SECTION 1 – GENERAL INFORMATION

1.1 OVERVIEW OF THE NEW YORK STATE INSURANCE FUND

The New York State Insurance Fund (NYSIF) was established in 1914 as part of the original enactment of the New York State Workers' Compensation Law. NYSIF's mission is to guarantee the availability of workers' compensation insurance at the lowest possible cost to New York employers and to provide timely, appropriate indemnity and medical payments to injured workers, while maintaining a solvent fund. Since inception, NYSIF has fulfilled the dual roles for which it was created: to compete with other carriers to ensure a fair marketplace and to be a guaranteed source of coverage for employers who cannot secure coverage elsewhere.

NYSIF is the largest workers' compensation carrier in New York State and among the top 10 largest workers' compensation carriers in the nation, insuring approximately 139,000 policyholders, with more than \$1.8 billion in annual earned premium and over \$22 billion in assets. A self-supporting insurance carrier, NYSIF operates without taxpayer funding.

In addition to workers' compensation insurance, NYSIF provides disability benefits coverage for off-the-job injuries to more than 56,000 New York employers. In 2018, NYSIF added paid family leave as a component of its disability benefits product, providing New Yorkers with job-protected, paid time away from work to care for their families.

1.3 SUMMARY OF NYSIF'S POLICY AND PROHIBITIONS REGARDING PERMISSIBLE CONTACTS DURING A COVERED PROCUREMENT

Pursuant to State Finance Law §§139-j and 139-k, this RFP includes and imposes certain restrictions on communications between a Governmental Entity and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of intent to solicit bids through final award and approval of the Procurement Contract by the Governmental Entity and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3)(a). Designated staff, as of the date hereof, is identified in section 1.2 of this RFP. NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period, the Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements is available from the designated contact(s).

1.4 PURPOSE OF THIS RFP

NYSIF is seeking Collection Agency(ies) to provide Full Collection Services. The successful bidder(s) will receive referrals of delinquent, unpaid Workers' Compensation and Disability Benefits insurance premium accounts.

NYSIF anticipates selecting one or more Collection Agencies as a result of this RFP. Final selection is at NYSIF's sole discretion. When referring to the successful bidder(s) in this RFP, NYSIF will reference "Collection agency" in lieu of "Collection agency(ies)."

Proposals submitted in response to this solicitation must comply with the instructions and procedures contained herein. Bidders are responsible for checking [NYSIF's website](#) for any RFP amendments, addenda, and/or updates.

1.5 BIDDERS' CONFERENCE / SITE VISIT

No Bidder's Conference will be held regarding this RFP. Prospective Bidders may submit questions in an acceptable format (section 1.2 above) by the date listed in the RFP Calendar.

1.6 DUE DATE

The due date for submission of proposals is May 9, 2022, 2:00 p.m. (Eastern).

1.7 METHOD OF AWARD / DISTRIBUTION OF WORK

Award will be made on the basis of "best value", as determined by the evaluation process. The ability to perform the services will be deemed most important when evaluating bids. NYSIF anticipates multiple awards, up to four (4) firms, under this contract; however, NYSIF reserves the right to (i) award to one Bidder; (ii) split separable portions of the contract by category and award to one or more Bidders; (iii) not award the full amount of anticipated number of awards listed in the chart below for any of the categories or (iv) any combination thereof.

Accounts will be selected by NYSIF for the initial referral to Contractors so that all Contractors will receive approximately the same number of accounts. All referrals are made at NYSIF's discretion. NYSIF may make referrals to each Contractor in such amount, value and interval, or none at all, as it sees fit. At NYSIF's discretion Contractor performance may be used as a factor for subsequent referrals. NYSIF reserves the right to recall any and all accounts from a Contractor determined to be underperforming in comparison to other Contractor(s) and to refer such accounts to another Contractor(s). Whenever possible, NYSIF will attempt to provide Contractors with advance notice of referrals to assist Contractors with their staffing and financial planning. No amount of work is guaranteed.

1.9 PARTICIPATION OF NYS BUSINESS ENTERPRISES (MWBE)

It is the policy of NYSIF to encourage the greatest possible participation by Minority and Women-Owned Business Enterprises (MWBE) as Bidders, subcontractors and suppliers on its procurement contracts, consistent with New York State laws.

For purposes of this procurement, NYSIF conducted a comprehensive review of the services required under this procurement and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by MWBEs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials. The directory can be viewed at the [New York State Certified MWBEs website](#).

Please see Appendix M for further information.

1.10 PARTICIPATION OF SERVICE-DISABLED VETERAN OWNED BUSINESSES (SDVOB)

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. NYSIF recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSIF contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory can be viewed at the [New York State Certified SDVOBs website](#).

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

Bidders/Contractors may not use NYSIF, its name, trademarks, or logo in any marketing, advertising or similar material without prior written approval from NYSIF. NYSIF will need to approve any website content with NYSIF's name, trademarks or logo and should be notified of any website content change with the aforementioned criteria. NYSIF shall display the vendor contact information on the NYSIF website with approval from the vendor.

An estimated half of the referrals are downstate, mostly in the five boroughs of New York City, and in Nassau, Suffolk, Westchester and Orange Counties.

NYSIF may place a ceiling on the dollar value for referred accounts.

The referred account shall be at least \$30.00.

Bidder must provide the maximum number of accounts for which bidder can perform full collection services annually.

A. COLLECTION LETTERS AND SUBSEQUENT ACTIVITY

Initial contact with the policyholder shall be made by letter which shall advise the policyholder that the account has been turned over by NYSIF to the Collection agency for collection purposes. The successful bidder(s) must obtain a minimum of 30 day's advance approval of the language to be used in the collection letter. The bidder(s) must maintain version control of the collection letters, the ability to specify the collection letter language used at a specified point in time. Collection letters must be accessible to NYSIF.

The letter shall include:

- 1) All information required by law.
- 2) The amount of premium due plus the collection fee shall be itemized.
- 3) Information regarding future attempts at insuring with NYSIF should be included as Section 93(b) and (c) of the New York State Workers' Compensation Law which states that the debtor or any entity referred to in these sections cannot be issued a new policy by NYSIF, once a policy is cancelled, with an outstanding premium balance due and owing.
- 4) A statement that policyholder's credit rating may be affected by policyholder's non-payment of premium. Bidders must be able to report adverse payment history to at least two (2) major credit reporting companies. However, the successful bidder must have approval from NYSIF prior to reporting to the Credit Reporting Company.

All further collection efforts shall be by methods and techniques, short of litigation, selected by the Collection agency, based on their expertise in the collection field, and consistent with state and federal laws and regulations.

B. INFORMATION THAT MAY BE PROVIDED BY NYSIF REGARDING OVERDUE WORKERS' COMPENSATION AND DISABILITY INSURANCE PREMIUMS

- 1) Name, phone number and address of the debtor (policyholder)
- 2) Name and address of insurance representative
- 3) Period of coverage
- 4) Cancellation or ending date
- 5) Policy number
- 6) Copy of Workers' Compensation or Disability Benefits insurance policy and application
- 7) Delinquent account balance
- 8) Audit worksheets
- 9) Statement of account
- 10) Back-up bills and documents for each item listed on statement of account

C. SKIP TRACING

The Collection agency shall locate the policyholder, the policyholder's place of business, current employer, telephone number, address and location of assets utilizing at least the following resources:

- 1) The United States Post Office,
- 2) Telephone Directory Assistance,
- 3) Credit Bureaus,
- 4) Bureau of Licensing,

- 5) Bureau of Corporations,
- 6) Tax Assessor Office, property owner searches, and
- 7) Interest Entity Search.

D. REFERRAL TO ATTORNEY

After the Collection agency has exhausted its collection efforts, the Collection agency, based on its knowledge and experience, shall decide whether to refer the account for litigation. Upon referral, the attorney shall, based on his/her knowledge and experience, make further telephone/letter contacts and/or bring suit against the policyholder for judgment.

The Collection agency shall act as agent for NYSIF in obtaining an attorney or attorneys to whom policyholders' delinquent files shall be referred for legal action. The Collection agency shall submit attorneys' names for pre-approval by NYSIF. Attorneys must be licensed in New York State.

NYSIF shall have the right to direct, with respect to any legal action brought, settlement of such action. The Collection agency will receive all fees payable upon amounts collected.

- 1) The retained attorney shall represent the Commissioners of the State Insurance Fund as "Of Counsel" to the General Attorney of NYSIF.
- 2) The attorney must bring suit in the county where the policy was underwritten and where NYSIF has an office, unless expressly authorized by NYSIF, and name Commissioners of the State Insurance Fund as the plaintiff.
- 3) In the event the attorney should fail to perform in the manner prescribed herein or shall otherwise be unsatisfactory to NYSIF, in its sole discretion, NYSIF shall have the right to require discharge of said attorney from NYSIF accounts and require the release of the account(s) to another NYSIF approved attorney of the Collection agency or return of the account(s) to NYSIF. In such latter event the discharged attorney and, in those cases where the accounts are returned to NYSIF, the Collection agency shall not have any further claim for fees, nor have any further rights with respect to such accounts. This shall not affect any other rights or remedies NYSIF shall have in relation to return of accounts as otherwise provided in the RFP.
- 4) The Collection agency shall report judgments to NYSIF, within 15 business days of being obtained, detailing the amount of the judgment, the court in which the judgment was entered and appropriate account information. Copies of judgments must be provided to NYSIF only in an electronic format, to be determined by NYSIF.
- 5) Attorneys must be mindful when considering litigation that certain outcomes may potentially have impact, including precedent setting impact, on a wider scope than just the account in question. In such situations, the attorney must discuss the matter with NYSIF's Legal Department to determine if litigation is warranted.

E. BANKRUPTCY

When a referral is not collectible due to the debtor's filing bankruptcy, the Collection agency shall file the requisite proof of claim with the appropriate bankruptcy court; and may elect to return the account to NYSIF after receiving acknowledgement from the bankruptcy court that the claim has been received. Any additional Bankruptcy related documents received by the Collections Agency should be forwarded to NYSIF. Collection Agency should be able to monitor bankruptcy proceedings, participate in the bankruptcy matter, and provide legal representation on NYSIF's behalf.

F. RECEIPT AND RECORDING OF PAYMENTS

The Collection agency shall be responsible for all collections made and shall receive all payments from the policyholder, including those resulting from judgments, either made directly to the Collection agency or to the attorney. All payments received by the Collection agency and/or Collection agency's attorneys, subcontractors, etc., shall be transmitted to NYSIF subject to the controls and in the manner described in this RFP and any procedures to be negotiated after contract award or subject to federal and state laws.

All collections that have cleared shall be remitted to NYSIF at a schedule approved by NYSIF. The total remittances, without reduction for collection fees, shall be made via electronic transfer to a designated NYSIF account. Payment details shall be transmitted at the policy level by SFTP.

NYSIF shall not offer incentive programs to the Collection agency or Collection agency's employees or subcontractors except as stated in this RFP. At their discretion, the Collection agency may institute such programs; however, NYSIF will not reimburse the Collection agency or pay for such programs.

Payments shall be made payable to the Collection agency and deposited the same day of receipt into the Collection agency's account. The funds will remain in the Collection agency's account until they have cleared. The Collection agency's account shall be in a financial institution whose name was submitted in Appendix W, Financial Institution, in the proposal and subsequently approved by NYSIF. The account must be in a financial institution that meets New York State and/or federal laws, including the Gramm-Leach-Bliley Act, Public Law 106-102. The financial institution must:

- 1) Be chartered to engage in depository services and have depository facilities within New York State;
- 2) Demonstrate that its total assets and total deposits each exceed \$500 million;
- 3) Be a member of The National Automated Clearing House Association;
- 4) Have sufficient experience and can act as an Originating Depository Financial Institution for the direct deposit of recurring payments in large volume; and
- 5) Agree to perform all services described in this section of this RFP.

The Collection agency must agree to instruct its financial institution to issue duplicate bank statements to NYSIF. The separate account established by the Collection agency is to be used exclusively for the business conducted between the Collection agency and NYSIF. Note: The Collection agency is not to use the account for other

business purposes. The account must reflect only activity between NYSIF and the Collection agency.

G. COLLECTION EXPENSE

Section 18 (5) of the State Finance Law allows NYSIF to charge up to a 22 percent collection fee to cover the cost of processing, handling and collecting such debt.

The collection fee is calculated at the time of the referral to the Collection agency based upon the account balance at that time. Subsequently, an estimated delinquent account balance may increase or decreased based upon audit. No recalculation increasing the collection fee above 22 percent of the initial delinquent account balance is permitted. Therefore, the collection fee may not be revised upward after the original letter is sent to the policyholder. However, the collection fee must be revised downward if the delinquent account balance decreases.

The Collection agency will be prepared to assert NYSIF's claim for all applicable statutory interest charges, costs and disbursements, which NYSIF is entitled, either prior or after the entry of judgment.

For example, a delinquent account balance of \$100.00 is referred to the Collection agency. The Collection agency sends a collection letter to the policyholder itemizing the amount due of \$100.00 premium balance and \$22.00 collection fee for a total amount due of \$122.00 (\$100.00 + \$22.00 = \$122.00). A payroll report is received after the \$122.00 letter is sent to the policyholder. The delinquent account balance is now \$200.00. A second adjusted letter would be sent requesting \$222.00. This amount includes the \$200.00 for the revised delinquent account balance plus the original \$22.00 collection fee.

Using the \$100.00 delinquent account balance above, if the premium account balance decreases, from \$100.00 to \$75.00, a second, adjusted letter would be sent requesting a total of \$91.50 (the past due amount of \$75.00 plus the 22% collection fee of \$16.50).

Bidders shall complete Appendix Z, *Fee Schedule Proposal*. Bidders should provide the rate bids for six levels of service:

- 1) 3rd party (Vendor) Collection
- 2) Pre-Litigation (referred to an Approved Attorney, suit not filed)
- 3) Litigation (Suit must be filed)
- 4) Litigation (Suit must be filed), and recovery is made by NYS Department of Taxation and Finance through Statewide Offset Program
- 5) Second Referrals (these will be accounts that were with one collection vendor and the collection efforts were unsuccessful and are now being referred for a second attempt by a different collection vendor).
- 6) Bankruptcy Collections (see Section 2.2.1(E) on page 18).

NYSIF intends to make the award(s) based on "Best Value", which takes into consideration quality, efficiency and cost.

2.2.2 PREMIUM AUDITS

Upon cancellation, a policy must be billed to reflect payroll for all coverage periods up to the cancellation date. For most NYSIF's accounts, performance of audits is attempted at time of cancellation. NYSIF's final actual audit success rate is less than 50%, and approximately 85% of the accounts that are referred to collection agencies have a final bill based on an estimated audit.

Upon referral to a collection agency, the cancelled policyholder may request a revised audit to determine accuracy. In addition, at the time of litigation, a judge may request/order an audit be completed prior to further action, judgment, etc.

A. NYSIF AUDITS

Upon referral to a Collection agency, the cancelled policyholder may request that an audit be performed to have an estimated audit revised. The estimated final bill results from the failure of the cancelled policyholder to complete a report audit, a statement audit or to have an on-site audit conducted. NYSIF agrees to work with the Collection agency to schedule audits and re-audits as the need arises. The Collection agency will be provided with a contact or contacts in the Premium Audit Department to allow the scheduling of audits. NYSIF requires that the Collection agency work with NYSIF's Premium Audit Department in establishing audit appointments. NYSIF auditors currently schedule appointments four weeks in advance.

If cancelled policyholders are willing to work cooperatively, then the scheduling of an audit after the issuance of an estimated final bill is desirable.

2.2.3 POLICYHOLDER'S PAYMENT PLAN AND SETTLEMENT OF ACCOUNTS

While NYSIF is looking for immediate, complete payment, the Collection agency can establish payment plans which result in full payment within the shortest time possible.

NYSIF authorizes the collection agency to accept less than the full amount while reserving its Worker's Compensation Law Section 93 (b) & (c) rights, unless specifically waived by NYSIF, if in the collection agency's professional judgment this is the most money that can be recovered at this point. NYSIF will monitor this activity closely. Partial collections are not preferred, and if in NYSIF's opinion this collection "tool" is being abused, the receipt of future referrals will be jeopardized.

Any settlement offered by or on behalf of the policyholder may be discussed with the designated NYSIF personnel prior to acceptance. However, NYSIF is empowering the collection agency to maximize joint collection efforts through the above-mentioned methods. Any settlement less than the full amount requires a reason. NYSIF reserves the right to change its policy regarding collection agencies making settlements and will consider the number and nature of settlements made when evaluating the effectiveness of an agency.

2.2.4 ACCOUNT RETURNS

The Collection agency must return any specifically requested delinquent account to NYSIF. In such event, the Collection agency shall have no right to any fees.

The Collection agency shall continue full collection services until, in the Collection agency's professional opinion, the account cannot be collected, at which time the account will be returned to NYSIF with a list detailing such collection efforts, copies of notes of conversations with policyholder, letters sent to and received from policyholder and reason why collection cannot be accomplished. Bidders should include in their proposals a list of determining factors in discontinuing collection attempts. Collection agency must retain all records relating to an account for at least seven years after closing the account.

The Collection agency shall return accounts that have not proceeded with litigation to NYSIF six months after no activity has occurred on the account. Accounts should be returned within 6 months of inactivity; unless there is pending litigation.

2.2.5 ELECTRONIC REPORTS

The Collection agency shall maintain a database of all referred accounts and reporting shall be available to NYSIF online. All reports and their designs will be developed by the Collection agency and NYSIF. Reports shall be available at any time. The reports should be set up for a monthly reporting cycle.

Listed below are the current data fields that will be used to support activity on this contract. NYSIF reserves the right to include additional data fields if in NYSIF's best interest.

2.2.6 COLLECTION AGENCY'S INVOICE AND PAYMENT MECHANISM

NYSIF will reconcile all payments assigned to the Collection agency to the Collection agency's electronic file. The Collection agency shall receive the agreed to fee per the *Fee Schedule Proposal*/submitted.

The Collection agency will submit, at a minimum, weekly to NYSIF an electronic file in a format specified by NYSIF itemizing the individual collections and showing the total amount collected for the week.

NYSIF will reconcile the report verifying that the total of the individual remittances adds up to the total being remitted by the Collection agency.

The Collection agency shall ACH/wire the total remittance to NYSIF as scheduled. The amount of the ACH/wire is the gross amount collected without reduction for fees. Before wiring any money, NYSIF and the Collection agency shall confirm the amount to be ACH/wire.

The Collection agency will submit an electronic file in a format specified by NYSIF, listing the accounts where payments were received directly by NYSIF, and showing the fees billed, on a schedule to be determined. Money received within seven (7) calendar days of referral will not warrant a collection fee being paid. NYSIF audits the fees requested and any discrepancies found are reported to the Collection agency and the fees requested are adjusted accordingly. The adjusted fees are paid to the Collection agency via ACH.

2.2.7 PENALTIES

- a. Complaints: If NYSIF receives a complaint regarding the Collection agency or

Collection agency's agent, the Collection agency must respond to the complaint and resolve it to NYSIF's satisfaction. At NYSIF's direction, the Collection agency must immediately remove any designated Collection agency employee or subcontractor from NYSIF's account. NYSIF may cancel the contract with 10 day's written notice with or without cause.

- b. If, in NYSIF's sole discretion, the Collection agency does not appear to be successful in number and dollar amount of collections, NYSIF may transfer cases to another Collection agency, recover cases for NYSIF collection, or cancel the contract with 10 day's written notice.

2.2.8 TRUST ACCOUNT

The Collection agency must have a separate Trust Account into which all funds collected from NYSIF's policy creditors are deposited. The Collection agency must also have a fidelity bond in the minimum amount of \$2,000,000 against loss to NYSIF for debts collected on behalf of NYSIF while the account is in the possession of the Collection agency.

2.2.9 REPORTS AND DATA

The Collection agency must produce statistical reports and transmit data electronically to NYSIF. All reports and data transfer are required to be performed on a timely basis. The Portfolio is reconciled between NYSIF and the collection agency on a periodic basis.

2.2.10 WEB BASED ACCESS

The Collection agency must provide NYSIF with secure web-based access to NYSIF's accounts. This on-line access should provide NYSIF with an account history and information regarding the current balance and collection status.

2.2.11 OTHER

2.2.12 GENERAL CONTRACT PERFORMANCE REQUIREMENTS

A. PROFESSIONAL STANDARDS

The Contractor must ensure that all collection agencies and/or law firms, if applicable, directly employed or subcontracted to perform services as a result of this RFP are licensed, in good standing, and authorized to do business in each state in which they are performing services, or practicing their profession, as the case may be.

B. COMPLIANCE WITH LAWS

The Contractor, and any Subcontractor(s), must be in compliance with all applicable Federal, state and local laws, ordinances and regulations at the time of its Proposal submission and, upon becoming a Contractor, may not violate any Federal, state or local laws, ordinances or regulations established by the United States, State of New York or any other state or locality in which collection is attempted throughout the Contract period.

C. PERFORMANCE OF WORK

All work under the Contract must be performed within the boundaries of the United States. Contractors are required by Federal law to verify that all their employees and Subcontractors in their employ are legally entitled to work in the United States. Accordingly, NYSIF reserves the right to request legally mandated Contractor-held documentation attesting to the same for each employee and Subcontractor assigned work under any contract awarded. In accordance with such laws, the Department does not discriminate against individuals on the basis of national origin or citizenship.

D. PROFESSIONAL CONDUCT

The Contractor may not use any threats, intimidation or harassment in the collection process. The Contractor must operate within all laws, regulations, and industry guidelines and standards regarding debt collection practices including, but not limited to, full compliance with the provisions of the federal Fair Debt Collection Practices Act (FDCPA) (15 USC 1692 et. seq), the NYS Taxpayer's Bill of Rights (NYS Tax Law at Article 41), and the Debt Collection Procedures Law (NYS General Business Law at Article 29-H).

E. LICENSES, CERTIFICATIONS AND COMPLIANCE

The contractor shall obtain, maintain and pay for all licenses and certifications legally required to perform the work under this RFP and shall give all notices, pay all fees and comply with all laws, rules, and regulations applicable to the work at no additional cost. Where applicable, the Contractor must also have all local and federal licenses and certifications to perform the work described in this RFP. Copies of all

license and certifications must accompany the Contractor's bid. It is the responsibility of the Contractor to ensure that any subcontractors are also licensed and permitted appropriately for the work they perform.

2.3 RESERVED RIGHTS

- a. NYSIF reserves the right, at its sole discretion, to have any account returned to NYSIF. The Collection agency shall not have any further claim for fees, nor have any further rights with respect to such accounts.
- b. NYSIF reserves the right to transfer and assign incomplete/on-going Collection case(s) to one of the new Contractors. The selection of a Contractor will be at NYSIF's sole discretion based upon factors that include but are not limited to (a) the Contractor's historic knowledge and expertise on the Collection case; and (b) the Contractor's availability and capability to immediately take over the Collection case with their current staff levels.
- c. In the event an Incumbent Contractor is awarded a new contract from the RFP, NYSIF reserves the right to transition incomplete/on-going Collection case(s) to that Contractor under the new contract. If transitioned, the Collection case(s) would be paid under the rates of the new contract.

2.4 TERM

NYSIF anticipates awarding an eight (8) year contract covering the services detailed in this RFP. The eight (8) year term will be broken down into two (2) separate phases, as outlined below.

- A. Active Case Assignment & Collection Phase – This phase will commence upon contract execution as defined in the Contract agreement, subject to the approval of New York State Attorney General and Office of the State Comptroller, for a period of sixty (60) months. During this phase, the Contractor will be assigned Collection cases, and the Contractor will be expected to perform the Collection Services as outlined herein.
- B. Collection Case Close-out Phase – This phase will commence immediately following the "Active Case Assignment & Collection Phase" outlined above, for a period of thirty-six (36) months. During the Close-out Phase, no new Collection Cases will be assigned to the Contractor. Contractors must continue to perform the Collection Services as outlined in the RFP to close-out any and all incomplete Collection Cases.

The Contractor agrees that until the closing of the last Collection Case assignment under the resulting Contract, all provisions of the Contract shall otherwise remain in force and in effect.

Upon expiration/termination of the resulting contract(s) NYSIF reserves the right to have the Contractor: (i) return select or all incomplete assignments; or (ii) complete select or all incomplete assignments in accordance with the terms of this Agreement. Under no circumstances shall new assignments be given to the Contractor after expiration of contract. The Contractor shall be paid at under the established contract rates.

Note: This contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the contract shall not affect any project or Purchase Order that has been issued under the contract prior to the date of such termination. If the contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid

charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.

2.5 COST/INVOICING

The Bidder must complete a complete fee schedule (Appendix Z) in its entirety with their proposal. Prices set forth shall be the total amount that the State shall be obligated to pay the bidder, should they be awarded a contract. Refer to section 2.2.6 for additional information on the Collection Agencies Invoice and Payment Mechanism.

Prices bid shall be "all inclusive". All prices shall include all direct and indirect costs, including, but not limited to, Service agreements and licensing, implementation, direct labor costs, overhead, fee or profit, clerical support, equipment, materials, supplies, managerial (administrative) support, system maintenance, system trouble shooting and modifications, all documents, reports, forms, reproduction and any other costs.

Bidder may be disqualified if they include their pricing and fee schedule in the body of the proposal. When completing the Appendix Z Fee Schedule, if the Bidder proposes a zero-value fee for any Service line, that service line should be marked as zero and not left blank. Blank service lines will be evaluated as zero value fees and incorporated into the Contract as such.

Bidders are not to change, delete, or make any additions to the Appendix Z Fee Schedule, and are to supply only the bid information that is required. If any changes, deletions, or additions are made by the bidder, or if all of the required bid information is not provided, then at NYSIF's discretion, the bid may be disqualified.

Only percentages may be bid. Hourly rates or flat fees will not be allowed. Bidders that submit rates other than percentages will be deemed non-responsive. All fees are a percentage of amounts collected. This percentage will be fixed for the term of the agreement. No escalations allowed.

NYSIF uses electronic funds transfer for payments to contractors and vendors, consistent with the NYS Taxpayer Accountability Office initiative to reduce payment processing costs. NYSIF's EFT policy and Vendor Authorization form are located on [NYSIF's website](#).

2.6 SUBCONTRACTING

Bidders intending to subcontract portions of services under this procurement must complete and submit Appendix Y, "Subcontractor Utilization" with their bid. Prior to the commencement of the work to be performed by the successful Bidder, the Bidder must agree to the following provisions:

The Bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without the prior written approval of NYSIF. Approval shall not be unreasonably withheld upon written receipt of written request to subcontract.

The Bidder may arrange for a portion/s of its responsibilities under a Contract to be subcontracted to qualified, responsible subcontractors, subject to approval of NYSIF. If the Bidder determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance under the Contract must be fully explained by the Bidder to NYSIF. As part of this explanation, the subcontractor must submit to NYSIF a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form- Appendix V, as required by the Bidder prior to execution of a Contract.

The Bidder retains ultimate responsibility for all services performed under a Contract.

All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of the Contract. Unless waived in writing by NYSIF, all subcontracts between the Bidder and subcontractors shall expressly name NYS, through NYSIF, as the sole intended third party beneficiary of such subcontract. NYSIF reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make NYSIF or NYS a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against NYSIF.

NYSIF reserves the right, at any time during the term of the Contract, to verify that the written subcontract between the Bidder and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in the Contract.

The Bidder shall give NYSIF immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Bidder's duties under the Contract. Any subcontract shall not relieve the Bidder in any way of any responsibility, duty and/or obligation of the Contract.

If at any time during performance under the Contract total compensation to a subcontractor exceeds or is expected to exceed \$100,000, that subcontractor shall be required to submit and certify a Vendor Responsibility Questionnaire.

2.7 LOCATION AND TRAVEL

The rates provided in the Fee Schedule (Appendix Z) will be inclusive of all costs, including any and all travel expenses. For purposes of any contract resulting from this RFP, NYSIF will not be liable for any expense incurred by the Contractor for any parking fees or as a consequence of any traffic infraction or parking violations attributable to employees of the Contractor. It is understood that travel expenses are not allowed and will not be billed to NYSIF.

SECTION 3 – METHOD OF EVALUATION & CRITERIA

As required by New York State Finance Law §163, the award will be made on the basis of best value (the proposal which optimizes quality, cost and efficiency) to the responsive and responsible Bidder, as determined in the evaluation process. The contract will not be awarded solely on the basis of low bid. However, the Bidder with the low bid may be awarded the contract if it provides the best value, as defined above.

All proposals received will be reviewed and evaluated by a committee of NYSIF personnel. The committee will recommend the award be made to the Bidder whose proposal receives the highest overall evaluation score based on the criteria stated herein.

NYSIF reserves the right to award the contract based solely on section 3.1 below. However, NYSIF may request, at its sole discretion, that evaluators interview the Bidder's staff, as stated in section 3.2 below.

Bidder may be requested by NYSIF to clarify the contents of their proposals. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time.

The ability to perform the services is most important in evaluating proposals. The evaluation criteria are listed below in order of importance to NYSIF.

3.1 EVALUATION CRITERIA

The evaluation criteria will consist of three (3) separate parts: (1) a Technical Proposal, (2) a Financial Proposal, and (3) a Quantitative Factor for Business Certification as described below. Each component will be evaluated separately and independently in accordance with the RFP as further described below. The relative weights of each part of the Proposal are as follows:

1. Technical Proposal: 65%
2. Financial Proposal: 30%
3. Minority and Woman-Owned Business Enterprises (MWBE) Certification, Small Business Enterprise (SBE) status, Service Disabled Veteran Owned Business (SDVOB) Certification (per section 3.1.3): 5%

3.1.1 TECHNICAL

Capability of Bidder to perform the required services at the time of the bid, demonstrated ability to recruit and retain qualified staff for similar services, and the Bidder's experience in providing services of a similar scope. (65% of the overall score). This process consists of the following steps:

1. Pass / Fail Evaluation: the technical evaluation team will inspect each Technical Proposal to determine if it contains responses to all of the mandatory requirements as described in section 2.1 of the RFP. Additional information regarding Appendix T, Vendor Security Survey, is included below in Section 3.3.

Please Note: Should a Bidder fail to meet any of the mandatory requirements (section 2.1), the Bidder will be disqualified, and no further evaluation or

scoring will be completed.

2. Qualifications and Technical Evaluation: This phase of the Technical evaluation reviews the Bidders capability to meet NYSIF's needs as described in this RFP.

3.1.2 FINANCIAL EVALUATION

The Financial evaluation will be based upon a review of the Grand Total Cost of the Bidders Fee Schedule Proposal (Appendix Z), which details the total cost to provide all services listed within this RFP. (30% of the overall score)

3.1.3 QUANTITATIVE FACTOR FOR NYS CERTIFIED MINORITY AND WOMEN OWNED BUSINESSES, SMALL BUSINESSES, AND SERVICE DISABLED VETERAN OWNED BUSINESSES AS DEFINED IN NYS EXECUTIVE LAW

State Finance Law section 163(1)(j) allows, when making a Best Value determination, for the inclusion of a quantitative factor for Bidders that are Small Businesses, certified Minority or Women-owned Business Enterprises (MWBEs), or Service Disabled Veteran Owned Businesses (SDVOBs) as defined in subdivisions 310(7), 310(15), 310(20), and 369-H of NYS Executive Law.

In accordance with such authority, five percent (5%) of the overall evaluation scale (referred to herein as the "quantitative factor") will be awarded to any responsive Bidder who meets one of the following criteria (NOTE: Although a Bidder may meet more than one of the criteria, credit is to be awarded for only one category, not multiple categories):

- a. The bidder is a New York State Certified Minority- Owned Business Enterprise (MBE) as defined in Executive Law 310(7) *or*
- b. The bidder is a New York State Certified Woman- Owned Business Enterprise (WBE) as defined in Executive Law 310(15) *or*

3.1.4 EVALUATION PREROGATIVES

In addition, proposals will be evaluated for existing or potential conflicts of interest, for financial and operational stability, for adequacy and completeness, and to determine that all requirements of the RFP have been met. NYSIF reserves the right to disqualify a Bidder if, in NYSIF's sole opinion, the proposal does not pass the evaluation for any or all of the evaluation criteria.

For the purpose of insuring the completeness and comparability of offers, NYSIF reserves the right to analyze submissions and make adjustments or normalize submissions in the bid proposal, including the Bidder's technical assumptions, and underlying calculations and assumptions used to support the Bidder's computation of costs, or to apply such other methods, as it deems necessary to make level comparisons across bids.

3.2 PRESENTATION/INTERVIEW

NYSIF, at its own discretion, may require Bidders to attend an interview. NYSIF will select the top six (6) Bidders plus any vendors within 10% of the first-place Bidder, to attend an interview. The top Bidders will be determined by total score as outlined in section 3.1. NYSIF evaluators may use the information gathered during this process to revise the scores from the technical evaluation, based on the merits and clarifications provided.

NYSIF will provide a list of subjects to be covered in the presentation/interview and questions to be addressed. Presentations should include how the Bidder would perform the services required in the contract. Contributions of the proposed lead personnel should be included.

Presentations may be up to 45 minutes. Questions may be asked by the evaluation committee based on material covered in the presentation/interview and/or in the proposal.

Presentation/interviews will be conducted in New York City or Albany. It will be the responsibility of the Bidder to present the proposed staff at the scheduled time. Bidders will be responsible for any and all costs associated with the presentation. Appointments will be made at least one week prior to the scheduled presentation/interview date. NYSIF reserves the right to conduct interviews using remote video conferencing.

3.3 APPENDIX T, VENDOR SECURITY SURVEY

NYSIF will review and evaluate the bidder's response to Appendix T, NYSIF Vendor Security Survey as a Prequalification Criteria on a pass/fail basis. The minimum required implementation levels are defined in Appendix T, NYSIF Vendor Security Survey. Bidders who do not meet the minimum required implementation levels will be disqualified.

- a. **Pass:** Meets or exceeds minimum implementation levels
- b. **Fail:** Does not meet minimum implementation levels

NYSIF reserves the right to seek non-material clarifications to the bidder's IT Data Security procedures if determined to be in NYSIF's best interest.

The contract between NYSIF and the successful Bidder will not be binding until it has been approved by the New York State Attorney General and the New York State Comptroller.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the

State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to

the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION.

In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION.

In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties

relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor

Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction,

demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation; (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State. In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or

(b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors,

including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5))) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION

AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology

Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

23. COMPLIANCE WITH CONSULTANT

DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency

determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-benon-responsive-biddersofferers-pursuant-nys-iran-divestmentact-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default. The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

GENERAL**1. APPLICABILITY**

The terms and conditions set forth in this Appendix B are expressly incorporated in and applicable to the resulting procurement contracts let by NYSIF where incorporated by reference in its Bid Documents. Captions are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

2. GOVERNING LAW

This procurement, the resulting contract and any purchase orders issued hereunder shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise, and actions or proceedings arising from the contract shall be heard in a court of competent jurisdiction in the State of New York.

3. ETHICS COMPLIANCE

All Bidders/Contractors and their employees must comply with the requirements of §§ 73 and 74 of the Public Officers Law, other State codes, rules, regulations and executive orders establishing ethical standards for the conduct of business with New York State. In signing the Bid, Bidder certifies full compliance with those provisions for any present or future dealings, transactions, sales, contracts, services, offers, relationships, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the Bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

4. CONFLICT OF TERMS

Unless otherwise set forth in the procurement or contract documents, conflicts among documents shall be resolved in the following order of precedence:

- a. **Appendix A** Standard Clauses for NYS Contracts
- b. **Contract and other writing(s)** setting forth the final agreements, clarifications and terms between the Bid Documents and Contractor's Bid. Clarifications must be specifically noted in writing as to what was offered by the Contractor and what was accepted by the State. If not, such clarifications shall be considered last in the order of precedence under this paragraph.
- c. **Bid Documents** (Other than Appendix A).
- d. **Appendix B** (General Specifications).
- e. **Contractor's Bid or Proposal**.

BID SUBMISSION**5. NOTIFICATION TO ALL BIDDERS**

NYSIF is responsible for providing addenda or responding to questions from prospective Bidders. If it is necessary to revise the Bid Documents before the due date for bids, amendments will be posted on NYSIF's website: www.nysif.com/procurement.

By submitting a bid, Bidders are certifying they are qualified to perform the proposed work. Bidders shall have the necessary staff, equipment, compliance, etc. as set forth in the Bid Documents.

6. INTERNATIONAL BIDDING

All offers (tenders), and all information and Product required by the solicitation or provided as explanation thereof, shall be submitted in English. All prices shall be expressed, and all payments shall be made, in United States Dollars (\$US). Any offers (tenders) submitted which do not meet the above criteria will be rejected.

7. BID OPENING

Bids may, as applicable, be opened publicly. The Bid Opening procedure will be outlined and handled in accordance with the Bid Specifications. NYSIF reserves the right at any time to postpone or cancel a scheduled Bid opening.

8. BID SUBMISSION

All Bids are to be packaged, sealed and submitted in accordance with the Bid Specifications. Bidders are solely responsible for timely delivery of their Bids to the location set forth in the Bid Specifications prior to the stated Bid opening date and time. For the purposes of Bid Submission, "sealed bids" shall include bids submitted in an electronic format only if electronic format is listed as an acceptable means of bid submittal in the Bid Specifications. The timely submission of an electronic bid or offer must be in compliance with instructions provided within the Bid Specifications and shall be the sole responsibility of each Bidder.

In the event that a Bidder fails to provide such information on the electronic bid, return Bid envelope or shipping material, the receiving entity reserves the right to open the shipping package or envelope to determine the proper Bid number or Product group, and the date and time of Bid opening. Bidder shall have no claim against the receiving entity arising from such opening and such opening shall not affect the validity of the Bid or the procurement.

Notwithstanding the receiving agency's right to open a Bid to ascertain the foregoing information, Bidder assumes all risk of late delivery associated with the Bid not being identified, packaged or labeled in accordance with the foregoing requirements.

All Bids must be signed by a person authorized to commit the Bidder to the terms of the Bid Documents and the content of the Bid (offer).

9. LATE BIDS

For purposes of Bid openings held and conducted by NYSIF, a Bid must be received in such place as may be designated in the Bid Documents at or before the date and time established in the Bid Specifications for the Bid opening.

Any Bid received at the specified location after the time specified will be considered a late Bid. A late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of the Bid Documents are received or, (ii) in the case of a multiple award, an insufficient number of timely Bids were received to satisfy the multiple awards, and acceptance of the late Bid is in the best interests of NYSIF.

Bids submitted for continuous or periodic recruitment contract awards must meet the submission requirements associated with their specifications.

Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of NYSIF shall not excuse late Bid submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Bid submissions. Determinations by NYSIF relative to Bid timeliness shall be final.

10. BID CONTENTS

Bids must be complete and legible. All Bids must have original signatures or electronic signatures; however, where necessary documents must be notarized. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by NYSIF or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Bidders are cautioned to verify their Bids before submission, as amendments to Bids or requests for withdrawal of Bids received by NYSIF after the time specified for the Bid opening, will not be considered.

11. ERRORS AND OMISSIONS

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in Bid Documents, immediately notify one of the Designated Contacts of such error and request the clarification or modification thereof. Notice to NYSIF of any problems described above must be made in writing and received at NYSIF on or before the date and time shown as the final date for Bidder inquiries. Any modifications deemed necessary by NYSIF shall be given by written notice and posted on NYSIF's Procurement website (www.nysif.com/procurement).

If Bidder prior to the final filing date for submission of a bid, a Bidder fails to notify NYSIF of a known error or an error that reasonably should have been known, the Bidder shall assume the risk. If awarded the contract,

the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. EXTRANEOUS TERMS

Bids must conform to the terms set forth in the Bid Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Bid non-responsive and may result in rejection of the Bid.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

Only those extraneous terms that meet all the following requirements may be considered as having been submitted as part of the Bid:

- a. Each proposed extraneous term must be specifically enumerated in the "Comments and Limitations" section of the proposer's bid response; and
- b. The Bidder must identify the particular specification requirement (if any) that Bidder rejects or proposes to modify by inclusion of the extraneous term; and
- c. The Bidder shall enumerate the proposed addition, deletion, counter-offer, modification or deviation from the Bid Document, and the reasons therefore.

No extraneous term(s), whether or not deemed "material," shall be incorporated into a Contract or Purchase Order unless submitted in accordance with the above and NYSIF expressly accepts each such term(s) in writing. Acceptance and/or processing of the Bid shall not constitute such written acceptance of Extraneous Term(s).

13. CONFIDENTIAL/TRADE SECRET MATERIALS

Trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Bidder. Marking the Bid as "confidential" or "proprietary" on its face or in the document header or footer shall not be considered by NYSIF to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. Bidders/Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing at the time of submission, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

Contractor further warrants, covenants and represents that any confidential information obtained by Contractor, its agents, Subcontractors, officers, distributors, resellers or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the State or NYSIF hereunder or received from another third party, will not be divulged to any third parties. Contractor shall not be required to keep confidential any such material that is publicly available through no fault of Contractor, independently developed by Contractor without reliance on confidential information of NYSIF, or otherwise obtained under the Freedom of Information Act or other applicable New York State laws and regulations. This warranty shall survive termination of this Contract. Contractor further agrees to take appropriate steps as to its agents, Subcontractors, officers, distributors, resellers or employees regarding the obligations arising under this clause to insure such confidentiality.

14. RELEASE OF BID EVALUATION MATERIALS

Requests concerning the evaluation of Bids may be submitted under the Freedom of Information Law. Information, other than statistical or factual tabulations or data such as the Bid Tabulation, shall only be released as required by law after Contract award. Bid Tabulations are not maintained for all procurements.

Names of Bidders may be disclosed after Bid opening upon request. Written requests should be directed to contracts@nysif.com.

15. FREEDOM OF INFORMATION LAW

During the evaluation process, the content of each Bid will be held in confidence and details of any Bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Bid contains any such trade secret or proprietary information, a written request to NYSIF to not disclose such information must accompany the Bid. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Bid. Notations in the header, footer or watermark of the Bid Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or proprietary information. Where a Freedom of Information request is made for a trade secret or proprietary information, NYSIF reserves the right to determine upon written notice to the Bidder whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Bid tabulation is prepared and Bids publicly opened, such Bid tabulation shall be available upon request.

For additional information please see NYSIF's Freedom of Information Law [website](#). Freedom of Information Law requests must be submitted in accordance with the procedure established on the aforementioned website.

16. PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "Public Works" and "Building Services" - Definitions

- i. **Public Works** Labor Law Article 8 applies to contracts for public improvement in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts). The State, a public benefit corporation, a municipal corporation (including a school district), or a commission appointed by law must be a party to the Contract. The wage and hours provision applies to any work performed by Contractor or Subcontractors.
- ii. **Building Services** Labor Law Article 9 applies to Contracts for building service work over \$1,500 with a public agency, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. Prevailing Wage Rate Applicable to Bid Submissions A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified.

c. Wage Rate Payments/Changes During Contract Term The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. Public Posting & Certified Payroll Records In compliance with Article 8, § 220 of the New York State Labor Law:

- i. **Posting** The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

- ii. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over \$25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.
- iii. **Submission of Certified Payroll Transcripts for Public Works Contracts Only** Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to NYSIF that has prepared or directs the preparation of the plans and specifications for a public works project, as set forth in the Bid Specifications. For Mini-Bid solicitations, the payroll records must be submitted to the entity preparing the agency Mini-Bid project specification. For "agency specific" Bids, the payroll records should be submitted to the entity issuing the purchase order. For all other OGS Centralized Contracts, such records should be submitted to the individual agency issuing the purchase order(s) for the work. Upon mutual agreement of the Contractor and NYSIF, the form of submission may be submitted in a specified disk format acceptable to the Department of Labor provided: 1) the Contractor/Subcontractor retains the original records; and, (2) an original signed letter by a duly authorized individual of the Contractor or Subcontractor attesting to the truth and accuracy of the records accompanies the disk. This provision does not apply to Article 9 of the Labor Law building services contracts.
- iv. **Records Retention** Contractors and Subcontractors must preserve such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

Day's Labor Eight hours shall constitute a legal day's work for all classes of employees in this state except those engaged in farm and domestic service unless otherwise provided by law.

No laborers, workmen or mechanics in the employ of the Contractor, Subcontractor or other person doing or contracting to do all or part of the work contemplated by the Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five calendar days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. "Extraordinary emergency" shall be deemed to include situations in which sufficient laborers, workers and mechanics cannot be employed to carry on public work expeditiously as a result of such restrictions upon the number of hours and days of labor and the immediate commencement or prosecution or completion without undue delay of the public work is necessary, in the judgment of the NYS Commissioner of Labor, for the preservation of the Contract site or for the protection of the life and limb of the persons using the Contract site.

17. TAXES

- a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.
- b. Purchases made by NYSIF are exempt from New York State and local sales taxes and, with certain exceptions, federal excise taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by NYSIF or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to the State, an exempt organization under § 1116 (a) (1) of the Tax Law. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.
- c. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates and subcontractors for Contracts with a value greater than \$100,000 in accordance with provisions of the law.

18. EXPENSES PRIOR TO CONTRACT EXECUTION

NYSIF is not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid or best-and-final offers or for any work performed prior to Contract execution.

19. ADVERTISING RESULTS

The prior written approval of NYSIF is required in order for results of the Bid to be used by the Contractor as part of any commercial advertising. The Contractor shall also obtain the prior written approval of NYSIF relative to the Bid or Contract for press or other media releases.

20. PRODUCT REFERENCES

- a. **"Or Equal"** In all Bid Specifications the words "or equal" are understood to apply where a copyrighted, brand name, trade name, catalog reference, or patented Product is referenced. References to such specific Product are intended as descriptive, not restrictive, unless otherwise stated. Comparable Product will be considered if proof of compatibility is provided, including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. NYSIF's decision as to acceptance of the Product as equal shall be final.
- b. **Discrepancies in References** In the event of a discrepancy between the model number referenced in the Bid Specifications and the written description of the Product(s) which cannot be reconciled, with respect to such discrepancy, then the written description shall prevail.

21. REMANUFACTURED, RECYCLED, RECYCLABLE OR RECOVERED MATERIALS

Upon the conditions specified in the Bid Specifications and in accordance with the laws of the State of New York, Contractors are encouraged to use recycled, recyclable or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health, welfare, safety requirements or in the Bid Specifications. Contractors are further encouraged to offer remanufactured Products to the maximum extent practicable without jeopardizing the performance or intended end use of the Product and unless such use is precluded due to health, welfare, safety requirements or by the Bid Specifications. Where such use is not practical, suitable, or permitted by the Bid Specifications, Contractor shall deliver new materials in accordance with the "Warranties" set forth below.

Items with recycled, recyclable, recovered, refurbished or remanufactured content must be identified in the Bid or Bidder will be deemed to be offering new Product.

22. WARRANTIES

Where Contractor, product manufacturer or service provider generally offers additional or more advantageous warranties than set forth below, Contractor shall offer or pass through any such warranties to NYSIF. Contractor hereby warrants and represents:

- a. **Product Performance** Contractor warrants and represents that Products delivered pursuant to this Contract conform to the manufacturer's specifications, performance standards and documentation, and the documentation fully describes the proper procedure for using the Products.
- b. **Title and Ownership Warranty** Contractor warrants, represents and conveys (i) full ownership, clear title free of all liens, or (ii) the right to transfer or deliver perpetual license rights to any Products transferred to NYSIF under this Contract. Contractor shall be solely liable for any costs of acquisition associated therewith. Contractor fully indemnifies NYSIF for any loss, damages or actions arising from a breach of said warranty without limitation.
- c. **Contractor Compliance** Contractor represents and warrants to pay, at its sole expense, for all applicable permits, licenses, tariffs, tolls and fees; to give all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid/Contract and any applicable laws, including but not limited to, permits, insurance coverage, licensing, proof of coverage for worker's compensation and disability benefits (form C-105.2 and form DB-120.1, respectively), and shall provide such proof as required by NYSIF. Failure to do so may constitute grounds for NYSIF to cancel or suspend this Contract, in whole or in part, or to take any other action deemed necessary by NYSIF.
- d. **Product Warranty** Unless recycled or recovered materials are available in accordance with the "Remanufactured, Recycled, Recyclable or Recovered Materials" clause herein, Product offered shall be standard new equipment, current model or most recent release of regular stock product with all parts regularly used with the type of equipment offered; and no attachment or part has been substituted or applied contrary to the manufacturer's recommendations and standard practice.

Contractor further warrants and represents that components or deliverables specified and furnished by or through Contractor shall individually, and where specified and furnished as a system, be substantially uninterrupted or error-free in operation and guaranteed against faulty material and workmanship for the

warranty period, or for a minimum of one (1) year from the date of acceptance, whichever is longer ("Project warranty period"). During the Project warranty period, defects in the materials or workmanship of components or deliverables specified and furnished by or through Contractor shall be repaired or replaced by Contractor at no cost or expense to NYSIF. Contractor shall extend the Project warranty period for individual component(s), or for the System as a whole, as applicable, by the cumulative period(s) of time, after notification, during which an individual component or the System requires servicing or replacement (down time) or is in the possession of the Contractor, its agents, officers, Subcontractors, distributors, resellers or employees ("extended warranty").

Where Contractor, the Independent Software Vendor ("ISV"), or other third party manufacturer markets any Project Deliverable delivered by or through Contractor with a standard commercial warranty, such standard warranty shall be in addition to, and not relieve the Contractor from, Contractor's warranty obligations during the project warranty and extended warranty period(s). Where such standard commercial warranty covers all or some of the Project warranty or extended warranty period(s), Contractor shall be responsible for the coordination during the Project warranty or extended warranty period(s) with ISV or other third party manufacturer(s) for warranty repair or replacement of ISV or other third party manufacturer's Product.

Where Contractor, ISV or other third party manufacturer markets any Project Deliverable with a standard commercial warranty which goes beyond the Project warranty or extended warranty period(s), Contractor shall notify NYSIF and pass through the manufacturer's standard commercial warranty to NYSIF at no additional charge; provided, however, that Contractor shall not be responsible for coordinating services under the third party extended warranty after expiration of the Project warranty and extended warranty period(s).

- e. **Replacement Parts Warranty** If during the regular or extended warranty period's faults develop, the Contractor shall promptly repair or, upon demand, replace the defective unit or component part affected. All costs for labor, material and transportation incurred to repair or replace defective Product during the warranty period shall be borne solely by the Contractor; and NYSIF shall in no event be liable or responsible for such costs.

Any part of component replaced by the Contractor under the Contract warranty shall be replaced at no cost to NYSIF and guaranteed for the greater of: a) the warranty period under paragraph (d) above; or b) if a separate warranty for that part or component is generally offered by the manufacturer, the standard commercial warranty period offered by the manufacturer for the individual part or component.

- f. **Virus Warranty** The Contractor represents and warrants that Licensed Software contains no known viruses. Contractor is not responsible for viruses introduced at Licensee's site.
- g. **Date/Time Warranty** Contractor warrants that Product(s) furnished pursuant to this Contract shall, when used in accordance with the Product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a Contractor proposes or an acquisition requires that specific Products must perform as a package or system, this warranty shall apply to the Products as a system.

Where Contractor is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g., billing, invoicing, claim processing), Contractor warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of Contractor's business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. Contractor shall be responsible for damages resulting from any delays, errors or untimely performance resulting therefrom, including but not limited to the failure or untimely performance of such services.

This Date/Time Warranty shall survive beyond termination or expiration of this contract through: a) ninety (90) days or b) the Contractor's or Product manufacturer/developer's stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

- h. **Workmanship Warranty** Contract warrants that all components or deliverables specified and furnished by or through Contractor under the Project Definition/Work Order meet the completion criteria set forth

in the Project Definition/Work Order and any subsequent statement(s) of work, and that services will be provided in a workmanlike manner in accordance with industry standards.

- i. **Survival of Warranties** All warranties contained in this Contract shall survive the termination of this Contract.

23. PRODUCTS MANUFACTURED IN PUBLIC INSTITUTIONS

Bids offering Products that are manufactured or produced in public institutions will be rejected.

24. PRICING

- a. **Unit Pricing** If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of NYSIF, such unit pricing is obviously erroneous.
- b. **Net Pricing** Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.
- c. **"No Charge" Bid When** Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid "no charge" on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of NYSIF.
- d. **Third Party Financing** If Product acquisitions are financed through any third party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a "Consent & Acknowledgment Agreement" in a form acceptable to NYSIF.
- e. **Best Pricing Offer** During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of NYSIF, shall be immediately reduced to the lower price.
- f. **Price Decreases** Price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after:
 - i. **GSA Changes**: Where NYS Net Prices are based on an approved GSA Schedule, the date the approved GSA Schedule pricing decreases during the Contract term; or
 - ii. **Commercial Price List Reductions**: Where NYS Net Prices are based on a discount from Contractor's list prices, the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or

Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) without being in conflict with, or obligation to comply on a global basis, with the terms of this clause.

- g. **Best and Final Prices** as specified in the Bid Documents and Contract, a Contractor may be solicited at the time of issuance of a Purchase Order or Mini-Bid award for best and final pricing for the Product or service to be delivered. Contractors are encouraged to reduce their pricing upon receipt of such request.

25. DRAWINGS

- a. **Drawings Submitted with Bid** When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by NYSIF, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.
- b. **Drawings Submitted During the Contract Term** Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to NYSIF's representative.
- c. **Accuracy of Drawings Submitted** All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of product, connections and components. Drawings and diagrams

are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing product, services or installation, or carrying out any other requirements of the intended scope of work.

26. SITE INSPECTION

Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder's ability to properly deliver, install or otherwise provide the required Product/Services. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

27. SAMPLES

- a. **Standard Samples** Bid Specifications may indicate that the Product to be purchased must be equal to a standard sample on display in a place designated by NYSIF and such sample will be made available to the Bidder for examination prior to the opening date. Failure by the Bidder to examine such sample shall not entitle the Bidder to any relief from the conditions imposed by the Bid Specifications.
- b. **Bidder Supplied Samples** NYSIF reserves the right to request from the Bidder/Contractor a representative sample(s) of the Product offered at any time prior to or after award of a contract. Unless otherwise instructed, samples shall be furnished within the time specified in the request. Untimely submission of a sample may constitute grounds for rejection of Bid or cancellation of the Contract. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, any descriptive literature relating to the Product and a statement indicating how and where the sample is to be returned. Where applicable, samples must be properly labeled with the appropriate Bid or Contract reference.

A sample may be held by NYSIF during the entire term of the Contract and for a reasonable period thereafter for comparison with deliveries. At the conclusion of the holding period the sample, where feasible, will be returned as instructed by the Bidder, at the Bidder's expense and risk. Where the Bidder has failed to fully instruct NYSIF as to the return of the sample (i.e., mode and place of return, etc.) or refuses to bear the cost of its return, the sample shall become the sole property of the receiving entity at the conclusion of the holding period.

- c. **Enhanced Samples** When an approved sample exceeds the minimum specifications, all Product delivered must be of the same enhanced quality and identity as the sample. Thereafter, in the event of a Contractor's default, NYSIF may procure a Product substantially equal to the enhanced sample from other sources, charging the Contractor for any additional costs incurred.
- d. **Conformance with Sample(s)** Submission of a sample (whether or not such sample is tested by, or for, NYSIF) and approval thereof shall not relieve the Contractor from full compliance with all terms and conditions, performance related and otherwise, specified in the Bid Specifications. If in the judgment of NYSIF the sample or product submitted is not in accordance with the specifications or testing requirements prescribed in the Bid Specifications, NYSIF may reject the Bid. If an award has been made, NYSIF may cancel the Contract at the expense of the Contractor.
- e. **Testing** All samples are subject to tests in the manner and place designated by NYSIF, either prior to or after Contract award. Unless otherwise stated in the Bid Specifications, Bidder samples consumed or rendered useless by testing will not be returned to the Bidder. Testing costs for samples that fails to meet Contract requirements may be at the expense of the Contractor.

BID EVALUATION

28. BID EVALUATION

NYSIF reserves the right to accept or reject any and all Bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if NYSIF determines the best interests of the State will be served. NYSIF, in its sole discretion, may accept or reject illegible, incomplete or vague Bids and its decision shall be

final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the offer.

29. CONDITIONAL BID

Unless the Bid Specifications provides otherwise, a Bid is not rendered non-responsive if the Bidder specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Bid Documents.

30. CLARIFICATIONS/REVISIONS

Prior to award, NYSIF reserves the right to seek clarifications from Bidders on the contents of the bids/proposals. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time. Failure to provide requested information may result in rejection of the Bid.

31. PROMPT PAYMENT DISCOUNTS

While prompt payment discounts will not be considered in determining the low Bid, NYSIF may consider any prompt payment discount in resolving Bids which are otherwise tied. However, any notation indicating that the price is net, (e.g., net 30 days), shall be understood to mean only that no prompt payment discount is offered by the Bidder. The imposition of service, interest, or other charges, except pursuant to the provisions of Article 11-A of the State Finance Law, which are applicable in any case, may render the Bid non-responsive and may be cause for its rejection.

32. EQUIVALENT OR IDENTICAL BIDS

In the event two offers are found to be substantially equivalent, price shall be the basis for determining the award recipient. If two or more Bidders submit substantially equivalent Bids as to pricing or other factors, the decision of NYSIF to award a Contract to one or more of such Bidders shall be final.

33. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS

NYSIF reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Bidder/Contractor meet the requirements set forth in the Bid Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. A Bidder/Contractor must be prepared to present evidence of legal authority to do business in New York State, integrity, experience, ability, prior performance, organizational and financial capacity as well as where applicable, a statement as to supply, plant, machinery and capacity of the manufacturer or source for the production, distribution and servicing of the Product offered/Bid. If NYSIF determines that the conditions and terms of the Bid Documents, Bid Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, NYSIF may reject such Bid or terminate the Contract.

34. DISQUALIFICATION FOR PAST PERFORMANCE AND FINDINGS OF NON-RESPONSIBILITY

Bidder may be disqualified from receiving awards if Bidder, or anyone in Bidder's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts or is deemed non-responsive.

35. QUANTITY CHANGES PRIOR TO AWARD

NYSIF reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Bid Specifications. In the event such right is exercised, the lowest responsible Bidder meeting Bid Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Bid price in relation to the changed quantities. Refusal by the low Bidder to so extend or reduce its Bid price may result in the rejection of its Bid and the award of such Contract to the lowest responsible Bidder who accepts the revised qualifications.

36. TIMEFRAME FOR OFFERS

NYSIF reserves the right to make awards within one hundred eighty (180) days after the date of the Bid opening or such other period of time as set forth in the Bid Documents, during which period, Bids must remain firm and cannot be withdrawn. Pursuant to § 163(9)(e) of the State Finance Law and § 2-205 of the Uniform Commercial Code when applicable, where an award is not made within the one hundred eighty (180) day period or other time specified as set forth in the Bid Documents, the Bids shall remain firm until such later time as either a Contract is awarded or the Bidder delivers to NYSIF written notice of the withdrawal of its Bid. Any Bid which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of NYSIF, be accepted or rejected.

ADMINISTRATIVE**37. NYSIF PREROGATIVES**

The contract award is subject to the availability of funds. Moreover, NYSIF is not liable for any costs incurred by any firm for work performed to prepare its proposal or for any travel and/or other expenses incurred in the preparation and/or submission of its proposal or with respect to any presentation/interview that may be required by NYSIF. Further, NYSIF is not liable for any costs incurred by the successful Bidder for services performed or costs incurred until the contracting process has been completed and all required approvals obtained.

NYSIF reserves the right to exercise the following:

- a. Withdraw the IFB/RFP at any time, at NYSIF's sole discretion;
- b. Make an award under the IFB/RFP in whole or in part
- c. Reject any or all bids received in response to the solicitation;

- e. To not award a contract;
- f. Seek clarifications and revisions of proposals;
- g. Accept a bid for the contract other than the lowest cost;
- h. Make multiple contract awards pursuant to the solicitation;
- i. Waive any requirements that are not material;
- j. Eliminate mandatory requirements unmet by all Bidders;
- k. Change any of the scheduled dates;
- l. Waive or modify minor irregularities in bids received after prior notification to the Bidder;
- m. Consider modifications to bids at any time before the award is made, if such action is in the best interest of NYSIF;
- n. Amend and modify the specifications after their release and post to NYSIF's procurement website;
- o. Disqualify any Bidder whose conduct and/or proposal fails to conform to the requirements of the IFB/RFP;
- p. Reject/disqualify a bid if, in NYSIF's sole opinion, the bid price is determined to be excessive;
- q. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a Bidder's proposal and/or to determine an Bidder's compliance with the requirements of the solicitation;
- r. Use proposal information obtained through site visits, management interviews and the state's investigation of a Bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the Bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the IFB/RFP;
- s. Review Bidder's records used in determining bid;
- t. Require the Bidder to demonstrate to the satisfaction of NYSIF any feature(s) presented as a part of its bid;

- u.** Investigate or make any inquiry into the capabilities of any Bidder to properly perform under any resultant contract;
- v.** Make inquiries, at NYSIF's discretion and by means which it may choose, into the Bidder's background or statements made in the bid to determine the truth and accuracy of all statements made therein;
- w.** Adjust or correct Bidders' mathematical errors and waive or modify other minor irregularities in proposals received, after prior notification to the Bidder;
- x.** Request any additional information deemed necessary for proper evaluation of bids;
- y.** Adopt as NYSIF property all submitted bids and to use any portions thereafter which are not specifically noted as proprietary by the submitting firms;
- z.** Utilize any and all ideas submitted in the proposals received;
- aa.** Adopt all or any part of a Bidder's proposal in selecting the optimum configuration;
- bb.** In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken by NYSIF as if no delay in payment had occurred;
- cc.** Submission of an invoice and payment, or electronic transmission, thereof by NYSIF shall not preclude NYSIF from obtaining reimbursement or demanding a price adjustment in any case where the service delivered is found to deviate from the terms and conditions of the bid and award documents. Any delivery made which does not meet such terms and conditions may be rejected, or accepted on an adjusted price basis as may be determined by NYSIF;
- dd.** Reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of NYSIF. Options contained in this paragraph shall also be at NYSIF's sole discretion;
- ee.** Terminate the contract(s) if it deems the price adjustment pursuant to the solicitation or contract is not in the best interests of NYSIF or the State;
- ff.** Implement changes in price based on unforeseen factors such as dramatic changes in availability, delivery, costs, etc., for product, supplies, etc., that substantively affect the contractor's business processes or that may impact contract pricing. Such changes may be based on information from the U.S. Bureau of Labor Statistics, industry data, or other sources;
- gg.** After an unsuccessful attempt to speak with the contact person noted on the reference form, survey another person knowledgeable and familiar with the Bidder from the submitted reference due to time constraints;
- hh.** Review and consider other known clients of the Bidder in addition to those provided, including NYSIF, and to disqualify based on unsatisfactory reports and records of services provided;
- ii.** Reject all bids which do not comply with the bid specifications. However, NYSIF may elect to award to the Bidder who receives the highest overall combined evaluation score providing that the Bidder's non-compliance is deemed by NYSIF to be non-material to overall performance of the services;

- kk.** Evaluate, accept and/or reject any and all bids, in whole or in part, and waive technicalities, irregularities and omissions if, in NYSIF's considered judgment, the best interests of NYSIF will be served. Separable portions of offers may also be accepted or rejected. In the event compliant bids are not received, NYSIF reserves the right to consider late or non-conforming bids as offers;
- ll.** Stop the work covered by this solicitation and any contract(s) resulting there from at any time that it is deemed the successful Bidder is unable or incapable of performing the work to NYSIF's satisfaction;
- mm.** Disqualify a Bidder from receiving the award if the Bidder, or anyone in the Bidder's employ, has previously failed to perform satisfactorily in connection with public bidding or contracts;
- nn.** Negotiate with Bidders to serve the best interests of the State and NYSIF;

- oo.** Begin contract negotiations with another Bidder in order to serve the best interests of NYSIF in the event that NYSIF is unsuccessful in negotiating a contract with the selected Bidder;
- pp.** Split the contract between several Bidders;
- qq.** If a contract is not approved by the State Comptroller or the Department of Financial Services, where applicable, or if a contract is awarded but terminated within 120 days, NYSIF reserves the right to contract with the next lowest Bidder (IFB)/next highest ranking offer (RFP);
- rr.** If two or more bids are found to be substantially equivalent, NYSIF, at its sole discretion, will determine award;
- ss.** Unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 180 days from the bid opening;
- tt.** Accept or reject any of the Bidder's employees assigned to this contract and to require their replacement at any time;
- uu.** Consider amendments which are not specifically covered by the terms of the contract but are judged to be in the best interest of NYSIF and/or the State;
- vv.** Have any service completed via separate competitive bid or other means, as determined to be in the best interest of NYSIF;
- ww.** Adjust any Bidder's expected costs of the bid price based on a determination of the evaluation committee that the selection of then said Bidder will cause the State to incur additional costs.

38. NEW YORK STATE PROCUREMENT RIGHTS

To enable the State to acquire commodities, technology and services at the lowest price or best value from responsible and responsive bids, the State reserves the rights to:

- a.** Define requirements to meet Agency needs and to modify, correct and clarify requirements at any time during the process provided the changes are justified and maintain fairness in contracting with the business community;
- b.** Accept and/or reject any or all bids, and waive technicalities or portions of the bids in the best interest of the State;
- c.** Establish terms and conditions which must be met by all Bidders and/or, where permitted by the solicitation, eliminate mandatory requirements that are not met by any Bidder;
- d.** Establish, where permitted by solicitation, conditions under which the scope of the contract can be expanded and criteria for price increases or decreases during the contract period;
- e.** Award contracts for any or all parts of the bid solicitation in accordance with the Method of Award;

39. BIDDER CERTIFICATION REQUIREMENTS

Any company submitting a bid in response to this solicitation *must certify in writing* acceptance of the following contract conditions which relate to consideration of the bid:

- a.** NYSIF reserves the sole right of judgment and acceptance of a company's written bid.
- b.** The submitted bid must remain in effect for one hundred-eighty (180) days from the bidding deadline. However, a non-successful Bidder may withdraw its bid any time after the selection of the successful Bidder, upon written notice to NYSIF. Bidders whose bids have been rejected by NYSIF shall be notified of such rejection.
- c.** Compensation shall be paid by the State of New York, in accordance with its standard payment practices.

For any bid that includes services to be provided by subcontract with a third party, the Bidder will be responsible for the conduct and performance of the third party. NYSIF will consider the Bidder to be the prime contractor and the sole point of contact in regard to any contractual items specified or required in the bid documents.

The Bidder should obtain the consent of the proposed subcontractor and include it in the bid.

The bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without prior written approval of NYSIF. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

- g. The Bidder warrants that all information provided by it in connection with this bid is true and accurate.
- h. The Bidder agrees not to make any claims for or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any lack of information.
- i. The Bidder warrants that the prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor. Unless otherwise required by law, the Bidder certifies that the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to the opening, directly or indirectly, to any Bidder or competitor and no attempt has been made or will be made by the Bidder to induce any other person, partnership, or corporation to submit or not submit a bid for the purpose of restricting competition. In addition, a Bidder is prohibited from making multiple bids in a different form (e.g., as prime Bidder and as a subcontractor to another prime Bidder).
A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.
- j. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.
- k. The Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.

- l. The Bidder will conform to all provisions of Appendix A, *Standard Clauses for All New York State Contracts*.
- m. The Bidder agrees that no New York State or local sales tax, transportation tax or Federal excise tax will be charged on any part of this project since NYSIF is an agency of the State of New York and tax exempt by statute.

- n. The Bidder will save and hold harmless NYSIF and its management from all claims, suits, litigation and legal liability from any acts or omissions committed by the Bidder during the course of the contract.
- o. The contractor is an independent contractor of the State and may not hold itself out nor claim to be an officer, employee or subdivision of the State nor may contractor make any claim, demand or application to or for any right based upon any different status.
- p. Contractor represents and warrants that it shall secure all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract, at the contractor's expense. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid and Contract and any applicable laws, including but not limited to, permits, licensing, and shall provide such proof as required by NYSIF. Failure to comply or failure to provide proof may constitute grounds for NYSIF to cancel or suspend the Contract, in whole or in part, or to take any other action deemed necessary by NYSIF. Furthermore:
 - Contractor agrees to disclose information and provide affirmations and certifications to comply with §§ 139-j and 139-k of the State Finance Law.
 - Contractor agrees to cooperate with NYSIF's periodic risk assessment of Contractor and the continued adequacy of its cybersecurity practices, in accordance with 23 NYCRR 500.11(a)(4) of the *Cybersecurity Requirements for Financial Services Companies*, as promulgated by the Department of Financial Services.
- q. All contractors and contractor employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law, and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees, and governing the conduct of employees of firms, associations and corporations in business with the State. In signing the bid, each Bidder has guaranteed knowledge of and full compliance with those provisions for this and any other dealings, transactions, sales, contracts, services, offers or relationships involving the State and/or State employees. Failure to comply with those provisions may result in disqualification from the bidding process and other civil or criminal proceedings as required by law.
- r. As a general rule and in accordance with New York Public Officers law, former employees of NYSIF may neither appear nor practice before NYSIF, nor receive compensation for services rendered on a matter before NYSIF, for a period of two years following their separation from NYSIF. In addition, former NYSIF are subject to a "lifetime bar" from appearing before NYSIF receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with NYSIF.
- s. Bidder and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law; other laws applicable to the service of State employees; and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the "Ethics Requirements"). Bidder certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under this RFP or subsequent contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by Bidder or is Subcontractors and who is disqualified from providing services under the RFP or subsequent contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from a Contract. Bidder shall identify and provide the State with notice of those employees of Bidder and its Subcontractors who are former employees of the State that will be assigned to perform services under this RFP or subsequent Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that Bidder provide it with whatever information that State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be conflict with any of the Ethics Requirements. The State shall have the right to terminate the Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

- t.** Bidder hereby reaffirms the attestations made in its proposal and covenants, and represents that there is and shall be no actual or potential conflict of interest that could prevent Bidder's satisfactory or ethical performance of duties required to be performed pursuant to the terms of the RFP or subsequent Contract. Bidder shall have a duty to notify NYSIF immediately of any actual or potential conflicts.
- u.** If NYSIF impedes or causes any delay in the completion of the Contractor's work, then NYSIF should be notified immediately in writing of the delay and the reason(s) for such delay.
- v.** Tax Law 5-a is in effect for all solicitations to purchase issued by covered agencies on or after January 1, 2005. It applies to contracts where (1) the total amount of such persons' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates, subcontractors, or affiliates of subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made; and (2) the contracts or agreements with state agencies or public authorities for the sale of commodities or services having a value in excess of \$100,000. The law imposes upon certain contractors the obligation to certify whether or not the contract, its affiliates, its subcontractors and affiliates of the subcontractors are required to register to collect state sales and compensating use tax.
- w.** Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of a solicitation release through final award and approval of the Procurement Contract by NYSIF and, if applicable, Office of the State Comptroller or Department of Financial Services ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j (3)(a). Designated staff, as of the date hereof, is identified in the RFP/IFB (see INQUIRIES/ISSUING OFFICE/DESIGNATED CONTACT). NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award, and in the event there are two findings within a four-year period, the Bidder is debarred from obtaining governmental Procurement Contracts.
- x.** Bidder has provided "Appendix V – Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative attesting that the Bidder's performance of the services does not and will not create a conflict of interest with, nor position Bidder to breach any other contract currently in force with, the State of New York, and that Bidder will not act in any manner that is detrimental to any State of New York project on which Bidder is rendering services.
- y.** In conjunction with any subcontract under this RFP or subsequent Contract, the Bidder shall obtain and deliver to NYSIF, prior to entering into a subcontract, an "Appendix V- Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative of the subcontractor. Bidder shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to NYSIF a signed and completed Appendix V for each of its subcontractors prior to entering into a subcontract.
- z.** NYSIF and Bidder recognize that conflicts may occur in the future because the Bidder may have existing, or may establish new relationships. The NYSIF will review the nature of any relationships and reserves the right to terminate any contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.
- aa.** By submission of this bid, pursuant to NY State Finance Law § 139-L, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid and/or subcontracting each party thereto certifies as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment

training materials, and further guidance for employers, can be found online at the following URL:
<https://www.ny.gov/combating-sexual-harassment-workplace/employers>.

Pursuant to N.Y. State Finance Law § 139-L, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, NYSIF may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

The certification required above can be found on NYSIF's Bidder Certification Form, which Bidder must submit with its bid.

- b. **For Convenience:** This Contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. Contractor shall use due diligence and provide any outstanding deliverables.
- c. **For Non-Responsibility:** Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate NYSIF officials or staff, the contract may be terminated by NYSIF at the Contractor's expense where the Contractor is determined by NYSIF to be non-responsible. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.
- d. **For Violation of the Sections 139-j and 139-k of the State Finance Law:** NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

- b. For Non-Responsibility:** NYSIF, in its sole discretion, reserves the right to suspend any or all activities under this contract, at any time, when NYSIF discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Neither the Contractor nor NYSIF shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Notwithstanding the above, at the discretion of NYSIF where the delay or failure will significantly impair the value of the Contract to the State, NYSIF may:

- a.** Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to NYSIF with respect to Product subjected to allocation; and/or

- c.** Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, NYSIF reserves the right, in its sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of

**NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or owner's official representative authorized to legally bind the Reporting Entity must certify the truth of the questionnaire answers.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at ITServiceDesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <https://www.osc.state.ny.us/files/vendors/2017-11/vendor-questionnaire-definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor must read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered fully. Each response must provide all relevant information to appropriately explain the answer. If you have concerns as to the legal requirements behind your answers, please seek clarification from your counsel. However, information regarding a determination or finding made in error which was subsequently corrected or overturned, and/or was withdrawn by the issuing government entity is not required to be identified. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity, or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity. Please refer to the Definitions List for the complete definition.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

APPENDIX M

PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES: REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The NYS Insurance Fund (NYSIF) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR") for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the "Contractor" and the "Contract," respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to NYSIF, to fully comply and cooperate with NYSIF in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for New York State- certified minority and women-owned business enterprises ("MWBEs"). The Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section IV of this Appendix and such other remedies are available to NYSIF pursuant to the Contract and applicable law.

II. Contract Goals

- A. For purposes of this Contract, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set goals for participation by MWBE's as subcontractors, service providers and suppliers to Contractor. Contractor is however, encouraged to make every good faith effort to promote and assist the participation of MWBE's on this Contract for the provision of service and materials. The directory of New York State Certified MWBE's can be viewed at: <https://ny.newnycontracts.com>. Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.
- B. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that

shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract]

III. Equal Employment Opportunity ("EEO")

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- B. In performing the Contract, the Contractor shall:
 - 1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 - 2. The Contractor shall submit an EEO policy statement to NYSIF within seventy-two (72) hours after the date of the notice by NYSIF to award the Contract to the Contractor.
 - 3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, NYSIF may require the Contractor or subcontractor to adopt a model statement (see Form 106 – Equal Employment Opportunity Policy Statement).
 - 4. The Contractor's EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. ONLY FOR CONTRACTS WITH A TOTAL EXPENDITURE IN EXCESS OF \$250,000: The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Form 101 - Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal or within a reasonable time, as directed by NYSIF.

 2. Separate forms shall be completed by the Contractor and any subcontractors.
 3. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.

IV. MWBE Utilization Plan

- A. Where NYSIF determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to NYSIF liquidated damages.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by NYSIF, the Contractor shall pay such liquidated damages to NYSIF within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

On or after that date, in all cases where a contract is subject to Tax Law section 5-a, a contractor must file (1) Form ST-220-CA, *Contractor Certification to Covered Agency*, with a covered agency, and (2) Form ST-220-TD with the Tax Department before a contract may take effect. The circumstances when a contract is subject to section 5-a are listed in Publication 223, Q&A 3. See *Need help?* for more information on how to obtain this publication. In addition, a contractor must file a new Form ST-220-CA with a covered agency before an existing contract with such agency may be renewed.

Note: Form ST-220-CA must be signed by a person authorized to make the certification on behalf of the contractor, and the acknowledgement on page 2 of this form must be completed before a notary public.

When to complete this form

As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

- The procuring entity is a *covered agency* within the meaning of the statute (see Publication 223, Q&A 5);
- The contractor is a *contractor* within the meaning of the statute (see Publication 223, Q&A 6); and

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned *on or after April 26, 2006* (the effective date of the section 5-a amendments).

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES (SDVOB)

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), thereby further integrating such businesses into New York State's economy. NYSIF recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSIF contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

CONTRACT GOALS

For purposes of this procurement, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>.

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

SDVOB UTILIZATION PLAN

☐ Initial Plan ☐ Revised plan Contract/Solicitation # _____

INSTRUCTIONS: This Utilization Plan must contain a detailed description of the supplies and/or services to be provided by each NYS Certified Service-Disabled Veteran-Owned Business (SDVOB) under the contract. By submission of this Plan, the Bidder/Contractor commits to making good faith efforts in the utilization of SDVOB subcontractors and suppliers as required by the SDVOB goals contained in the Solicitation/Contract. Making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Firms that do not perform commercially useful functions may not be counted toward SDVOB utilization. Attach additional sheets if necessary.

| | Additional Information for Vendors: Since many systems don't come out-of-the-box secured, the purpose of this control is to maintain documented, standard security configuration standards for all authorized operating systems and software. Your organization should among others 1) create security baselines for every system using established resource; 2) use a rigorous configuration management and change control process; 3) use a compliant configuration monitoring system to verify all security configuration elements, catalog approved exceptions, and alert when unauthorized changes occur. | | | |
| MINIMUM REQUIRED LEVEL = PARTIALLY | | | | |

| | Continuously acquire, assess, and take action on new information in order to identify vulnerabilities, remediate, and minimize the window of opportunity for attackers. Additional Information for Vendors: Organizations that do not scan for vulnerabilities and proactively address discovered flaws face a significant likelihood of having their computer systems compromised. To achieve compliance with this control, you will need to show your organization has 1) implemented automated vulnerability scanning tools <u>(not to be confused with Anti-Virus scanning tools or a Penetration test)</u> against all systems on a weekly or more frequent basis, 2) deployed automated patch management & software update tools 3) routinely monitor event logs. | PLEASE RESPOND (Using Dropdown) | | |

| | The processes and tools used to track/control/prevent/correct the use, assignment, and configuration of administrative privileges on computers, networks, and applications. Additional Information for Vendors: The misuse of administrative privileges is a primary method for attackers to spread inside a target enterprise. Controls should be implemented by job role and follow the principles of least privilege to accomplish the job, change default passwords, use dedicated accounts with multi-factor authentication for elevated access and activities, logging and monitoring such access etc. | PLEASE RESPOND (Using Dropdown) | | |
| | MINIMUM REQUIRED LEVEL = PARTIALLY | | | |

| 7 | EMAIL AND WEB BROWSER PROTECTIONS | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| | Minimize the attack surface and the opportunities for attackers to manipulate human behavior through their interaction with web browsers and email systems. Additional Information for Vendors: Web browsers and email are easy entry points for attackers. Please: 1) demonstrate that only fully supported web browsers and email clients are allowed to execute in the organization; 2) implement Domain-based Message Authentication, Reporting and Conformance (DMARC) policy and verification, starting by implementing the Sender Policy Framework (SPF) and the Domain Keys Identified Mail (DKIM) standards for email security. | PLEASE RESPOND (Using Dropdown) | | |
| | MINIMUM REQUIRED LEVEL = PARTIALLY | | | |
| 8 | MALWARE DEFENSES | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |

| | | | | |
|---|--|---|--------------------------------|-----------------------------------|
| 10 | DATA RECOVERY CAPABILITY The processes and tools used to properly back up critical information with a proven methodology for timely recovery of it. Additional Information for Vendors: When systems get compromised, it can be extremely difficult for organizations without a trustworthy data recovery capability to remove all aspects of the attacker's presence on the machine. Please show 1) that all system data is automatically backed up on regular basis; 2) that each of the organization's key systems are backed up as a complete system, through processes such as imaging, to enable the quick recovery of an entire system. | RESPONSE PLEASE RESPOND (Using Dropdown) | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |

| 11 | SECURE CONFIGURATIONS FOR NETWORK DEVICES Establish, implement, and actively manage (track, report on, correct) the security configuration of network infrastructure devices using a rigorous configuration management and change control process in order to prevent attackers from exploiting vulnerable services and settings. Additional Information for Vendors: By default network infrastructure devices are not secured adequately. They are generally delivered with default configurations, open services and ports, default accounts or passwords, support for vulnerable protocols. Detail how you: 1) Compare all network device configuration against approved security configurations defined for each network device in use and alert when any deviations are discovered; 2) Manage all network devices using multi-factor authentication and encrypted sessions. | RESPONSE PLEASE RESPOND (Using Dropdown) | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| MINIMUM REQUIRED LEVEL = PARTIALLY | | | | |
| 12 | BOUNDARY DEFENSE Detect/prevent/correct the flow of information transferring networks of different trust levels with a focus on security-damaging data. Additional Information for Vendors: Traffic through network borders should be controlled and monitored for attacks and evidence of compromised machines. Boundary defenses should be multi-layered, relying on firewalls, proxies, Demilitarized Zone (DMZ) perimeter networks, and network-based intrusion detection and prevention systems. It is critical to filter both inbound and outbound traffic and require all remote login access to the organization's network to encrypt data and use multi-factor authentication. | RESPONSE PLEASE RESPOND (Using Dropdown) | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| MINIMUM REQUIRED LEVEL = PARTIALLY | | | | |
| 13 | DATA PROTECTION The processes and tools used to prevent data exfiltration, mitigate the effects of exfiltrated data, and ensure the privacy and integrity of sensitive information. Additional Information for Vendors: Ensuring that data is protected and not compromised can be achieved through data encryption, integrity protection and data loss prevention. Encrypt hard drives and if there is no business need, disable removable media such as USB, CD, DVDs etc... If removable media is required, all data stored on such devices must be encrypted while at rest. | RESPONSE PLEASE RESPOND (Using Dropdown) | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| MINIMUM REQUIRED LEVEL = PARTIALLY | | | | |
| 14 | CONTROLLED ACCESS BASED ON THE NEED TO KNOW The processes and tools used to track/control/prevent/correct secure access to critical assets (e.g., information, resources, systems) according to the formal determination of which persons, computers, and applications have a need and right to access these critical assets based on an approved classification. | RESPONSE PLEASE RESPOND (Using Dropdown) | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |

| 17 | SECURITY SKILLS ASSESSMENT AND TRAINING | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| | For all functional roles in the organization (prioritizing those mission- critical to the business and its security), identify the specific knowledge, skills, and abilities needed to support defense of the enterprise; develop and execute an integrated plan to assess, identify gaps, and remediate through policy, organizational planning, training, and awareness programs. | PLEASE RESPOND (Using Dropdown) | | |
| | MINIMUM REQUIRED LEVEL = PARTIALLY | | | |
| 18 | APPLICATION SOFTWARE SECURITY | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| | Manage the security life cycle of all in-house developed and acquired software in order to prevent, detect, and correct security weaknesses. | PLEASE RESPOND (Using Dropdown) | | |
| | MINIMUM REQUIRED LEVEL = PARTIALLY | | | |
| 19 | INCIDENT RESPONSE AND MANAGEMENT | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
| | Protect the organization's information, as well as its reputation, by developing and implementing an incident response infrastructure (e.g., plans, defined roles, training, communications, management oversight) for quickly discovering an attack and then effectively containing the damage, eradicating the attacker's presence, and restoring the integrity of the network and systems. Additional Information for Vendors: Without an incident response plan, an organization may not discover an attack in the first place, or, if the attack is detected, the organization may not follow good procedures to contain damage, eradicate the attacker's presence, and recover in a secure fashion. An effective incident response plan is a written document that defines roles of personnel as well as phases of incident handling/management. It also assembles and maintains information on third-party contact information to be used to report a security incident, such as Law Enforcement, relevant government departments, vendors etc. Provide details about your organization's Incident Response Plan. | PLEASE RESPOND (Using Dropdown) | | |
| | MINIMUM REQUIRED LEVEL = PARTIALLY | | | |

| 20 | PENETRATION TESTS | RESPONSE | EXPLANATION OF CONTROLS | SUBSTANTIATING DOCUMENT(S) |
|----|--|--|-------------------------|----------------------------|
| | <p>Test the overall strength of an organization's defenses (the technology, the processes, and the people) by simulating the objectives and actions of an attacker.</p> <p>NOTE: An annual Penetration Test is a requirement for doing business with NYSIF. (A Statement of Work may be used to continue through the contract execution process.) Upon award Firm(s) will be required to provide Penetration Test documentation of test performed within the last 12-months. No work will be provided under the contract until this requirement has been satisfied.</p> <p>Additional Information for Vendors:</p> <p>1. What is a Penetration Test – A penetration test is an authorized security attack where certified skilled cyber security experts attempt to find and exploit vulnerabilities in your organization's computer systems or network. The test identifies any loopholes or weaknesses you may have. <u>This should not be confused with vulnerability assessments which may be part of a penetration test but not a substitute for it.</u></p> <p>2. The Importance of a Penetration Test - The test is a simulated attack to identify any weaknesses in a system's defenses that attackers could take advantage of. This is so any information, especially sensitive information is not stolen by a hacker. Penetration testing leverages many of the previous controls and provides feedback to help remediate vulnerabilities discovered during the test.</p> <p>3. Why NYSIF requires the test - NYSIF requires a penetration test as it helps vendors uncover any hidden vulnerabilities which help identify and validate any security loopholes in their systems.</p> <p>4. What is acceptable Penetration Test Documentation VS. Not acceptable - A penetration test is done by a certified skilled professional. Documentation should provide evidence of a completed penetration test such as: A report with findings and remediations, or an Executive Summary, or an Attestation letter from the testing company. The primary components of a Penetration Test are: a) Network Testing. b) Cloud, Web and Mobile Application Testing (Where Applicable). c) Vulnerability Scanning. d) Exploitation. e) Remediation Plan.</p> <p>5. Additional information a) The length of the penetration testing engagement depends on the type of testing and can take an average of 1 - 4 weeks not including the planning stages which could extend out to months depending on the activities the pen tester needs to perform. b) Getting a comprehensive risk picture of your company gives you an opportunity to map the identified vulnerabilities and exploits and give a summary of those risks that would have any threats materialize. c) Effectively finding and fixing any security issues should include collaboration and communication with product, security, and development teams to leverage the vulnerabilities found on the external assets.</p> | <p>PLEASE RESPOND (Using Dropdown)</p> | | |
