

New York State Insurance Fund (NYSIF)

Uninterrupted Power Supply (UPS) Implementation and Integration

NYSIF is seeking to procure the implementation and integration of a UPS system. The UPS system that will need to be implemented is as follows:

One (1) 60Hz Liebert EXC, model EXC20011B36A745, with the following features and characteristics:

- Input Voltage 208V/120VAC 60Hz three-phase, four-wire plus ground
- Input and output cables enter and exit through the bottom of the unit
- Main Unit Color: ZP-7021 Black Gray Matte
- Ramp included for unit removal from pallet
- One Square D Bolt-In\Plug-In 54 pole panelboards for Square D Bolt-In\Plug-In circuit breakers with ABB panelboard main breaker
- Upgraded LDMF Configuration
- (1) IS-UNITY-DP Card
- (1) SiteScan Interface Card(IS-485EXI)

NYSIF is **not** seeking the product above, just the implementation of the product.

NYSIF is seeking a three-month term for this contract. Upon beginning of the implementation process, the implementation must be completed within two weeks.

Vendors must be authorized and trained by Vertiv to provide equipment startups, warranty service, and maintenance on the latest equipment. Interested firms must submit documentation that they have an agreement in place with Vertiv to provide these services.

NYSIF anticipates awarding a single contract. The solicitation document may be obtained from NYSIF's Procurement website at www.nysif.com/procurement. Interested parties should e-mail contracts@nysif.com with any questions.

Interested firms should email contracts@gmail.com by 11/3/20 at 2:00 p.m. EST.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is Vincent Ginardi, NYSIF, 15 Computer Drive West, Albany NY 12205, contracts@nysif.com. Contacts made to other NYSIF personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York.

NYSIF is committed to achieving its goal of increasing opportunities for New York State Minority and Women's Business Enterprises (M/WBE) and Service-Disabled Veteran Owned Businesses (SDVOB). Any company that feels it may meet the state requirements for MWBE certification

but has not done so already is also encouraged to visit the NYS Empire State Development website at <http://www.esd.ny.gov/MWBE.html> for more information. We encourage any firm that believes it meets the state requirements for SDVOB certification to visit The Division of Service-Disabled Veterans' Business Development within the NYS Office of General Services (OGS) at <https://ogs.ny.gov/Veterans/>.
