non-responsive and may be cause for its rejection.

32. EQUIVALENT OR IDENTICAL BIDS

In the event two offers are found to be substantially equivalent, price shall be the basis for determining the award recipient. If two or more Bidders submit substantially equivalent Bids as to pricing or other factors, the decision of NYSIF to award a Contract to one or more of such Bidders shall be final.

33. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS

NYSIF reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Bidder/Contractor meet the requirements set forth in the Bid Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. A Bidder/Contractor must be prepared to present evidence of legal authority to do business in New York State, integrity, experience, ability, prior performance, organizational and financial capacity as well as where applicable, a statement as to supply, plant, machinery and capacity of the manufacturer or source for the production, distribution and servicing of the Product offered/Bid. If NYSIF determines that the conditions and terms of the Bid Documents, Bid Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, NYSIF may reject such Bid or terminate the Contract.

34. DISQUALIFICATION FOR PAST PERFORMANCE AND FINDINGS OF NON-RESPONSIBILITY

Bidder may be disqualified from receiving awards if Bidder, or anyone in Bidder's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts or is deemed non-responsive.

35. QUANTITY CHANGES PRIOR TO AWARD

NYSIF reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Bid Specifications. In the event such right is exercised, the lowest responsible Bidder meeting Bid Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Bid price in relation to the changed quantities. Refusal by the low Bidder to so extend or reduce its Bid price may result in the rejection of its Bid and the award of such Contract to the lowest responsible Bidder who accepts the revised qualifications.

36. TIMEFRAME FOR OFFERS

NYSIF reserves the right to make awards within one hundred eighty (180) days after the date of the Bid opening or such other period of time as set forth in the Bid Documents, during which period, Bids must remain firm and cannot be withdrawn. Pursuant to Section 163(9)(e) of the State Finance Law and Section 2-205 of the Uniform Commercial Code when applicable, where an award is not made within the one hundred eighty (180) day period or other time specified as set forth in the Bid Documents, the Bids shall remain firm until such later time as either a Contract is awarded or the Bidder delivers to NYSIF written notice of the withdrawal of its Bid. Any Bid which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of NYSIF, be accepted or rejected.

ADMINISTRATIVE**37. NYSIF PREROGATIVES**

The contract award is subject to the availability of funds. Moreover, NYSIF is not liable for any costs incurred by any firm for work performed to prepare its proposal or for any travel and/or other expenses incurred in the preparation and/or submission of its proposal or with respect to any presentation/interview that may be required by NYSIF. Further, NYSIF is not liable for any costs incurred by the successful Bidder for services performed or costs incurred until the contracting process has been completed and all required approvals obtained.

- cc.** Submission of an invoice and payment, or electronic transmission, thereof by NYSIF shall not preclude NYSIF from obtaining reimbursement or demanding a price adjustment in any case where the service delivered is found to deviate from the terms and conditions of the bid and award documents. Any delivery made which does not meet such terms and conditions may be rejected, or accepted on an adjusted price basis as may be determined by NYSIF;
- dd.** Reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of NYSIF. Options contained in this paragraph shall also be at NYSIF's sole discretion;
- ee.** Terminate the contract(s) if it deems the price adjustment pursuant to the solicitation or contract is not in the best interests of NYSIF or the State;
- ff.** Implement changes in price based on unforeseen factors such as dramatic changes in availability, delivery, costs, etc., for product, supplies, etc., that substantively affect the contractor's business processes or that may impact contract pricing. Such changes may be based on information from the U.S. Bureau of Labor Statistics, industry data, or other sources;
- gg.** After an unsuccessful attempt to speak with the contact person noted on the reference form, survey another person knowledgeable and familiar with the Bidder from the submitted reference due to time constraints;
- hh.** Review and consider other known clients of the Bidder in addition to those provided, including NYSIF, and to disqualify based on unsatisfactory reports and/or records of services provided;
- ii.** Reject all bids which do not comply with the bid specifications. However, NYSIF may elect to award to the Bidder who receives the highest overall combined evaluation score providing that the Bidder's non-compliance is deemed by NYSIF to be non-material to overall performance of the services;
- jj.** Invalidate a Bidder's scores at any time during the evaluation process if the Bidder's bid is deemed non-responsive or is disqualified;
- kk.** Evaluate, accept and/or reject any and all bids, in whole or in part, and waive technicalities, irregularities and omissions if, in NYSIF's considered judgment, the best interests of NYSIF will be served. Separable portions of offers may also be accepted or rejected. In the event compliant bids are not received, NYSIF reserves the right to consider late or non-conforming bids as offers;
- ll.** Stop the work covered by this solicitation and any contract(s) resulting there from at any time that it is deemed the successful Bidder is unable or incapable of performing the work to NYSIF's satisfaction;

NYSIF will consider the Bidder to be the prime contractor and the sole point of contact in regard to any contractual items specified or required in the bid documents.

The Bidder should obtain the consent of the proposed subcontractor and include it in the bid.

The bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without prior written approval of NYSIF. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

In addition, a Bidder is prohibited from making multiple bids in a different form (e.g., as prime Bidder and as a subcontractor to another prime Bidder).

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a “conflict of interest.” The “conflict of interest” will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying “conflict of interest” is final.

- j. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. - o. The contractor is an independent contractor of the State and may not hold itself out nor claim to be an officer, employee or subdivision of the State nor may contractor make any claim, demand or application to or for any right based upon any different status.
- p. Contractor represents and warrants that it shall secure all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract, at the contractor's expense. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid and Contract and any applicable laws, including but not limited to, permits, licensing, and shall provide such proof as required by NYSIF. Failure to comply or failure to provide proof may constitute grounds for NYSIF to cancel or suspend the Contract, in whole or in part, or to take any other action deemed necessary by NYSIF. Furthermore:
 - Contractor agrees to disclose information and provide affirmations and certifications to comply with Sections 139-j and 139-k of the State Finance Law.
 - Contractor agrees to cooperate with NYSIF's periodic risk assessment of Contractor and the continued adequacy of its cybersecurity practices, in accordance with 23 NYCRR 500.11(a)(4) of the *Cybersecurity Requirements for Financial Services Companies*, as promulgated by the Department of Financial Services.
- q. In signing the bid, each Bidder has guaranteed knowledge and full compliance with those provisions for this and any other dealings, transactions, sales, contracts, services, offers or relationships involving the State and/or State employees. In addition, former NYSIF are subject to a “lifetime bar” from appearing before NYSIF receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with NYSIF.
- s. Bidder and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law; other laws applicable to the service of State employees; and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the “Ethics Requirements”). Bidder certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under

this RFP or subsequent contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by Bidder or is Subcontractors and who is disqualified from providing services under the RFP or subsequent contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from a Contract. Bidder shall identify and provide the State with notice of those employees of Bidder and its Subcontractors who are former employees of the State that will be assigned to perform services under this RFP or subsequent Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that Bidder provide it with whatever information that State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be conflict with any of the Ethics Requirements. The State shall have the right to terminate the Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

- t. Bidder hereby reaffirms the attestations made in its proposal and covenants, and represents that there is and shall be no actual or potential conflict of interest that could prevent Bidder's satisfactory or ethical performance of duties required to be performed pursuant to the terms of the RFP or subsequent Contract. Bidder shall have a duty to notify NYSIF immediately of any actual or potential conflicts.
- u. If NYSIF impedes or causes any delay in the completion of the Contractor's work, then NYSIF should be notified immediately in writing of the delay and the reason(s) for such delay.
- v. Tax Law 5-a is in effect for all solicitations to purchase issued by covered agencies on or after January 1, 2005. It applies to contracts where (1) the total amount of such persons' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates, subcontractors, or affiliates of subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and (2) the contracts or agreements with state agencies or public authorities for the sale of commodities or services having a value in excess of \$100,000. The law imposes upon certain contractors the obligation to certify whether or not the contract, its affiliates, its subcontractors and affiliates of the subcontractors are required to register to collect state sales and compensating use tax.
- w. Pursuant to State Finance Law Sections 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of a solicitation release through final award and approval of the Procurement Contract by NYSIF and, if applicable, Office of the State Comptroller or Department of Financial Services ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law Section 139-j (3)(a). Designated staff, as of the date hereof, is identified in the solicitation document (see INQUIRIES/ISSUING OFFICE/DESIGNATED CONTACT). NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award, and in the event there are two findings within a 4 year-period, the Bidder is debarred from obtaining governmental Procurement Contracts.
- x. Bidder has provided "Appendix V – Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative attesting that the Bidder's performance of the services does not and will not create a conflict of interest with, nor position Bidder to breach any other contract currently in force with, the State of New York, and that Bidder will not act in any manner that is detrimental to any State of New York project on which Bidder is rendering services.
- y. In conjunction with any subcontract under this RFP or subsequent Contract, the Bidder shall obtain and deliver to NYSIF, prior to entering into a subcontract, an "Appendix V- Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative of the subcontractor. Bidder shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to NYSIF a signed and completed Appendix V for each of its subcontractors prior to entering into a subcontract.
- z. NYSIF and Bidder recognize that conflicts may occur in the future because the Bidder may have existing, or may establish new relationships. The NYSIF will review the nature of any relationships and reserves the right to terminate any contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.
- aa. By submission of this bid, pursuant to NY State Finance Law § 139-I, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid and/or subcontracting each party thereto certifies as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the NYS Labor Law.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in

consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL:
<https://www.ny.gov/combating-sexual-harassment-workplace/employers>.

Pursuant to N.Y. 1. CONTRACT DOCUMENTS

The contract documents consist of the contract agreement, proposal, bid document specifications, addenda issued prior to receipt of bids, and all subsequent modifications and changes issued pursuant to the bid documents.

The contract represents the agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral, including the bidding documents which may have resulted from the Bid Documents.

The contract may be revised, modified and/or amended by mutual written consent of both parties and where applicable the approval of the NYS Attorney General (AG), Office of the State Comptroller (OSC) or the Department of Financial Services (DFS). The contract is made in accordance with the laws of New York State.

2. TERM

In addition to any stated renewal periods in the Contract, any Contract or unit portion thereof let by NYSIF may be extended by NYSIF for an additional period(s) of up to one year with the written concurrence of the Contractor and, where required, OSC or DFS approval. Such extension may be exercised on a month to month basis or in other stated periods of time during the one year extension.

3. TERMINATION OF CONTRACT

- a. **For Cause:** For a material breach that remains uncured for more than thirty (30) days or other specified period after written notice to the Contractor, the Contract may be terminated by NYSIF at the Contractor's expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non- performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach. NYSIF shall have the right to award a new contract to a third party. In the event of termination for cause, NYSIF shall seek recovery damage incurred by NYSIF and the reasonable re-procurement costs associated in reassigning the contract.
- b. **For Convenience:** This Contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.
- c. **For Non-Responsibility:** Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate NYSIF officials or staff, the contract may be terminated by NYSIF at the Contractor's expense where the Contractor is determined by NYSIF to be non-responsible. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.
- d. **For Violation of the Sections 139-j and 139-k of the State Finance Law:** NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.
- e. **For Violation of Revised Tax Law 5a:** NYSIF reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor.
- f. **Conflicts of Interest:** NYSIF reserves the right to review the nature of relationships and reserves the right to terminate the contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.

4. SUSPENSION OF WORK

- a. **For Convenience:** NYSIF may order the contractor in writing to suspend performance of all or any part of the work for a reasonable period of time, not to exceed thirty (30) days, as determined by NYSIF.

Upon receipt of a suspension order, the contractor shall, as soon as practicable, cease performance of the work as ordered.

The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

- b. **For Non-Responsibility:** NYSIF, in its sole discretion, reserves the right to suspend any or all activities under this contract, at any time, when NYSIF discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of

such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as NYSIF issues a written notice authorizing a resumption of performance under the contract.

5. **VENDOR RESPONSIBILITY**

The contractor shall at all times during the contract term remain responsible. The Contractor agrees, if requested by NYSIF, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

6. **SAVINGS/FORCE MAJEURE**

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or NYSIF in the performance of the Contract which non- performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide NYSIF with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor NYSIF shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and NYSIF to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of NYSIF where the delay or failure will significantly impair the value of the Contract to the State, NYSIF may:

- a. Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to NYSIF with respect to Product subjected to allocation; and/or
- b. Purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to NYSIF; or
- c. Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, NYSIF reserves the right, in its sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss.

7. **DISASTER RECOVERY PLAN**

A. Disaster Recovery Plan

Contractor shall develop and deliver, upon request, to NYSIF on or before a date as reasonably determined by NYSIF, and at no additional cost to NYSIF, a Disaster Recovery Plan for the services which is acceptable to NYSIF and all appropriate regulatory organizations having jurisdiction over Contractor. The Disaster Recovery Plan, which will apply specifically and exclusively to the services under this Agreement, shall provide a description of the Plan Assumptions, Recovery Strategy, Disaster Declaration, Plan Notification and Activation, and Recovery Resources. Contractor shall make available at its premises its Master Disaster Recovery Plan applicable to all of its operations for review by NYSIF. NYSIF's approval of the disaster Recovery Plan shall not be unreasonably withheld. Review and acceptance of any Disaster Recovery Plan as may be required by any such regulatory organization shall be the responsibility of Contractor. The Disaster Recovery Plan shall provide, at a minimum, for Contractor to provide alternate electrical power for uninterrupted service. The Disaster Recovery Plan shall also designate one or more facilities (each a "Disaster Recovery Site") or separate computer resources to which Contractor shall move the Services (or affected portion of such services) upon the declaration of a Disaster requiring such a relocation (including a Disaster at a Disaster Recovery Site). Each Disaster Recovery Site must be appropriately equipped with data processing equipment which the parties reasonably believe should be sufficient to provide the Services in compliance with Attachment A. The Disaster Recovery Plan must also specify all procedures for the determination or declaration of a Disaster, which determination or declaration may not be unreasonably withheld or delayed by either party.

B. Access to Disaster Recovery Plans

1. Contractor shall make available to NYSIF any reports or findings of any regulatory agency dealing with Contractor's disaster recovery capabilities to provide services hereunder, unless it is prohibited from making such disclosure by law or by any such agency, together with any reports of its independent auditors relating to such plans. Contractor shall also make available to NYSIF results of any tests of Contractor's disaster recovery facilities conducted by Contractor or any third party with respect to the services provided under the Agreement. Contractor shall provide an annual briefing to NYSIF related to its disaster recovery strategy.
2. NYSIF acknowledges that Contractor's Master Disaster Recovery Plan providing disaster recovery for these services contains highly sensitive and confidential business information. It is understood and agreed that NYSIF may examine and approve the Master Disaster Recovery Plan; however, such examination shall be limited to that portion of the plan(s) which relates to the providing of services under this Agreement. Contractor may in its discretion limit NYSIF's review of its Master Disaster Recovery Plan(s) to a review of a copy maintained at Contractor's Capital Region office and not permit any copies to be made.

C. Disaster Event Notification

Contractor shall no later than twenty-four (24) hours after the occurrence of an event requiring activation of the Disaster Recovery Plan inform NYSIF that the plan has been activated. At that time, Contractor shall provide NYSIF with a description of the nature and extent of the disaster, an assessment of the impact on all services provided pursuant to this Agreement and a description of the specific recovery actions with their associated timeframes that have been or will be taken as part of the plan. Contractor will provide appropriate periodic updates of the recovery process as required by NYSIF.

8. PRODUCT DELIVERY

Delivery must be made as ordered to the address specified on the Purchase Order and in accordance with the terms of the Contract. Unless otherwise specified in the Bid Documents, delivery shall be made within thirty calendar days after receipt of a Purchase Order by the Contractor. The decision of NYSIF as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify NYSIF and confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by NYSIF. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in NYSIF's discretion, the Contract.

9. WEEKEND AND HOLIDAY DELIVERY

Unless otherwise specified in the Bid Specifications, deliveries will be scheduled for ordinary business hours, Monday through Friday (excluding legal holidays observed by the State of New York). Deliveries may be scheduled by mutual agreement for Saturdays, Sundays or legal holidays observed by the State of New York where the Product is for daily consumption, an emergency exists, the delivery is a replacement, delivery is late, or other reasonable circumstance, in which event the convenience of NYSIF shall govern.

10. SHIPPING / RECEIPT OF PRODUCT

- a. **Packaging** Tangible Product shall be securely and properly packed for shipment, storage and stocking in appropriate, clearly labeled shipping containers and according to accepted commercial practice, without any extra charges for packing materials, cases or other types of containers. The container shall become and remain the property of NYSIF User unless otherwise specified in the Contract documents.
- b. **Shipping Charges** Unless otherwise stated in the Bid Specifications, all deliveries shall be deemed to be freight on board (FOB) destination tailgate delivery at the dock. Contractor shall be responsible for ensuring that the Bill of Lading states "charges prepaid" for all shipments.
- c. **Receipt of Product** The Contractor shall be solely responsible for assuring that deliveries are made to personnel authorized to accept delivery on behalf of NYSIF. Any losses resulting from the Contractor's failure to deliver Product to authorized personnel shall be borne exclusively by the Contractor.

11. PRODUCT SUBSTITUTION

In the event a specified manufacturer's Product listed in the Contract becomes unavailable or cannot be supplied by the Contractor for any reason (except as provided for in the Savings/Force Majeure Clause) a Product deemed in writing by NYSIF to be equal to or better than the specified Product must be substituted by the Contractor at no additional cost or expense to NYSIF. Unless otherwise specified, any substitution of Product prior to NYSIF's written approval may be cause for cancellation of

Contract.

12. REJECTED PRODUCT

When Product is rejected, it must be removed by the Contractor from the premises of NYSIF within ten calendar days of notification of rejection by NYSIF. Upon notification of rejection, risk of loss of rejected or non-conforming Product shall remain with Contractor. Rejected items not removed by the Contractor within ten calendar days of notification shall be regarded as abandoned by the Contractor, and NYSIF shall have the right to dispose of Product as its own property. The Contractor shall promptly reimburse NYSIF for any and all costs and expenses incurred in storage or effecting removal or disposition after the ten-calendar day period

13. INSPECTION AND ACCEPTANCE OF THE WORK

NYSIF will, from time-to-time, inspect the products being provided and/or the services being performed under the terms of the contract.

All products/work shall be subject to the approval of NYSIF. In the event that any of the products provided/work performed are not acceptable to NYSIF in its sole judgment, the contractor shall replace the product/correct that work in an expeditious manner at no additional cost to NYSIF.

The contractor shall, without charge, promptly correct any problems NYSIF finds do not conform to the contract documents, unless in the public interest NYSIF consents to accept such product or work with an appropriate adjustment to the contract price.

If the contractor does not promptly correct rejected product/work, NYSIF may replace such product/correct such work and charge the cost thereof to the contractor, or terminate the contract in accordance with the Agreement.

14. TITLE AND RISK OF LOSS

Notwithstanding the form of shipment, title or other property interest, risk of loss shall not pass from the Contractor to NYSIF until the Products have been received, inspected and accepted by the receiving entity. Acceptance shall occur within a reasonable time or in accordance with such other defined acceptance period as may be specified in the Bid Specifications or Purchase Order. Mere acknowledgment by NYSIF personnel of the delivery or receipt of goods (e.g., signed bill of lading) shall not be deemed or construed as acceptance of the Products received. Any delivery of Product that is substandard or does not comply with the Bid Specifications or Contract terms and conditions, may be rejected or accepted on an adjusted price basis, as determined by NYSIF.

15. EMERGENCY CONTRACTS

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or NYSIF determines pursuant to its authority under Section 163 (10) (b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of Product, NYSIF reserves the right to obtain such Product from any source, including but not limited to this Contract(s), if NYSIF in its sole discretion determines it will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for Product procured from other sources pursuant to this paragraph. The reasons underlying the finding that an emergency exists shall be included in the procurement record.

16. ASSIGNMENT

The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract to any other person, company, firm or corporation in performance of the contract without the prior written consent of NYSIF. Failure to obtain consent to assignment from NYSIF shall revoke and annul such Contract. Notwithstanding the foregoing, the State shall not hinder, prevent or affect assignment of money by a Contractor for the benefit of its creditors. Prior to a consent to assignment of monies becoming effective, the Contractor shall file a written notice of such monies assignment(s) with NYSIF. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request to assignment to NYSIF and seek written agreement from NYSIF. The assignment agreement may be subject to the approval of AG and OSC or DFS. NYSIF reserves the right to reject any proposed assignee at its discretion.

Upon notice to the Contractor, the Contract may be assigned without the consent of the Contractor to another State Agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the functions are transferred to a successor Agency or to another Agency that assumes NYSIF responsibilities for the Contract.

17. ASSIGNMENT OF CLAIM

Contractor hereby assigns to the State any and all claims for overcharges associated with this Contract which may arise under the antitrust laws of the United States, 15 USC Section 1, et. seq. and the antitrust laws of the State of New York, General Business Law Section 340, et. seq.

18. RIGHT TO AUDIT

Contractor shall maintain accurate records and accounts of services performed and money expended under this agreement and shall furnish or make available such supplemental accounts, records or other information as are required to substantiate any estimate, expenditures or report as required by NYSIF (or its designee), or as may be necessary for auditing purposes or to verify that expenditures were made only for the purpose authorized by this agreement and consistent with all requirements as stated in the Request for Proposal. Such records and accounts and all supportive documentation shall be kept for at least six (6) years subsequent to dates of final payment hereunder, or until a final audit has been made by NYSIF (or its designee).

In case all or a part of such records are not made available for audit purposes, Contractor agrees that any cost items claimed but not supported by such records shall be disallowed, or if payment has already been made, Contractor shall, upon written demand of NYSIF, refund to NYSIF the amount disallowed.

SSAE 18 Reports:

If Contractor utilizes a Statement on Standards for Attestation Engagements (SSAE) No. 16, or Statement on Standards for Attestation Engagements (SSAE) No. 18, as developed by the American Institute of Certified Public Accountants (AICPA), within the past twenty-four months prior to the Agreement, Contractor shall provide NYSIF with a copy of Contractor's Service Organization Control (SOC) Report types 1, 2, or 3, on an annual basis. Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). Production of Contractor SSAE 16 or 18 Report(s), or SOC Reports shall not take the place of NYSIF's right under the Agreement to independently audit Contractor.

19. POLICY COMPLIANCE

Contractor warrants, covenants and represents that it will comply fully with all policies and procedures of NYSIF in performance of the Contract including but not limited to security, physical, facility, documentary and cyber security rules, policies, procedures and protocols.

20. SUBCONTRACTORS / SUPPLIERS

NYSIF reserves the right to reject any proposed Subcontractor or supplier for bona fide business reasons, which may include, but are not limited to: they are on the Department of Labor's list of companies with which New York State cannot do business; NYSIF determines that the company is not qualified; NYSIF determines that the company is not responsible; the company has previously provided unsatisfactory work or services; the company failed to solicit minority and women's business enterprises (MWBE) Bidders as required by prior Contracts.

21. CONTRACT BILLINGS

Contractor shall provide complete and accurate billing invoices to NYSIF in order to receive payment. Invoices must contain all information required by the Contract. All invoices must be sent to:

NYSIFAPVNDRIINV@nysif.com

Submission of an invoice and payment thereof shall not preclude NYSIF from reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Payments for invoices submitted by the Contractor shall be rendered electronically. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with NYSIF's procedures to authorize electronic payments. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with NYSIF's electronic payment procedures. NYSIF's policy and the authorization form may be found on NYSIF's website at www.nysif.com/procurement.

Contractor shall provide, upon request of NYSIF, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by NYSIF and in a media commercially available from the Contractor. NYSIF may direct the Contractor to provide the information to the State Comptroller (OSC).

22. REMEDIES FOR BREACH

It is understood and agreed that all rights and remedies afforded below shall be in addition to all remedies or actions otherwise authorized or permitted by law:

- a. **Cover/Substitute Performance** In the event of Contractor's material breach, NYSIF may, with or without formally Bidding:
 - (i) Purchase from other sources; or
 - (ii) If NYSIF is unsuccessful after making reasonable attempts, under the circumstances then existing, to timely obtain acceptable service or acquire replacement Product of equal or comparable quality, NYSIF may acquire acceptable replacement Product of lesser or greater quality.

Such purchases may, in the discretion of NYSIF, be deducted from the Contract quantity and payments due to Contractor.

- b. **Withhold Payment** In any case where a question of non-performance by Contractor arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken as if no delay in payment had occurred.
- c. **Bankruptcy** In the event that the Contractor files a petition under the U.S. Bankruptcy Code during the term of this Centralized Contract, NYSIF may, at its discretion, make application to exercise its right to set-off against monies due the Debtor or, under the Doctrine of Recoupment, credit NYSIF the amounts owed by the Contractor arising out of the same transactions.
- d. **Reimbursement of Costs Incurred** The Contractor agrees to reimburse NYSIF promptly for any and all additional costs and expenses incurred for acquiring acceptable services, and/or replacement Product. Should the cost of cover be less than the Contract price, the Contractor shall have no claim to the difference. The Contractor covenants and agrees that in the event suit is successfully prosecuted for any default on the part of the Contractor, all costs and expenses expended or incurred by NYSIF in connection therewith, including reasonable attorney's fees, shall be paid by the Contractor

Where the Contractor fails to timely deliver pursuant to the guaranteed delivery terms of the Contract, NYSIF may rent substitute equipment temporarily. Any sums expended for such rental shall, upon demand, be reimbursed to NYSIF promptly by the Contractor or deducted by NYSIF from payments due or to become due the Contractor on the same or another transaction.

- e. **Deduction/Credit** Sums due as a result of these remedies may be deducted or offset by NYSIF from payments due, or to become due, the Contractor on the same or another transaction. If no deduction or only a partial deduction is made in such fashion the Contractor shall pay to NYSIF the amount of such claim or portion of the claim still outstanding, on demand. NYSIF reserves the right to determine the disposition of any rebates, settlements, restitution, liquidated damages, etc., which arise from the administration of the Contract.

23. INSTALLATION

Where installation is required, Contractor shall be responsible for placing and installing the Product in the required locations. All materials used in the installation shall be of good quality and shall be free from any and all defects that would mar the appearance of the Product or render it structurally unsound. Installation includes the furnishing of any equipment, rigging and materials required to install or place the Product in the proper location. The Contractor shall protect the site from damage for all its work and shall repair damages or injury of any kind caused by the Contractor, its employees, officers or agents. If any alteration, dismantling or excavation, etc. is required to effect installation, the Contractor shall thereafter promptly restore the structure or site. Work shall be performed to cause the least inconvenience to NYSIF and with proper consideration for the rights of other Contractors or workers. The Contractor shall promptly perform its work and shall coordinate its activities with those of other Contractors. Unless otherwise provided by mutual agreement, NYSIF shall have thirty (30) days from the date of delivery to accept hardware products and sixty (60) days from the date of delivery to accept all other Product. Where the Contractor is responsible for installation, acceptance shall be from completion of installation. Unless otherwise provided by mutual agreement, NYSIF shall have the option to run testing on the Product prior to acceptance. Costs and liabilities associated with a failure of the Product to perform in accordance with the functionality tests or product specifications during the acceptance period shall be borne fully by Contractor to the extent that said costs or liabilities shall not have been caused by negligent or willful acts or omissions by NYSIF's agents or employees. Said costs shall be limited to the amounts set forth in the Limitation of Liability Clause for any liability for costs incurred at the direction or recommendation of Contractor.

Failure to provide notice of acceptance or rejection or a deficiency statement to the Contractor by the end of the period provided for under this clause constitutes acceptance by NYSIF as of the expiration of that period.

25. TOXIC SUBSTANCES

NYSIF reserves the right to conduct a security background check or otherwise approve any employee, Subcontractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on, including but not limited to, professional, technical or training qualifications, quality of work or change in security status or non-compliance with NYSIF's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. NYSIF reserves the right to reject and/or bar from the facility for cause any employee, Subcontractor, or agents of the Contractor.

29. OWNERSHIP OF DOCUMENTS

All drawings, specifications, computations, sketches, test data, survey results, reports and other documents including models, photographs, renderings and other material prepared for or relating to the project, including any material furnished by NYSIF are the property of NYSIF.

If the above remedies are not available, the parties shall terminate the Contract, in whole or in part as necessary and applicable, provided NYSIF is given a refund for any amounts paid for the period during which Usage was not feasible.

34. LIMITATION OF LIABILITY

Except as otherwise set forth in the Indemnification Paragraphs above, the limit of liability shall be as follows:

- a. Contractor's liability for any claim, loss or liability arising out of, or connected with the Products and services provided, and whether based upon default, or other liability such as breach of contract, warranty, negligence, misrepresentation or otherwise, shall in no case exceed direct damages in: (i) an amount equal to two (2) times the charges specified in the contract, or (ii) one million dollars (\$1,000,000), whichever is greater.

- c. 36. CONTRACTOR CONSULTANT LAW

Effective June 19, 2006, Chapter 10 of the Laws of 2006 amended the Civil Service and State Finance Laws, relative to maintaining certain information on contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as “contracts entered into by a state agency for *analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services*”. The amendments require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), the Division of the Budget (DOB) and the Department of Civil Service (CS).

To meet these new requirements, the awarded contractor agrees to complete Form A - Contractor’s Planned Employment Form, and Form B – Contractor’s Annual Employment Report.

For more information on this requirement, please see the NYS Office of the State Comptroller’s [Guide to Financial Operations Section XI.18.C Consultant Disclosure Legislation](#).

37. INSURANCE

Prior to the commencement of the work, Contractor shall file with NYSIF Certificates of Insurance evidencing compliance with all requirements contained in the Bid Documents. Acceptance and/or approval by NYSIF do not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under this Agreement.

Contractor shall cause all insurance to be in full force and effect as of the commencement date of this Agreement and to remain in full force and effect throughout the term of this Agreement and as further required by this Agreement. Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

NYSIF shall provide Contractor with written acknowledgement of its receipt of notice, but NYSIF's failure to provide written acknowledgement shall not be a breach of contract or in any way alter the Contractor's obligation to provide timely notice.

40. MODIFICATIONS TO THE AGREEMENT

This Agreement may not be modified, renewed or discharged, except as herein specifically provided, or by an agreement in writing signed by both parties and, if applicable, approved by the Office of the State Comptroller or Department of Financial Services.

During the term of the contract, the contract may be amended as changes occur within the industry. APPENDIX E

VENDOR RESPONSIBILITY QUESTIONNAIRE

Each Contracting Agency conducts a review of prospective contractors (“vendors”) to provide reasonable assurances that the vendor is responsible. This questionnaire is used for all non-construction contracts with a contract value of \$100,000.00 or more and is designed to provide information to assess a vendor’s authorization to do business in New York State, as well as your business integrity, financial and organizational capacity, and performance history. (Review of construction contractors will be based upon the Uniform Contracting Questionnaire developed by the Council of Contracting Agencies.)

Each vendor must answer every question contained in this questionnaire. Where a response requires additional information, the vendor must attach a written response that adequately details the requested information. Please number each response to match the question number. The completed questionnaire and attached responses will become part of the procurement record.

In order to expedite the required review, when providing additional information for a “YES” answer to Questions 14 a-s, or any other response which requires additional explanation, your information and responses should address the relationship of the issue to the proposed contract. Be brief, concise and to the point. Discuss as appropriate the following:

- Provide a description of the issue and identify the actions taken or currently being implemented to ensure that the issue will not occur again.
- State whether the staff and/or organizational component involved in the identified issue(s) will work on the proposed contract. If so, provide information to assure the agency that the issue will not be repeated.
- Identify the relationship (or lack thereof) between the product/services involved in the issue and the type of product/services proposed for this contract.
- State whether the issue will affect your financial or organizational ability to perform under the proposed contract.
- Provide copies of relevant documents or any other information that would assist the agency in its vendor responsibility evaluation.

It is imperative that the person completing the vendor responsibility questionnaire be knowledgeable about the proposing vendor’s business and operations, as an owner or officer of the vendor must attest to the questionnaire information. Please be advised that at the end of this questionnaire, you must certify, under oath, all responses given.

PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES: REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The NYS Insurance Fund (NYSIF) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to NYSIF, to fully comply and cooperate with NYSIF in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this Appendix and such other remedies are available to NYSIF pursuant to the Contract and applicable law.

II. Contract Goals

- A. For purposes of this Contract, NYSIF hereby establishes an overall goal of 30% for MWBE participation, 18% for New York State-certified minority-owned business enterprise (“MBE”) participation and 12% for New York State-certified women-owned business enterprise (“WBE”) participation (collectively, “MWBE Contract Goals”) based on the current availability of MBEs and WBEs.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II-A hereof, the Contractor should reference the directory of MWBEs at the following internet address:
<https://ny.newnycontracts.com>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

APPENDIX M

- C. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract]
- D. The Contractor must document “good faith efforts,” pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
1. Evidence of outreach to MWBEs;
 2. Any responses by MWBEs to the Contractor’s outreach;
 3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by NYSIF with MWBEs; and,
 5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

III. Equal Employment Opportunity (“EEO”)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- B. In performing the Contract, the Contractor shall:
1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 2. The Contractor shall submit an EEO policy statement to NYSIF within seventy-two (72) hours after the date of the notice by NYSIF to award the Contract to the Contractor.

APPENDIX M

3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, NYSIF may require the Contractor or subcontractor to adopt a model statement (see Form 106 – Equal Employment Opportunity Policy Statement).
4. The Contractor's EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. ONLY FOR CONTRACTS WITH A TOTAL EXPENDITURE IN EXCESS OF \$250,000: The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Form 101 - Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal or within a reasonable time, as directed by NYSIF.

D. Form 102 - Workforce Utilization Report

1. The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by NYSIF on a Quarterly basis during the term of the Contract, with the exception of Construction Contracts. For Construction Contracts, the Contractor is required to submit a Workforce Utilization Report on a Monthly basis.
2. Separate forms shall be completed by the Contractor and any subcontractors.

APPENDIX M

3. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.
- E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan, or shall submit an MWBE Utilization Plan at such time as shall be required by NYSIF, to the designated contacts at mwbeinfo@nysif.com, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to NYSIF, either prior to, or at the time of, the execution of the contract.
- B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
- C. The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, NYSIF shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. Waivers

- A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver to contracts@nysif.com, or a non-electronic method provided by NYSIF. Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, NYSIF shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- B. If NYSIF, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section VI, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued in regard to such non-compliance, NYSIF may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency

VII. Liquidated Damages - MWBE Participation

- A. Where NYSIF determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to NYSIF liquidated damages.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by NYSIF, the Contractor shall pay such liquidated damages to NYSIF within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

M/WBE

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

- (1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.
- (2) Request a list of State-certified M/WBEs from AGENCY and solicit bids from them directly.
- (3) Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.
- (4) Where feasible, divide the work into smaller portions to enhanced participations by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation.
- (5) Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. The Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.
- (6) Ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.

In addition, a contractor must file a new Form ST-220-CA with a covered agency before an existing contract with such agency may be renewed.

When to complete this form

As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned *on or after April 26, 2006* (the effective date of the section 5-a amendments).

- G. no person or organization has been retained, employed or designated on behalf of the Bidder to impact any NYSIF determination with respect to (i) the solicitation, evaluation or award of this Agreement; or (ii) the preparation of specifications or request for submissions in connection with this Agreement.

The foregoing certifications shall be deemed to be made by the Bidder as follows:

- * if the Bidder is a corporation, such certification shall be deemed to have been made not only with respect to the Bidder itself, but also with respect to each parent, affiliate, director, and officer of the Bidder, as well as, to the best of the certifier's knowledge and belief, each stockholder of the Bidder with an ownership interest in excess of 10%;
- * if the Bidder is a partnership, such certification shall be deemed to have been made not only with respect to the Bidder itself, but also with respect to each partner.

Moreover, the foregoing certifications, if made by a corporate Bidder, shall be deemed to have been authorized by the Board of Directors of the Bidder, and such authorization shall be deemed to include the signing and submission of the proposal and the inclusion therein of such certification as the act and deed of the corporation.

In any case where the Bidder cannot make the foregoing certifications, the Bidder shall so state and shall furnish with the signed proposal a signed statement, which sets forth in detail the reasons therefore. If the Bidder is uncertain as to whether it can make the foregoing certifications, it shall so indicate in a signed statement furnished with its proposal, setting forth in such statement the reasons for its uncertainty. With respect to the foregoing certification in paragraph "G.", if the Bidder cannot make the certification, it shall provide, in writing, with the signed proposal: (i) a list of the

name(s), address(es), telephone number(s), and place(s) of principal employment of each such individual or organization; and (ii) a statement as to whether such individual or organization has a "financial interest" in this Contract. Such disclosure is to be updated, as necessary, up to the time of award of this Contract. As a result of such disclosure, NYSIF shall take appropriate action up to and including a finding of non-responsibility.

Failure to make the required disclosures shall lead to administrative actions up to and including a finding of non-responsibility. Notwithstanding that the Bidder may be able to make the foregoing certifications at the time the proposal is submitted, the Bidder shall immediately notify NYSIF in writing during the period of irrevocability of proposals on this Bid or any extension of such period of any change of circumstances which might under this clause make it unable to make the foregoing certifications or require disclosure.

The foregoing certifications or signed statement shall be deemed to have been made by the Bidder with full knowledge that they would become a part of the records of NYSIF and that NYSIF will rely on their truth and accuracy in awarding this Bid. In the event that NYSIF should determine at any time prior or subsequent to the award of this Bid that the Bidder has falsely certified as to any material item in the foregoing certifications or has willfully or fraudulently furnished a signed statement which is false in any material respect, or has not fully and accurately represented any circumstance with respect to any item in the foregoing certifications required to be disclosed, NYSIF may determine that the Bidder is not a responsible Bidder with respect to its proposal on the Bid or with respect to future proposals on NYSIF bids and may exercise such other remedies as are provided to it by the Bid (or any resulting contract) with respect to these matters.

In addition, Bidders are advised that knowingly providing a false certification or statement pursuant hereto may be the basis for prosecution for offering a false instrument for filing (see, e.g. New York Penal Law, Section 175.30 et seq.). Bidders are also advised that the inability to make such certification will not in and of itself disqualify a Bidder, and that in each instance NYSIF will evaluate the reasons therefore provided by the Bidder.

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE DISABLED VETERAN OWNED BUSINESSES (SDVOB)

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. NYSIF recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSIF contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

CONTRACT GOALS

For purposes of this procurement, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>.

Bidder/Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

Making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Firms that do not perform commercially useful functions may not be counted toward SDVOB utilization. Attach additional sheets if necessary.
