SECTION 1 – GENERAL INFORMATION

1.1 OVERVIEW OF THE NEW YORK STATE INSURANCE FUND

The New York State Insurance Fund (NYSIF) was established in 1914 as part of the original enactment of the New York State Workers' Compensation Law. NYSIF's mission is to guarantee the availability of workers' compensation insurance at the lowest possible cost to New York employers and to provide timely, appropriate indemnity and medical payments to injured workers, while maintaining a solvent fund. Since inception, NYSIF has fulfilled the dual roles for which it was created: to compete with other carriers to ensure a fair marketplace and to be a guaranteed source of coverage for employers who cannot secure coverage elsewhere.

NYSIF is the largest workers' compensation carrier in New York State and among the top 10 largest workers' compensation carriers in the nation, insuring approximately 139,000 policyholders, with more than \$1.8 billion in annual earned premium and over \$22 billion in assets. A self-supporting insurance carrier, NYSIF operates without taxpayer funding.

In addition to workers' compensation insurance, NYSIF provides disability benefits coverage for off-the-job injuries to more than 56,000 New York employers. In 2018, NYSIF added paid family leave as a component of its disability benefits product, providing New Yorkers with job-protected, paid time away from work to care for their families.

SECTION 3 – METHOD OF EVALUATION & CRITERIA

The award for this Solicitation will be made in accordance with New York State Workers Compensation Law §81. The evaluation of Bids will be made on the basis of best value (optimizing quality, cost and efficiency). The Bid Award will not be awarded solely on the basis of low bid. However, the Bidder with the low bid may be provided with the Bid Award if it the Bid is determined to be in the best interest of NYSIF.

All proposals received will be reviewed and evaluated by a committee. At the conclusion of the evaluation process, the highest ranked property in each Category will be presented for consideration of a Bid Award.

NYSIF reserves the right to issue a Bid Award based solely on section 3.1 below. However, NYSIF may request, at its sole discretion, that evaluators interview the Bidder's staff, as stated in section 3.2 below.

Bidder may be requested by NYSIF to clarify the contents of their Bids. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its Bid or add new information after the final filing date and time.

A Property that best meets NYSIF's operational needs, agency objectives, and long-term strategic considerations will be deemed most important in evaluating and final selection of a Bid. The evaluation criteria are listed below in order of importance to NYSIF.

3.1 EVALUATION CRITERIA

The evaluation criteria will consist of two (2) separate parts: (1) a Technical Proposal, and (2) a Financial Proposal. Each component will be evaluated separately and independently in accordance with the Solicitation as further described below. The relative weights of each part of the Proposal are as follows:

1. Technical Proposal: 85%
2. Financial Proposal: 15%

3.1.1 TECHNICAL

Capability of Bidder to perform the required services at the time of the Bid, demonstrated ability to recruit and retain qualified staff for similar services, and the Bidder's experience in providing services of a similar scope. Includes references for Bidder and Bidder's liaison to NYSIF. (85% of the overall score). This process consists of the following steps:

1. **Pass / Fail Evaluation:** the technical evaluation team will inspect each Technical Proposal to determine if it contains responses to all of the mandatory requirements as described in section 2.1 of this Solicitation.

Please Note: Should a Bidder propose multiple Properties as part of its Bid, each Property is evaluated separately. Should one of the properties proposed by the Bidder fail to meet any of the mandatory requirements (section 2.1), the that specific Property will be disqualified, and no further evaluation or scoring will be completed on the Property.

2. **Qualifications and Technical Evaluation:** This phase of the Technical evaluation reviews the proposed Property against NYSIF's needs as described in this Solicitation.
3. **Property Site Inspection & Report:** NYSIF and/or NYSIF's Real Estate Representative will complete Site Inspections of the proposed Property(ies) to evaluate and/or verify Property information. The Site Inspection may also be used to verify that the proposed Property meets NYSIF's minimum mandatory requirements.

If the proposed Property does not meet NYSIF's minimum mandatory requirements, that Property will be disqualified, and no further evaluation or scoring will be completed on that Property.

3.1.2 FINANCIAL EVALUATION

The Financial evaluation will be based upon a review of the Grand Total Cost of the Bidders' Fee Schedule Proposal (Appendix Z), which details the total cost to provide all services listed within this Solicitation. (15% of the overall score)

3.1.3 EVALUATION PREROGATIVES

In addition, Bids will be evaluated for existing or potential conflicts of interest, for financial and operational stability, for adequacy and completeness, and to determine that all requirements of the Solicitation have been met. NYSIF reserves the right to disqualify a Bidder if, in NYSIF's sole opinion, the Bid does not pass the evaluation for any or all of the evaluation criteria.

For the purpose of ensuring the completeness and comparability of offers, NYSIF reserves the right to analyze submissions and make adjustments or normalize submissions in the Bid, including the Bidder's technical assumptions, and underlying calculations and assumptions used to support the Bidder's computation of costs, or to apply such other methods, as it deems necessary to make level comparisons across bids.

3.2 PRESENTATION/INTERVIEW

NYSIF, at its own discretion, may require Bidders to attend an interview. NYSIF reserves the right to hold interviews for select Categories depending upon NYSIF's needs. NYSIF evaluators may use the information gathered during this process to revise the scores from the technical evaluation, based on the merits and clarifications provided.

NYSIF will provide a list of subjects to be covered in the presentation/interview and questions to be addressed. Presentations should include how the Bidder would perform the services required in the contract. Contributions of the proposed lead personnel should be included.

Presentations may be up to 45 minutes. Questions may be asked by the evaluation committee based on material covered in the presentation/interview and/or in the Bid.

Presentation/interviews will be conducted in Albany. It will be the responsibility of the Bidder to present the proposed staff at the scheduled time. Bidders will be responsible for any and all costs associated with the presentation. Appointments will be made at least one week prior to the

scheduled presentation/interview date. NYSIF reserves the right to conduct interviews using remote video teleconferencing.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE.

In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE.

In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. WORKERS' COMPENSATION BENEFITS.

In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

4. NON-DISCRIMINATION REQUIREMENTS.

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

5. WAGE AND HOURS PROVISIONS.

If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered

by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

6. NON-COLLUSIVE BIDDING CERTIFICATION.

In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

7. INTERNATIONAL BOYCOTT PROHIBITION.

In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

8. SET-OFF RIGHTS.

The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

9. RECORDS.

The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said

records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

10. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

- (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.
- (b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

11. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;
- (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the

implementation of the Contractor's obligations herein; and

- (c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

25. IRAN DIVESTMENT ACT.

By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance,

recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

26. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

GENERAL**1. APPLICABILITY**

The terms and conditions set forth in this NYSIF Exhibit B are expressly incorporated in and applicable to the resulting procurement contracts let by NYSIF where incorporated by reference in its Bid Documents. Captions are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

2. GOVERNING LAW

This procurement, the resulting contract and any purchase orders issued hereunder shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise, and actions or proceedings arising from the contract shall be heard in a court of competent jurisdiction in the State of New York.

3. ETHICS COMPLIANCE

All Bidders/Contractors and their employees must comply with the requirements of §§ 73 and 74 of the Public Officers Law, other State codes, rules, regulations and executive orders establishing ethical standards for the conduct of business with New York State. In signing the Bid, Bidder certifies full compliance with those provisions for any present or future dealings, transactions, sales, contracts, services, offers, relationships, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the Bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

4. CONFLICT OF TERMS

Unless otherwise set forth in the procurement or contract documents, conflicts among documents shall be resolved in the following order of precedence:

- a. **NYSIF Exhibit A** Standard Clauses
- b. **Contract and other writing(s)** setting forth the final agreements, clarifications and terms between the Bid Documents and Contractor's Bid. Clarifications must be specifically noted in writing as to what was offered by the Contractor and what was accepted by the State. If not, such clarifications shall be considered last in the order of precedence under this paragraph.
- c. **Bid Documents** (Other than Exhibit A).
- d. **NYSIF Exhibit B** (General Specifications).
- e. **Contractor's Bid or Proposal**.

BID SUBMISSION**5. NOTIFICATION TO ALL BIDDERS**

NYSIF is responsible for providing addenda or responding to questions from prospective Bidders. If it is necessary to revise the Bid Documents before the due date for bids, amendments will be posted on NYSIF's website: www.nysif.com/procurement.

By submitting a bid, Bidders are certifying they are qualified to perform the proposed work. Bidders shall have the necessary staff, equipment, compliance, etc. as set forth in the Bid Documents.

6. INTERNATIONAL BIDDING

All offers (tenders), and all information and Product required by the solicitation or provided as explanation thereof, shall be submitted in English. All prices shall be expressed, and all payments shall be made, in United States Dollars (\$US). Any offers (tenders) submitted which do not meet the above criteria will be rejected.

7. BID OPENING

Bids may, as applicable, be opened publicly. The Bid Opening procedure will be outlined and handled in accordance with the Bid Specifications. NYSIF reserves the right at any time to postpone or cancel a scheduled Bid opening.

8. BID SUBMISSION

All Bids are to be packaged, sealed and submitted in accordance with the Bid Specifications. Bidders are solely responsible for timely delivery of their Bids to the location set forth in the Bid Specifications prior to the stated Bid opening date and time. For the purposes of Bid Submission, "sealed bids" shall include bids submitted in an electronic format only if electronic format is listed as an acceptable means of bid submittal in the Bid Specifications. The timely submission of an electronic bid or offer must be in compliance with instructions provided within the Bid Specifications and shall be the sole responsibility of each Bidder.

In the event that a Bidder fails to provide such information on the electronic bid, return Bid envelope or shipping material, the receiving entity reserves the right to open the shipping package or envelope to determine the proper Bid number or Product group, and the date and time of Bid opening. Bidder shall have no claim against the receiving entity arising from such opening and such opening shall not affect the validity of the Bid or the procurement.

Notwithstanding the receiving agency's right to open a Bid to ascertain the foregoing information, Bidder assumes all risk of late delivery associated with the Bid not being identified, packaged or labeled in accordance with the foregoing requirements.

All Bids must be signed by a person authorized to commit the Bidder to the terms of the Bid Documents and the content of the Bid (offer).

9. LATE BIDS

For purposes of Bid openings held and conducted by NYSIF, a Bid must be received in such place as may be designated in the Bid Documents at or before the date and time established in the Bid Specifications for the Bid opening.

Any Bid received at the specified location after the time specified will be considered a late Bid. A late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of the Bid Documents are received or, (ii) in the case of a multiple award, an insufficient number of timely Bids were received to satisfy the multiple awards; and acceptance of the late Bid is in the best interests of NYSIF. Bids submitted for continuous or periodic recruitment contract awards must meet the submission requirements associated with their specifications. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of NYSIF shall not excuse late Bid submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Bid submissions. Determinations by NYSIF relative to Bid timeliness shall be final.

10. BID CONTENTS

Bids must be complete and legible. All Bids must have original signatures or electronic signatures; however, where necessary documents must be notarized. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by NYSIF or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Bidders are cautioned to verify their Bids before submission, as amendments to Bids or requests for withdrawal of Bids received by NYSIF after the time specified for the Bid opening, will not be considered.

11. ERRORS AND OMISSIONS

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in Bid Documents, immediately notify one of the Designated Contacts of such error and request the clarification or modification thereof. Notice to NYSIF of any problems described above must be made in writing and received at NYSIF on or before the date and time shown as the final date for Bidder inquiries. Any modifications deemed

necessary by NYSIF shall be given by written notice and posted on NYSIF's Procurement website (www.nysif.com/procurement).

If prior to the final filing date for submission of a bid, a Bidder fails to notify NYSIF of a known error or an error that reasonably should have been known, the Bidder shall assume the risk. If awarded the contract, the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. EXTRANEIOUS TERMS

Bids must conform to the terms set forth in the Bid Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Bid non-responsive and may result in rejection of the Bid.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

Only those extraneous terms that meet all the following requirements may be considered as having been submitted as part of the Bid:

- a. Each proposed extraneous term must be specifically enumerated in the "Comments and Limitations" section of the proposer's bid response; and
- b. The Bidder must identify the particular specification requirement (if any) that Bidder rejects or proposes to modify by inclusion of the extraneous term; and
- c. The Bidder shall enumerate the proposed addition, deletion, counteroffer, modification or deviation from the Bid Document, and the reasons therefore.

No extraneous term(s), whether or not deemed "material," shall be incorporated into a Contract or Purchase Order unless submitted in accordance with the above and NYSIF expressly accepts each such term(s) in writing. Acceptance and/or processing of the Bid shall not constitute such written acceptance of Extraneous Term(s).

13. CONFIDENTIAL/TRADE SECRET MATERIALS

Trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Bidder. Marking the Bid as "confidential" or "proprietary" on its face or in the document header or footer shall not be considered by NYSIF to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. Bidders/Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing at the time of bid submission, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

Contractor further warrants, covenants and represents that any confidential information obtained by Contractor, its agents, Subcontractors, officers, distributors, resellers or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the State or NYSIF hereunder or received from another third party, will not be divulged to any third parties. Contractor shall not be required to keep confidential any such material that is publicly available through no fault of Contractor, independently developed by Contractor without reliance on confidential information of NYSIF, or otherwise obtained under the Freedom of Information Act or other applicable New York State laws and regulations. This warranty shall survive termination of this Contract. Contractor further agrees to take appropriate steps as to its agents, Subcontractors, officers, distributors, resellers or employees regarding the obligations arising under this clause to insure such confidentiality.

14. RELEASE OF BID EVALUATION MATERIALS

Requests concerning the evaluation of Bids may be submitted under the Freedom of Information Law. Information, other than statistical or factual tabulations or data such as the Bid Tabulation, shall only be released as required by law after Contract award. Bid Tabulations are not maintained for all procurements. Names of Bidders may be disclosed after Bid opening upon request. Written requests should be directed to contracts@nysif.com.

15. FREEDOM OF INFORMATION LAW

During the evaluation process, the content of each Bid will be held in confidence and details of any Bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Bid contains any such trade secret or proprietary information, a written request to NYSIF to not disclose such information must accompany the Bid. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Bid. Notations in the header, footer or watermark of the Bid Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or proprietary information. Where a Freedom of Information request is made for a trade secret or proprietary information, NYSIF reserves the right to determine upon written notice to the Bidder whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Bid tabulation is prepared and Bids publicly opened, such Bid tabulation shall be available upon request.

For additional information please see NYSIF's Freedom of Information Law [website](#). Freedom of Information Law requests must be submitted in accordance with the procedure established on the aforementioned website.

16. PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

If any portion of work being solicited is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

- a. **PREVAILING WAGE RATE APPLICABLE TO BIDS** A copy of the applicable prevailing wage rate schedule is incorporated into the Solicitation and may also be obtained by visiting www.labor.ny.gov and typing in the search box: Prevailing Wage Schedule Request. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (e.g., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rates for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified.
- b. **WAGE RATE PAYMENTS/CHANGES DURING CONTRACT TERM** The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the prevailing wage rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term for its employees as required by law and is responsible for ensuring any Subcontractors utilized on the Contract also comply with the prevailing wage provisions of the New York State Labor Law.
- c. **ARTICLE 8 CONSTRUCTION/PUBLIC WORKS CONTRACTS** In compliance with Article 8, Section 220 of the New York State Labor Law:
 - i. **Posting** The Contractor must publicly post on the work Site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.
 - ii. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works

contracts over \$25,000 where the Contractor maintains no regular place of business in the State, such records must be kept at the work Site. For building services contracts, such records must be kept at the work Site while work is being performed.

- iii. **Submission of Certified Payroll Transcripts for Public Works Contracts Only** Contractors and Subcontractors on public works Contracts must submit monthly payroll transcripts to the Authorized User issuing the Purchase Order for the work. This provision does not apply to Article 9 of the Labor Law building services contracts.
 - iv. **Day's Labor** No laborers, workmen or mechanics in the employ of the Contractor, Subcontractor or other person doing or contracting to do all or part of the work contemplated by the Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five calendar days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. "Extraordinary emergency" shall be deemed to include situations in which sufficient laborers, workers and mechanics cannot be employed to carry on public work expeditiously as a result of such restrictions upon the number of hours and days of labor and the immediate commencement or prosecution or completion without undue delay of the public work is necessary in the judgment of the NYS Commissioner of Labor for the preservation of the Contract Site or for the protection of the life and limb of the persons using the Contract Site.
- d. **ARTICLE 9 BUILDING SERVICES CONTRACTS** In compliance with Article 9, Section 230 of the New York State Labor Law:
- i. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. Where the Contractor or Subcontractor maintains no regular place of business in New York State, such records must be kept at the work Site while work is being performed.
 - ii. **Overtime** Employees of Contractors and Subcontractors who work in excess of eight hours in a day or forty hours in a week shall be paid at the overtime rate identified by the New York State Department of Labor.

17. TAXES

- a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.
- b. Purchases made by NYSIF are exempt from New York State and local sales taxes and, with certain exceptions, federal excise taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by NYSIF or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to the State, an exempt organization under § 1116 (a) (1) of the Tax Law. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.
- c. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates, and subcontractors for Contracts with a value greater than \$100,000 in accordance with provisions of the law.

18. EXPENSES PRIOR TO CONTRACT EXECUTION

NYSIF is not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid or best-and-final offers or for any work performed prior to Contract execution.

19. ADVERTISING RESULTS

The prior written approval of NYSIF is required in order for results of the Bid to be used by the Contractor as part of any commercial advertising. The Contractor shall also obtain the prior written approval of NYSIF relative to the Bid or Contract for press or other media releases.

20. PRODUCT REFERENCES

- a. **"Or Equal"**: In all Bid Specifications the words "or equal" are understood to apply where a copyrighted, brand name, trade name, catalog reference, or patented Product is referenced. References to such specific Product are intended as descriptive, not restrictive, unless otherwise stated. Comparable Product will be considered if proof of compatibility is provided, including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. NYSIF's decision as to acceptance of the Product as equal shall be final.
- b. **Discrepancies in References**: In the event of a discrepancy between the model number referenced in the Bid Specifications and the written description of the Products which cannot be reconciled, with respect to such discrepancy, then the written description shall prevail.

21. REMANUFACTURED, RECYCLED, RECYCLABLE OR RECOVERED MATERIALS

Upon the conditions specified in the Bid Specifications and in accordance with the laws of the State of New York, Contractors are encouraged to use recycled, recyclable or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health, welfare, safety requirements or in the Bid Specifications. Contractors are further encouraged to offer remanufactured Products to the maximum extent practicable without jeopardizing the performance or intended end use of the Product and unless such use is precluded due to health, welfare, safety requirements or by the Bid Specifications. Where such use is not practical, suitable, or permitted by the Bid Specifications, Contractor shall deliver new materials in accordance with the "Warranties" set forth below.

Items with recycled, recyclable, recovered, refurbished or remanufactured content must be identified in the Bid or Bidder will be deemed to be offering new Product.

22. WARRANTIES

Where Contractor, product manufacturer or service provider generally offers additional or more advantageous warranties than set forth below, Contractor shall offer or pass through any such warranties to NYSIF. Contractor hereby warrants and represents:

- a. **Product Performance**: Contractor warrants and represents that Products delivered pursuant to this Contract conform to the manufacturer's specifications, performance standards and documentation, and the documentation fully describes the proper procedure for using the Products.
- b. **Title and Ownership Warranty**: Contractor warrants, represents and conveys (i) full ownership, clear title free of all liens, or (ii) the right to transfer or deliver perpetual license rights to any Products transferred to NYSIF under this Contract. Contractor shall be solely liable for any costs of acquisition associated therewith. Contractor fully indemnifies the NYSIF for any loss, damages or actions arising from a breach of said warranty without limitation.
- c. **Contractor Compliance**: Contractor represents and warrants to pay, at its sole expense, for all applicable permits, licenses, tariffs, tolls and fees to give all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of the Commissioner that it meets or exceeds all requirements of the Bid/Contract and any applicable laws, including but not limited to, permits, insurance coverage, licensing, proof of coverage for worker's compensation and disability benefits (form C-105.2 and form DB-120.1, respectively), and shall provide such proof as required by the Commissioner. Failure to do so may constitute grounds for the Commissioner to cancel or suspend this Contract, in whole or in part, or to take any other action deemed necessary by the Commissioner.
- d. **Product Warranty**: Unless recycled or recovered materials are available in accordance with the "Recycled or Recovered Materials" clause herein, Product offered shall be standard new equipment, current model or most recent release of regular stock product with all parts regularly used with the type of equipment offered; and no attachment or part has been substituted or applied contrary to the manufacturer's recommendations and standard practice.

Contractor further warrants and represents that components or deliverables specified and furnished by or through Contractor shall individually, and where specified and furnished as a system, be substantially uninterrupted or error-free in operation and guaranteed against faulty material and workmanship for the warranty period, or for a minimum of one (1) year from the date of acceptance, whichever is longer ("Project warranty period"). During the Project warranty period, defects in the materials or workmanship of components or deliverables specified and furnished by or through Contractor shall be repaired or replaced by Contractor at no cost or expense to NYSIF. Contractor shall extend the Project warranty period for individual component(s), or for the System as a whole, as applicable, by the cumulative period(s) of time, after notification, during which an individual component or the System requires servicing or replacement (down time) or is in the possession of the Contractor, its agents, officers, Subcontractors, distributors, resellers or employees ("extended warranty").

Where Contractor, the Independent Software Vendor ("ISV"), or other third party manufacturer markets any Project Deliverable delivered by or through Contractor with a standard commercial warranty, such standard warranty shall be in addition to, and not relieve the Contractor from, Contractor's warranty obligations during the project warranty and extended warranty period(s). Where such standard commercial warranty covers all or some of the Project warranty or extended warranty period(s), Contractor shall be responsible for the coordination during the Project warranty or extended warranty period(s) with ISV or other third party manufacturer(s) for warranty repair or replacement of ISV or other third party manufacturer's Product.

Where Contractor, ISV or other third party manufacturer markets any Project Deliverable with a standard commercial warranty which goes beyond the Project warranty or extended warranty period(s), Contractor shall notify NYSIF and pass through the manufacturer's standard commercial warranty to NYSIF at no additional charge; provided, however, that Contractor shall not be responsible for coordinating services under the third party extended warranty after expiration of the Project warranty and extended warranty period(s).

- e. **Replacement Parts Warranty:** If during the regular or extended warranty period's faults develop, the Contractor shall promptly repair or, upon demand, replace the defective unit or component part affected. All costs for labor, material and transportation incurred to repair or replace defective Product during the warranty period shall be borne solely by the Contractor, and the State or NYSIF shall in no event be liable or responsible for such costs.

Any part of component replaced by the Contractor under the Contract warranty shall be replaced at no cost to NYSIF and guaranteed for the greater of: a) the warranty period under paragraph (d) above; or b) if a separate warranty for that part or component is generally offered by the manufacturer, the standard commercial warranty period offered by the manufacturer for the individual part or component.

- f. **Virus Warranty:** The Contractor represents and warrants that Licensed Software contains no known viruses. Contractor is not responsible for viruses introduced at Licensee's site.
- g. **Date/Time Warranty:** Contractor warrants that Product(s) furnished pursuant to this Contract shall, when used in accordance with the Product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a Contractor proposes or an acquisition requires that specific Products must perform as a package or system, this warranty shall apply to the Products as a system.

Where Contractor is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g., billing, invoicing, claim processing), Contractor warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of Contractor's business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. Contractor shall be responsible for damages resulting from any delays, errors or untimely performance resulting therefrom, including but not limited to the failure or untimely performance of such services.

This Date/Time Warranty shall survive beyond termination or expiration of this contract through: a) ninety (90) days or b) the Contractor's or Product manufacturer/developer's stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

- h. **Workmanship Warranty:** Contract warrants that all components or deliverables specified and furnished by or through Contractor under the Project Definition/Work Order meet the completion criteria set forth in the Project Definition/Work Order and any subsequent statement(s) of work, and that services will be provided in a workmanlike manner in accordance with industry standards.
- i. **Survival of Warranties:** All warranties contained in this Contract shall survive the termination of this Contract.

23. PRODUCTS MANUFACTURED IN PUBLIC INSTITUTIONS

Bids offering Products that are manufactured or produced in public institutions will be rejected.

24. PRICING

- a. **Unit Pricing** If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of NYSIF, such unit pricing is obviously erroneous.
- b. **Net Pricing** Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.
- c. **"No Charge" Bid** When Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid "no charge" on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of NYSIF.
- d. **Third Party Financing** If Product acquisitions are financed through any third-party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a "Consent & Acknowledgment Agreement" in a form acceptable to NYSIF.
- e. **Best Pricing Offer** During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of NYSIF, shall be immediately reduced to the lower price.
- f. **Price Decreases** Price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after:
 - i. **GSA Changes:** Where NYS Net Prices are based on an approved GSA Schedule, the date the approved GSA Schedule pricing decreases during the Contract term; or
 - ii. **Commercial Price List Reductions:** Where NYS Net Prices are based on a discount from Contractor's list prices, the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or

Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) without being in conflict with, or obligation to comply on a global basis, with the terms of this clause.

- g. **Best and Final Prices** As specified in the Bid Documents and Contract, a Contractor may be solicited at the time of issuance of a Purchase Order or Mini-Bid award for best and final pricing for the Product or service to be delivered. Contractors are encouraged to reduce their pricing upon receipt of such request.

25. DRAWINGS

- a. **Drawings Submitted With Bid** When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by NYSIF, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.
- b. **Drawings Submitted During the Contract Term** Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to the Commissioner's representative.
- c. **Accuracy of Drawings Submitted** All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of product, connections and components. Drawings and diagrams are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing product, services or installation, or carrying out any other requirements of the intended scope of work.

26. SITE INSPECTION

Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder's ability to properly deliver, install or otherwise provide the required Product/Services. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

27. SAMPLES

- a. **Standard Samples:** Bid Specifications may indicate that the Product to be purchased must be equal to a standard sample on display in a place designated by NYSIF and such sample will be made available to the Bidder for examination prior to the opening date. Failure by the Bidder to examine such sample shall not entitle the Bidder to any relief from the conditions imposed by the Bid Specifications.
- b. **Bidder Supplied Samples:** NYSIF reserves the right to request from the Bidder/Contractor a representative sample(s) of the Product offered at any time prior to or after award of a contract. Unless otherwise instructed, samples shall be furnished within the time specified in the request. Untimely submission of a sample may constitute grounds for rejection of Bid or cancellation of the Contract. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, any descriptive literature relating to the Product and a statement indicating how and where the sample is to be returned. Where applicable, samples must be properly labeled with the appropriate Bid or Contract reference.

A sample may be held by NYSIF during the entire term of the Contract and for a reasonable period thereafter for comparison with deliveries. At the conclusion of the holding period the sample, where feasible, will be returned as instructed by the Bidder, at the Bidder's expense and risk. Where the Bidder has failed to fully instruct NYSIF as to the return of the sample (i.e., mode and place of return, etc.) or refuses to bear the cost of its return, the sample shall become the sole property of the receiving entity at the conclusion of the holding period.

- c. **Enhanced Samples:** When an approved sample exceeds the minimum specifications, all Product delivered must be of the same enhanced quality and identity as the sample. Thereafter, in the event of a Contractor's default, NYSIF may procure a Product substantially equal to the enhanced sample from other sources, charging the Contractor for any additional costs incurred.

- d. **Conformance with Sample(s)**: Submission of a sample (whether or not such sample is tested by, or for, NYSIF) and approval thereof shall not relieve the Contractor from full compliance with all terms and conditions, performance related and otherwise, specified in the Bid Specifications. If in the judgment of NYSIF the sample or product submitted is not in accordance with the specifications or testing requirements prescribed in the Bid Specifications, NYSIF may reject the Bid. If an award has been made, NYSIF may cancel the Contract at the expense of the Contractor.
- e. **Testing**: All samples are subject to tests in the manner and place designated by NYSIF, either prior to or after Contract award. Unless otherwise stated in the Bid Specifications, Bidder samples consumed or rendered useless by testing will not be returned to the Bidder. Testing costs for samples that fails to meet Contract requirements may be at the expense of the Contractor.

BID EVALUATION

28. BID EVALUATION

NYSIF reserves the right to accept or reject any and all Bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if NYSIF determines the best interests of the State will be served. NYSIF, in its sole discretion, may accept or reject illegible, incomplete or vague Bids and its decision shall be final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the offer.

29. CONDITIONAL BID

Unless the Bid Specifications provides otherwise, a Bid is not rendered non-responsive if the Bidder specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Bid Documents.

30. CLARIFICATIONS / REVISIONS

Prior to award, NYSIF reserves the right to seek clarifications from Bidders on the contents of the bid/proposals. Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time. Failure to provide requested information may result in rejection of the Bid.

31. PROMPT PAYMENT DISCOUNTS

While prompt payment discounts will not be considered in determining the low Bid, NYSIF may consider any prompt payment discount in resolving Bids which are otherwise tied. However, any notation indicating that the price is net, (e.g., net 30 days), shall be understood to mean only that no prompt payment discount is offered by the Bidder. The imposition of service, interest, or other charges, except pursuant to the provisions of Article 11-A of the State Finance Law, which are applicable in any case, may render the Bid non-responsive and may be cause for its rejection.

32. EQUIVALENT OR IDENTICAL BIDS

In the event two offers are found to be substantially equivalent, price shall be the basis for determining the award recipient. If two or more Bidders submit substantially equivalent Bids as to pricing or other factors, the decision of NYSIF to award a Contract to one or more of such Bidders shall be final.

33. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS

NYSIF reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Bidder/Contractor meet the requirements set forth in the Bid Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. A Bidder/Contractor must be prepared to present evidence of legal authority to do business in New York State, integrity, experience, ability, prior performance, organizational and financial capacity as well as where applicable, a statement as to supply,

plant, machinery and capacity of the manufacturer or source for the production, distribution and servicing of the Product offered/Bid. If NYSIF determines that the conditions and terms of the Bid Documents, Bid Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, NYSIF may reject such Bid or terminate the Contract.

34. DISQUALIFICATION FOR PAST PERFORMANCE AND FINDINGS OF NON-RESPONSIBILITY

Bidder may be disqualified from receiving awards if Bidder, or anyone in Bidder's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts or is deemed non-responsible.

35. QUANTITY CHANGES PRIOR TO AWARD

NYSIF reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Bid Specifications. In the event such right is exercised, the lowest responsible Bidder meeting Bid Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Bid price in relation to the changed quantities. Refusal by the low Bidder to so extend or reduce its Bid price may result in the rejection of its Bid and the award of such Contract to the lowest responsible Bidder who accepts the revised qualifications.

36. TIMEFRAME FOR OFFERS

NYSIF reserves the right to make awards within one hundred eighty (180) days after the date of the Bid opening or such other period of time as set forth in the Bid Documents, during which period, Bids must remain firm and cannot be withdrawn. Pursuant to § 163(9)(e) of the State Finance Law and § 2-205 of the Uniform Commercial Code when applicable, where an award is not made within the one hundred eighty (180) day period or other time specified as set forth in the Bid Documents, the Bids shall remain firm until such later time as either a Contract is awarded or the Bidder delivers to NYSIF written notice of the withdrawal of its Bid. Any Bid which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of NYSIF, be accepted or rejected.

ADMINISTRATIVE

37. NYSIF PREROGATIVES

The contract award is subject to the availability of funds. Moreover, NYSIF is not liable for any costs incurred by any firm for work performed to prepare its proposal or for any travel and/or other expenses incurred in the preparation and/or submission of its proposal or with respect to any presentation/interview that may be required by NYSIF. Further, NYSIF is not liable for any costs incurred by the successful Bidder for services performed or costs incurred until the contracting process has been completed and all required approvals obtained.

NYSIF reserves the right to exercise the following:

- a. Withdraw the Solicitation at any time, at NYSIF's sole discretion;
- b. Make an award under the Solicitation in whole or in part;
- c. Reject any or all bids received in response to the solicitation;
- d. Cancel or limit the scope of the contract for any reason;
- e. To not award a contract;
- f. Seek clarifications and revisions of proposals;
- g. Accept a bid for the contract other than the lowest cost;
- h. Make multiple contract awards pursuant to the solicitation;
- i. Waive any requirements that are not material;

- j. Eliminate mandatory requirements unmet by all Bidders;
- k. Change any of the scheduled dates;
- l. Waive or modify minor irregularities in bids received after prior notification to the Bidder;
- m. Consider modifications to bids at any time before the award is made, if such action is in the best interest of NYSIF;
- n. Amend and modify the specifications after their release and post to NYSIF's procurement website (www.nysif.com/procurement);
- o. Disqualify any Bidder whose conduct and/or proposal fails to conform to the requirements of the Solicitation;
- p. Reject/disqualify a bid if, in NYSIF's sole opinion, the bid price is determined to be excessive;
- q. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a Bidder's proposal and/or to determine a Bidder's compliance with the requirements of the solicitation;
- r. Use proposal information obtained through site visits, management interviews and the state's investigation of a Bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the Bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the Solicitation;
- s. Review Bidder's records used in determining bid;
- t. Require the Bidder to demonstrate to the satisfaction of NYSIF any feature(s) presented as a part of its bid;
- u. Investigate or make any inquiry into the capabilities of any Bidder to properly perform under any resultant contract;
- v. Make inquiries, at NYSIF's discretion and by means which it may choose, into the Bidder's background or statements made in the bid to determine the truth and accuracy of all statements made therein;
- w. Adjust or correct Bidders' mathematical errors and waive or modify other minor irregularities in proposals received, after prior notification to the Bidder;
- x. Request any additional information deemed necessary for proper evaluation of bids;
- y. Adopt as NYSIF property all submitted bids and to use any portions thereafter which are not specifically noted as proprietary by the submitting firms;
- z. Utilize any and all ideas submitted in the proposals received;
- aa. Adopt all or any part of a Bidder's proposal in selecting the optimum configuration;
- bb. In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken by NYSIF as if no delay in payment had occurred;
- cc. Submission of an invoice and payment, or electronic transmission, thereof by NYSIF shall not preclude NYSIF from obtaining reimbursement or demanding a price adjustment in any case where the service delivered is found to deviate from the terms and conditions of the bid and award documents. Any delivery made which does not meet such terms and conditions may be rejected, or accepted on an adjusted price basis as may be determined by NYSIF;
- dd. Reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of NYSIF. Options contained in this paragraph shall also be at NYSIF's sole discretion;

- ee.** Terminate the contract(s) if it deems the price adjustment pursuant to the solicitation or contract is not in the best interests of NYSIF or the State;
- ff.** Implement changes in price based on unforeseen factors such as dramatic changes in availability, delivery, costs, etc., for product, supplies, etc., that substantively affect the contractor's business processes or that may impact contract pricing. Such changes may be based on information from the U.S. Bureau of Labor Statistics, industry data, or other sources;
- gg.** After an unsuccessful attempt to speak with the contact person noted on the reference form, survey another person knowledgeable and familiar with the Bidder from the submitted reference due to time constraints;
- hh.** Review and consider other known clients of the Bidder in addition to those provided, including NYSIF, and to disqualify based on unsatisfactory reports and/or records of services provided;
- ii.** Reject all bids which do not comply with the bid specifications. However, NYSIF may elect to award to the Bidder who receives the highest overall combined evaluation score providing that the Bidder's non-compliance is deemed by NYSIF to be non-material to overall performance of the services;
- jj.** Invalidate a Bidder's scores at any time during the evaluation process if the Bidder's bid is deemed non-responsive or is disqualified;
- kk.** Evaluate, accept and/or reject any and all bids, in whole or in part, and waive technicalities, irregularities and omissions if, in NYSIF's considered judgment, the best interests of NYSIF will be served. Separable portions of offers may also be accepted or rejected. In the event compliant bids are not received, NYSIF reserves the right to consider late or non-conforming bids as offers;
- ll.** Stop the work covered by this solicitation and any contract(s) resulting there from at any time that it is deemed the successful Bidder is unable or incapable of performing the work to NYSIF's satisfaction;
- mm.** Disqualify a Bidder from receiving the award if the Bidder, or anyone in the Bidder's employ, has previously failed to perform satisfactorily in connection with public bidding or contracts;
- nn.** Negotiate with Bidders to serve the best interests of the State and NYSIF;
- oo.** Begin contract negotiations with another Bidder in order to serve the best interests of NYSIF in the event that NYSIF is unsuccessful in negotiating a contract with the selected Bidder;
- pp.** Split the contract between several Bidders;

- tt.** Accept or reject any of the Bidder's employees assigned to this contract and to require their replacement at any time;
- uu.** Consider amendments which are not specifically covered by the terms of the contract but are judged to be in the best interest of NYSIF and/or the State;
- vv.** Have any service completed via separate competitive bid or other means, as determined to be in the best interest of NYSIF;
- ww.** Adjust any Bidder's expected costs of the bid price based on a determination of the evaluation committee that the selection of the said Bidder will cause the State to incur additional costs.

38. NEW YORK STATE PROCUREMENT RIGHTS

To enable the State to acquire commodities, technology and services at the lowest price or best value from responsible and responsive bids, the State reserves the rights to:

- a. Define requirements to meet Agency needs and to modify, correct and clarify requirements at any time during the process provided the changes are justified and maintain fairness in contracting with the business community;
- b. Accept and/or reject any or all bids, and waive technicalities or portions of the bids in the best interest of the State;
- c. Establish terms and conditions which must be met by all Bidders and/or, where permitted by the solicitation, eliminate mandatory requirements that are not met by any Bidder;
- d. Establish, where permitted by solicitation, conditions under which the scope of the contract can be expanded and criteria for price increases or decreases during the contract period;
- e. Award contracts for any or all parts of the bid solicitation in accordance with the Method of Award;
- f. Consider every bid as firm and not revocable for a period of up to one hundred eighty (180) days from the bid opening or such other period of time specified in the solicitation. Subsequent to such one hundred eighty (180) day or other specified period, a bid may be withdrawn in writing.
- g. Have the option to require a bond or other guarantee of performance, and to approve the amount, form and sufficiency thereof.

39. BIDDER CERTIFICATION REQUIREMENTS

Any company submitting a bid in response to this solicitation *must certify in writing* acceptance of the following contract conditions which relate to consideration of the bid:

- a. NYSIF reserves the sole right of judgment and acceptance of a company's written bid.
- b. The submitted bid must remain in effect for one hundred-eighty (180) days from the bidding deadline. However, a non-successful Bidder may withdraw its bid any time after the selection of the successful Bidder, upon written notice to NYSIF. Bidders whose bids have been rejected by NYSIF shall be notified of such rejection.
- c. Compensation shall be paid by the State of New York, in accordance with its standard payment practices.
- d. The Bidder certifies that, if selected, all services described in the bid document can and will be provided.
- e. The successful Bidder agrees to submit an Equal Employment Opportunity Policy Statement and Staffing Plan to NYSIF, upon request, as outlined under Participation of New York State Business Enterprises.
- f. The Bidder warrants that, if selected, it will not delegate, assign, encumber or subcontract, in whole or in part, its agreement and/or its responsibilities under the contract without prior written approval from NYSIF.

For any bid that includes services to be provided by subcontract with a third party, the Bidder will be responsible for the conduct and performance of the third party. NYSIF will consider the Bidder to be the prime contractor and the sole point of contact in regard to any contractual items specified or required in the bid documents.

The Bidder should obtain the consent of the proposed subcontractor and include it in the bid.

The bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without prior written approval of NYSIF. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

- g.** The Bidder warrants that all information provided by it in connection with this bid is true and accurate.
- h.** The Bidder agrees not to make any claims for or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any lack of information.
- i.** The Bidder warrants that the prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor. Unless otherwise required by law, the Bidder certifies that the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to the opening, directly or indirectly, to any Bidder or competitor and no attempt has been made or will be made by the Bidder to induce any other person, partnership, or corporation to submit or not submit a bid for the purpose of restricting competition. In addition, a Bidder is prohibited from making multiple bids in a different form (e.g., as prime Bidder and as a subcontractor to another prime Bidder).

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.

- j.** Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this Solicitation. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.
- k.** The Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.

- l.** The Bidder will conform to all provisions of NYSIF Exhibit A, *Standard Clauses*.
- m.** The Bidder agrees that no New York State or local sales tax, transportation tax or Federal excise tax will be charged on any part of this project since NYSIF is an agency of the State of New York and tax exempt by statute.
- n.** The Bidder will save and hold harmless NYSIF and its management from all claims, suits, litigation and legal liability from any acts or omissions committed by the Bidder during the course of the contract.
- o.** The contractor is an independent contractor of the State and may not hold itself out nor claim to be an officer, employee or subdivision of the State nor may contractor make any claim, demand or application to or for any right based upon any different status.
- p.** Contractor represents and warrants that it shall secure all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract, at the contractor's expense. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid and Contract and any applicable laws, including but not limited to, permits, licensing, and shall provide such proof as required by NYSIF. Failure to comply or failure to

provide proof may constitute grounds for NYSIF to cancel or suspend the Contract, in whole or in part, or to take any other action deemed necessary by NYSIF. Furthermore:

- Contractor agrees to disclose information and provide affirmations and certifications to comply with §§ 139-j and 139-k of the State Finance Law.
 - Contractor agrees to cooperate with NYSIF's periodic risk assessment of Contractor and the continued adequacy of its cybersecurity practices, in accordance with 23 NYCRR 500.11(a)(4) of the *Cybersecurity Requirements for Financial Services Companies*, as promulgated by the Department of Financial Services.
- q. All contractors and contractor employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law, and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees, and governing the conduct of employees of firms, associations and corporations in business with the State. In signing the bid, each Bidder has guaranteed knowledge and full compliance with those provisions for this and any other dealings, transactions, sales, contracts, services, offers or relationships involving the State and/or State employees. Failure to comply with those provisions may result in disqualification from the bidding process and in other civil or criminal proceedings as required by law.
- r. As a general rule and in accordance with New York Public Officers law, former employees of NYSIF may neither appear nor practice before NYSIF, nor receive compensation for services rendered on a matter before NYSIF, for a period of two years following their separation from NYSIF. In addition, former NYSIF are subject to a "lifetime bar" from appearing before NYSIF receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with NYSIF.
- s. Bidder and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law; other laws applicable to the service of State employees; and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the "Ethics Requirements"). Bidder certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under this Solicitation or subsequent contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by Bidder or is Subcontractors and who is disqualified from providing services under the Solicitation or subsequent contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from a Contract. Bidder shall identify and provide the State with notice of those employees of Bidder and its Subcontractors who are former employees of the State that will be assigned to perform services under this Solicitation or subsequent Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that Bidder provide it with whatever information that State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be conflict with any of the Ethics Requirements. The State shall have the right to terminate the Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.
- t. Bidder hereby reaffirms the attestations made in its proposal and covenants, and represents that there is and shall be no actual or potential conflict of interest that could prevent Bidder's satisfactory or ethical performance of duties required to be performed pursuant to the terms of the Solicitation or subsequent Contract. Bidder shall have a duty to notify NYSIF immediately of any actual or potential conflicts.
- u. If NYSIF impedes or causes any delay in the completion of the Contractor's work, then NYSIF should be notified immediately in writing of the delay and the reason(s) for such delay.

- v. Tax Law 5-a is in effect for all solicitations to purchase issued by covered agencies on or after January 1, 2005. It applies to contracts where (1) the total amount of such persons' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates, subcontractors, or affiliates of subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and (2) the contracts or agreements with state agencies or public authorities for the sale of commodities or services having a value in excess of \$100,000. The law imposes upon certain contractors the obligation to certify whether or not the contract, its affiliates, its subcontractors and affiliates of the subcontractors are required to register to collect state sales and compensating use tax.
- w. Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of a solicitation release through final award and approval of the Procurement Contract by NYSIF and, if applicable, Office of the State Comptroller or Department of Financial Services ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j (3)(a). Designated staff, as of the date hereof, is identified in the solicitation document (see INQUIRIES/ISSUING OFFICE/DESIGNATED CONTACT). NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award, and in the event there are two findings within a 4 year-period, the Bidder is debarred from obtaining governmental Procurement Contracts.
- x. Bidder has provided "Appendix V – Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative attesting that the Bidder's performance of the services does not and will not create a conflict of interest with, nor position Bidder to breach any other contract currently in force with, the State of New York, and that Bidder will not act in any manner that is detrimental to any State of New York project on which Bidder is rendering services.
- y. In conjunction with any subcontract under this Solicitation or subsequent Contract, the Bidder shall obtain and deliver to NYSIF, prior to entering into a subcontract, an "Appendix V- Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative of the subcontractor. Bidder shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to NYSIF a signed and completed Appendix V for each of its subcontractors prior to entering into a subcontract.
- z. NYSIF and Bidder recognize that conflicts may occur in the future because the Bidder may have existing, or may establish new relationships. The NYSIF will review the nature of any relationships and reserves the right to terminate any contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.
- aa. By submission of this bid, pursuant to NY State Finance Law § 139-L, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid and/or subcontracting each party thereto certifies as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers>.

Pursuant to N.Y. State Finance Law § 139-L, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, NYSIF may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

The certification required above can be found on NYSIF's Bidder Certification Form, which Bidder must submit with its bid.

For all contracts estimated to be \$25,000 or more:

1. CONTRACT DOCUMENTS

The contract documents consist of the contract agreement, proposal, bid document specifications, addenda issued prior to receipt of bids, and all subsequent modifications and changes issued pursuant to the bid documents.

The contract represents the agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral, including the bidding documents which may have resulted from the Bid Documents.

The contract may be revised, modified and/or amended by mutual written consent of both parties and where applicable the approval of the NYS Attorney General (AG), Office of the State Comptroller (OSC) or the Department of Financial Services (DFS). The contract is made in accordance with the laws of New York State.

2. TERM

In addition to any stated renewal periods in the Contract, any Contract or unit portion thereof let by NYSIF may be extended by NYSIF for an additional period(s) of up to one year with the written concurrence of the Contractor and, where required, OSC or DFS approval. Such extension may be exercised on a month to month basis or in other stated periods of time during the one year extension.

3. TERMINATION OF CONTRACT

- a. **For Cause:** For a material breach that remains uncured for more than thirty (30) days or other specified period after written notice to the Contractor, the Contract may be terminated by NYSIF at the Contractor's expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non-performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach. NYSIF shall have the right to award a new contract to a third party. In the event of termination for cause, NYSIF shall seek recovery damage incurred by NYSIF and the reasonable re-procurement costs associated in reassigning the contract.
- b. **For Convenience:** This Contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.
- c. **For Non-Responsibility:** Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate NYSIF officials or staff, the contract may be terminated by NYSIF at the Contractor's expense where the Contractor is determined by NYSIF to be non-responsible. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.
- d. **For Violation of the Sections 139-j and 139-k of the State Finance Law:** NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.
- e. **For Violation of Revised Tax Law 5a:** NYSIF reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor.

- f. **Conflicts of Interest:** NYSIF reserves the right to review the nature of relationships and reserves the right to terminate the contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.

4. SUSPENSION OF WORK

- a. **For Convenience:** NYSIF may order the contractor in writing to suspend performance of all or any part of the work for a reasonable period of time, not to exceed thirty (30) days, as determined by NYSIF.

Upon receipt of a suspension order, the contractor shall, as soon as practicable, cease performance of the work as ordered.

The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

- b. **For Non-Responsibility:** NYSIF, in its sole discretion, reserves the right to suspend any or all activities under this contract, at any time, when NYSIF discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as NYSIF issues a written notice authorizing a resumption of performance under the contract.

5. VENDOR RESPONSIBILITY

The contractor shall at all times during the contract term remain responsible. The Contractor agrees, if requested by NYSIF, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

6. SAVINGS/FORCE MAJEURE

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or NYSIF in the performance of the Contract which non- performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide NYSIF with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor NYSIF shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and NYSIF to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of NYSIF where the delay or failure will significantly impair the value of the Contract to the State, NYSIF may:

- a. Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to NYSIF with respect to Product subjected to allocation; and/or
- b. Purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to NYSIF; or
- c. Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, NYSIF reserves the right, in its sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market

circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss.

7. DISASTER RECOVERY PLAN

A. Disaster Recovery Plan

Contractor shall develop and deliver, upon request, to NYSIF on or before a date as reasonably determined by NYSIF, and at no additional cost to NYSIF, a Disaster Recovery Plan for the services which is acceptable to NYSIF and all appropriate regulatory organizations having jurisdiction over Contractor. The Disaster Recovery Plan, which will apply specifically and exclusively to the services under this Agreement, shall provide a description of the Plan Assumptions, Recovery Strategy, Disaster Declaration, Plan Notification and Activation, and Recovery Resources. Contractor shall make available at its premises its Master Disaster Recovery Plan applicable to all of its operations for review by NYSIF. NYSIF's approval of the disaster Recovery Plan shall not be unreasonably withheld. Review and acceptance of any Disaster Recovery Plan as may be required by any such regulatory organization shall be the responsibility of Contractor. The Disaster Recovery Plan shall provide, at a minimum, for Contractor to provide alternate electrical power for uninterrupted service. The Disaster Recovery Plan shall also designate one or more facilities (each a "Disaster Recovery Site") or separate computer resources to which Contractor shall move the Services (or affected portion of such services) upon the declaration of a Disaster requiring such a relocation (including a Disaster at a Disaster Recovery Site). Each Disaster Recovery Site must be appropriately equipped with data processing equipment which the parties reasonably believe should be sufficient to provide the Services in compliance with Attachment A. The Disaster Recovery Plan must also specify all procedures for the determination or declaration of a Disaster, which determination or declaration may not be unreasonably withheld or delayed by either party.

B. Access to Disaster Recovery Plans

1. Contractor shall make available to NYSIF any reports or findings of any regulatory agency dealing with Contractor's disaster recovery capabilities to provide services hereunder, unless it is prohibited from making such disclosure by law or by any such agency, together with any reports of its independent auditors relating to such plans. Contractor shall also make available to NYSIF results of any tests of Contractor's disaster recovery facilities conducted by Contractor or any third party with respect to the services provided under the Agreement. Contractor shall provide an annual briefing to NYSIF related to its disaster recovery strategy.
2. NYSIF acknowledges that Contractor's Master Disaster Recovery Plan providing disaster recovery for these services contains highly sensitive and confidential business information. It is understood and agreed that NYSIF may examine and approve the Master Disaster Recovery Plan; however, such examination shall be limited to that portion of the plan(s) which relates to the providing of services under this Agreement. Contractor may in its discretion limit NYSIF's review of its Master Disaster Recovery Plan(s) to a review of a copy maintained at Contractor's Capital Region office and not permit any copies to be made.

C. Disaster Event Notification

Contractor shall no later than twenty-four (24) hours after the occurrence of an event requiring activation of the Disaster Recovery Plan inform NYSIF that the plan has been activated. At that time, Contractor shall provide NYSIF with a description of the nature and extent of the disaster, an assessment of the impact on all services provided pursuant to this Agreement and a description of the specific recovery actions with their associated timeframes that have been or will be taken as part of the plan. Contractor will provide appropriate periodic updates of the recovery process as required by NYSIF.

8. PRODUCT DELIVERY

Delivery must be made as ordered to the address specified on the Purchase Order and in accordance with the terms of the Contract. Unless otherwise specified in the Bid Documents, delivery shall be made within thirty calendar days after receipt of a Purchase Order by the Contractor. The decision of NYSIF as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify NYSIF and confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by NYSIF. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in NYSIF's discretion, the Contract.

9. WEEKEND AND HOLIDAY DELIVERY

Unless otherwise specified in the Bid Specifications, deliveries will be scheduled for ordinary business hours, Monday through Friday (excluding legal holidays observed by the State of New York). Deliveries may be scheduled by mutual agreement for Saturdays, Sundays or legal holidays observed by the State of New York where the Product is for daily consumption, an emergency exists, the delivery is a replacement, delivery is late, or other reasonable circumstance, in which event the convenience of NYSIF shall govern.

10. SHIPPING / RECEIPT OF PRODUCT

- a. **Packaging** Tangible Product shall be securely and properly packed for shipment, storage and stocking in appropriate, clearly labeled shipping containers and according to accepted commercial practice, without any extra charges for packing materials, cases or other types of containers. The container shall become and remain the property of NYSIF User unless otherwise specified in the Contract documents.
- b. **Shipping Charges** Unless otherwise stated in the Bid Specifications, all deliveries shall be deemed to be freight on board (FOB) destination tailgate delivery at the dock. Contractor shall be responsible for ensuring that the Bill of Lading states "charges prepaid" for all shipments.
- c. **Receipt of Product** The Contractor shall be solely responsible for assuring that deliveries are made to personnel authorized to accept delivery on behalf of NYSIF. Any losses resulting from the Contractor's failure to deliver Product to authorized personnel shall be borne exclusively by the Contractor.

11. PRODUCT SUBSTITUTION

In the event a specified manufacturer's Product listed in the Contract becomes unavailable or cannot be supplied by the Contractor for any reason (except as provided for in the Savings/Force Majeure Clause) a Product deemed in writing by NYSIF to be equal to or better than the specified Product must be substituted by the Contractor at no additional cost or expense to NYSIF. Unless otherwise specified, any substitution of Product prior to NYSIF's written approval may be cause for cancellation of Contract.

12. REJECTED PRODUCT

When Product is rejected, it must be removed by the Contractor from the premises of NYSIF within ten calendar days of notification of rejection by NYSIF. Upon notification of rejection, risk of loss of rejected or non-conforming Product shall remain with Contractor. Rejected items not removed by the Contractor within ten calendar days of notification shall be regarded as abandoned by the Contractor, and NYSIF shall have the right to dispose of Product as its own property. The Contractor shall promptly reimburse NYSIF for any and all costs and expenses incurred in storage or effecting removal or disposition after the ten-calendar day period.

13. INSPECTION AND ACCEPTANCE OF THE WORK

NYSIF will, from time-to-time, inspect the products being provided and/or the services being performed under the terms of the contract.

All products/work shall be subject to the approval of NYSIF. In the event that any of the products provided/work performed are not acceptable to NYSIF in its sole judgment, the contractor shall replace the

product/correct that work in an expeditious manner at no additional cost to NYSIF.

The contractor shall, without charge, promptly correct any problems NYSIF finds do not conform to the contract documents, unless in the public interest NYSIF consents to accept such product or work with an appropriate adjustment to the contract price.

If the contractor does not promptly correct rejected product/work, NYSIF may replace such product/correct such work and charge the cost thereof to the contractor, or terminate the contract in accordance with the Agreement.

14. TITLE AND RISK OF LOSS

Notwithstanding the form of shipment, title or other property interest, risk of loss shall not pass from the Contractor to NYSIF until the Products have been received, inspected and accepted by the receiving entity. Acceptance shall occur within a reasonable time or in accordance with such other defined acceptance period as may be specified in the Bid Specifications or Purchase Order. Mere acknowledgment by NYSIF personnel of the delivery or receipt of goods (e.g., signed bill of lading) shall not be deemed or construed as acceptance of the Products received. Any delivery of Product that is substandard or does not comply with the Bid Specifications or Contract terms and conditions, may be rejected or accepted on an adjusted price basis, as determined by NYSIF.

15. EMERGENCY CONTRACTS

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or NYSIF determines pursuant to its authority under Section 163 (10) (b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of Product, NYSIF reserves the right to obtain such Product from any source, including but not limited to this Contract(s), if NYSIF in its sole discretion determines it will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for Product procured from other sources pursuant to this paragraph. The reasons underlying the finding that an emergency exists shall be included in the procurement record.

16. ASSIGNMENT

The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract to any other person, company, firm or corporation in performance of the contract without the prior written consent of NYSIF. Failure to obtain consent to assignment from NYSIF shall revoke and annul such Contract. Notwithstanding the foregoing, the State shall not hinder, prevent or affect assignment of money by a Contractor for the benefit of its creditors. Prior to a consent to assignment of monies becoming effective, the Contractor shall file a written notice of such monies assignment(s) with NYSIF. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request to assignment to NYSIF and seek written agreement from NYSIF. The assignment agreement may be subject to the approval of AG and OSC or DFS. NYSIF reserves the right to reject any proposed assignee at its discretion.

Upon notice to the Contractor, the Contract may be assigned without the consent of the Contractor to another State Agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the functions are transferred to a successor Agency or to another Agency that assumes NYSIF responsibilities for the Contract.

17. ASSIGNMENT OF CLAIM

Contractor hereby assigns to the State any and all claims for overcharges associated with this Contract which may arise under the antitrust laws of the United States, 15 USC Section 1, et. seq. and the antitrust laws of the State of New York, General Business Law Section 340, et. seq.

Such records and accounts and all supportive documentation shall be kept for at least six (6) years subsequent to dates of final payment hereunder, or until a final audit has been made by NYSIF (or its designee).

In case all or a part of such records are not made available for audit purposes, Contractor agrees that any cost items claimed but not supported by such records shall be disallowed, or if payment has already been made, Contractor shall, upon written demand of NYSIF, refund to NYSIF the amount disallowed.

Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). Production of Contractor SSAE 16 or 18 Report(s), or SOC Reports shall not take the place of NYSIF's right under the Agreement to independently audit Contractor.

19. POLICY COMPLIANCE

Contractor warrants, covenants and represents that it will comply fully with all policies and procedures of NYSIF in performance of the Contract including but not limited to security, physical, facility, documentary and cyber security rules, policies, procedures and protocols.

20. SUBCONTRACTORS / SUPPLIERS

NYSIF reserves the right to reject any proposed Subcontractor or supplier for bona fide business reasons, which may include, but are not limited to: they are on the Department of Labor's list of companies with which New York State cannot do business; NYSIF determines that the company is not qualified; NYSIF determines that the company is not responsible; the company has previously provided unsatisfactory work or services; the company failed to solicit minority and women's business enterprises (MWBE) Bidders as required by prior Contracts.

Payments for invoices submitted by the Contractor shall be rendered electronically. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with NYSIF's procedures to authorize electronic payments. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with NYSIF's electronic payment procedures. NYSIF's policy and the authorization form may be found on NYSIF's website at www.nysif.com/procurement.

Contractor shall provide, upon request of NYSIF, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by NYSIF and in a media commercially available from the Contractor. NYSIF may direct the Contractor to provide the information to the State Comptroller (OSC).

22. REMEDIES FOR BREACH

It is understood and agreed that all rights and remedies afforded below shall be in addition to all remedies or actions otherwise authorized or permitted by law:

- a. **Cover/Substitute Performance** In the event of Contractor's material breach, NYSIF may, with or without formally Bidding:
(i) Purchase from other sources; or (ii) If NYSIF is unsuccessful after making reasonable attempts, under the circumstances then existing, to timely obtain acceptable service or acquire replacement Product of equal or comparable quality, NYSIF may acquire acceptable replacement Product of lesser or greater quality.

Such purchases may, in the discretion of NYSIF, be deducted from the Contract quantity and payments due to Contractor.
- b. **Withhold Payment** In any case where a question of non-performance by Contractor arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken as if no delay in payment had occurred.
- c. **Bankruptcy** In the event that the Contractor files a petition under the U.S. Bankruptcy Code during the term of this Centralized Contract, NYSIF may, at its discretion, make application to exercise its right to set-off against monies due the Debtor or, under the Doctrine of Recoupment, credit NYSIF the amounts owed by the Contractor arising out of the same transactions.
- d. **Reimbursement of Costs Incurred** The Contractor agrees to reimburse NYSIF promptly for any and all additional costs and expenses incurred for acquiring acceptable services, and/or replacement Product. Should the cost of cover be less than the Contract price, the Contractor shall have no claim to the difference. The Contractor covenants and agrees that in the event suit is successfully prosecuted for any default on the part of the Contractor, all costs and expenses expended or incurred by NYSIF in connection therewith, including reasonable attorney's fees, shall be paid by the Contractor.

Where the Contractor fails to timely deliver pursuant to the guaranteed delivery terms of the Contract, NYSIF may rent substitute equipment temporarily. Any sums expended for such rental shall, upon demand, be reimbursed to NYSIF promptly by the Contractor or deducted by NYSIF from payments due or to become due the Contractor on the same or another transaction.

- e. Deduction/Credit Sums due as a result of these remedies may be deducted or offset by NYSIF from payments due, or to become due, the Contractor on the same or another transaction. If no deduction or only a partial deduction is made in such fashion the Contractor shall pay to NYSIF the amount of such claim or portion of the claim still outstanding, on demand. NYSIF reserves the right to determine the disposition of any rebates, settlements, restitution, liquidated damages, etc., which arise from the administration of the Contract.

23. INSTALLATION

Where installation is required, Contractor shall be responsible for placing and installing the Product in the required locations. All materials used in the installation shall be of good quality and shall be free from any and all defects that would mar the appearance of the Product or render it structurally unsound. Installation includes the furnishing of any equipment, rigging and materials required to install or place the Product in the proper location. The Contractor shall protect the site from damage for all its work and shall repair damages or injury of any kind caused by the Contractor, its employees, officers or agents. If any alteration, dismantling or excavation, etc. is required to effect installation, the Contractor shall thereafter promptly restore the structure or site. Work shall be performed to cause the least inconvenience to NYSIF and with proper consideration for the rights of other Contractors or workers. The Contractor shall promptly perform its work and shall coordinate its activities with those of other Contractors. The Contractor shall clean up and remove all debris and rubbish from its work as required or directed. Upon completion of the work, the building and surrounding area of work shall be left clean and in a neat, unobstructed condition, and everything in satisfactory repair and order.

24. PRODUCT ACCEPTANCE – HARDWARE AND SOFTWARE

Unless otherwise provided by mutual agreement, NYSIF shall have thirty (30) days from the date of delivery to accept hardware products and sixty (60) days from the date of delivery to accept all other Product. Where the Contractor is responsible for installation, acceptance shall be from completion of installation. Unless otherwise provided by mutual agreement, NYSIF shall have the option to run testing on the Product prior to acceptance. Costs and liabilities associated with a failure of the Product to perform in accordance with the functionality tests or product specifications during the acceptance period shall be borne fully by Contractor to the extent that said costs or liabilities shall not have been caused by negligent or willful acts or omissions by NYSIF's agents or employees. Said costs shall be limited to the amounts set forth in the Limitation of Liability Clause for any liability for costs incurred at the direction or recommendation of Contractor.

Failure to provide notice of acceptance or rejection or a deficiency statement to the Contractor by the end of the period provided for under this clause constitutes acceptance by NYSIF as of the expiration of that period.

25. TOXIC SUBSTANCES

Each Contractor furnishing a toxic substance as defined by Section 875 of the Labor Law, shall provide NYSIF with not less than two copies of a material safety data sheet, which shall include for each such substance the information outlined in Section 876 of the Labor Law.

Before any chemical product is used or applied on or in any building, a copy of the product label and Material Safety Data Sheet must be provided to and approved by NYSIF's agency representative.

26. COOPERATION WITH THIRD PARTIES

The Contractor shall be responsible for fully cooperating with any third party, including but not limited to other Contractors or Subcontractors of NYSIF, as necessary to ensure delivery of Product or coordination of performance of services.

27. INDEPENDENT CONTRACTOR

It is understood and agreed that the legal status of the Contractor, its agents, officers and employees under this Contract is that of an independent Contractor, and in no manner shall they be deemed employees of NYSIF, and therefore are not entitled to any of the benefits associated with such employment. The Contractor agrees, during the term of this Contract, to maintain at Contractor's expense those benefits to which its employees would otherwise be entitled by law, including health benefits, and all necessary insurance for its employees, including worker's compensation, disability and unemployment insurance, and to provide NYSIF with certification of such insurance upon request. The Contractor remains responsible for all applicable federal, state and local taxes, and all FICA contributions.

28. EMPLOYEES, SUBCONTRACTORS AND AGENTS

All employees, Subcontractors or agents performing work under the Contract must be trained staff or technicians who meet or exceed the professional, technical and training qualifications set forth in the Bid Specifications or the Bid Documents, whichever is more restrictive, and must comply with all security and administrative requirements of NYSIF. NYSIF reserves the right to conduct a security background check or otherwise approve any employee, Subcontractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on, including but not limited to, professional, technical or training qualifications, quality of work or change in security status or non-compliance with NYSIF's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. NYSIF reserves the right to reject and/or bar from the facility for cause any employee, Subcontractor, or agents of the Contractor.

29. OWNERSHIP OF DOCUMENTS

All drawings, specifications, computations, sketches, test data, survey results, reports and other documents including models, photographs, renderings and other material prepared for or relating to the project,

including any material furnished by NYSIF are the property of NYSIF.

30. INFORMATION SECURITY CLAUSE

In the event of a Breach of Security as defined in NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or in any other applicable statute, involving NYSIF supplied Personal Information or Private Information from systems owned, operated, sub-contracted or otherwise routed through Contractor's systems or networks, Offeror shall notify NYSIF immediately, without unreasonable delay, pursuant to the NOTICE provision of this Agreement. "Breach of Security" shall mean the unauthorized access to or unauthorized acquisition of, or access to or acquisition without valid authorization of computerized data that compromises the security, confidentiality, or integrity of Personal Information or Private Information maintained by a business. "Personal Information" shall mean any NYSIF supplied information concerning a person which, because of name, number, mark or other identifier, can be used to identify such person. "Private Information" shall mean any NYSIF provided information that is either (a) personal information in combination with any one or more of the following data elements, when either the data element or the combination of personal information plus the data element is not encrypted or encrypted with an encryption key that has also been accessed or acquired: (i) social security number; (ii) driver's license number or non-driver identification cards number; or (iii) account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account; (iv) account number, credit or debit card number, if circumstances exist wherein such number could be used to access an individual's financial account without additional identifying information, security code, access code, or password; or (v) biometric information, meaning data generated by electronic measurements of an individual's unique physical characteristics, such as a fingerprint, voice print, retina or iris image, or other unique physical representation or digital representation of biometric data which are used to authenticate or ascertain the individual's identity; or (b) a user name or e-mail address in combination with a password or security question and answer that would permit access to an online account. Notwithstanding the foregoing, Private Information does not include publicly available information which is lawfully made available to the general public from federal, state, or local government records. Additionally, Contractor undertakes to, solely at its own cost and expense, provide any requisite notices that either Contractor or NYSIF would have to provide pursuant to NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or any other applicable statute, both on behalf of Contractor and on behalf of NYSIF. Offeror's notification shall include, but not be limited to a description of the categories of information that were, or are reasonably believed, to have been acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so acquired, or as otherwise provided for by applicable law.

31. CONFIDENTIALITY CLAUSE

NYSIF Confidential Information includes but is not limited to: (i) the meaning ascribed to "*Nonpublic Personal Information*" in Title V of the Gramm-Leach-Bliley Act of 1999 or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("*GLBA*"), as it relates to NYSIF's consumers, (ii) "*Protected Health Information ('PHI')*" as such term is defined in the Health Insurance Portability and Accountability Act of 1996, or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("*HIPAA*") and (iii) any personally identifiable information protected under any other applicable state or federal statute, rule or regulation.

All material made available to the contractor or its staff will remain the property of NYSIF. In addition, the contractor, subcontractor and staff shall maintain the confidentiality of all material, including the identity of any parties and content of any material to which they are exposed or have access. All improvements to applications and processes developed at NYSIF's expense and within the scope of the services provided to NYSIF shall be the sole and exclusive property of NYSIF.

The contractor will not divulge, disclose or furnish to any other party the information or processes utilized at NYSIF, disclosed to the contractor or developed by the contractor or another during the course of the project unless such information is in the public domain.

The contractor will advise NYSIF if it is engaged in a project for any other insurance company, or subsidiary, that has a Workers' Compensation or Disability Benefits product line.

Any request for information from third parties shall be reported to NYSIF in writing within 24 hours. News releases pertaining to this project will not be made without prior NYSIF approval.

32. INDEMNIFICATION

Contractor shall be fully liable for the actions of its agents, employees, partners or Subcontractors and shall fully indemnify and save harmless NYSIF from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property and intellectual property caused by any intentional act or negligence of Contractor, its agents, employees, partners or Subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss or damage arising hereunder due to the negligent act or failure to act of NYSIF.

33. INDEMNIFICATION RELATING TO THIRD PARTY RIGHTS

The Contractor will also indemnify and hold NYSIF harmless from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities and costs that may be finally assessed against NYSIF in any action for infringement of a United States Letter Patent, or of any copyright, trademark, trade secret or other third party proprietary right except to the extent such claims arise from NYSIF's gross negligence or willful misconduct, provided that the State shall give Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor.

If usage shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion to take action in the following order of precedence: (i) to procure for NYSIF the right to continue Usage (ii) to modify the service or Product so that Usage becomes non-infringing, and is of at least equal quality and performance; or (iii) to replace said service or Product or part(s) thereof, as applicable, with non-infringing service or Product of at least equal quality and performance. If the above remedies are not available, the parties shall terminate the Contract, in whole or in part as necessary and applicable, provided NYSIF is given a refund for any amounts paid for the period during which Usage was not feasible.

34. LIMITATION OF LIABILITY

Except as otherwise set forth in the Indemnification Paragraphs above, the limit of liability shall be as follows:

- a. Contractor's liability for any claim, loss or liability arising out of, or connected with the Products and services provided, and whether based upon default, or other liability such as breach of contract, warranty, negligence, misrepresentation or otherwise, shall in no case exceed direct damages in: (i) an amount equal to two (2) times the charges specified in the contract, or (ii) one million dollars (\$1,000,000), whichever is greater.
- b. NYSIF may retain such monies from any amount due Contractor as may be necessary to satisfy any claim for damages, costs and the like asserted against NYSIF unless Contractor at the time of the presentation of claim shall demonstrate to the NYSIF's satisfaction that sufficient monies are set aside by the Contractor in the form of a bond or through insurance coverage to cover associated damages and other costs.
- c. Notwithstanding the above, neither the Contractor nor NYSIF shall be liable for any consequential, indirect or special damages of any kind which may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by NYSIF, the Contractor, or by others.

35. NON-SOLICITATION

The Contractor shall contact NYSIF employees, including employees designated by NYSIF to receive

marketing material and negotiate contracts only in connection with the transaction of business set forth herein. The Contractor shall be cognizant of sections 73 and 74 of the NYS Public Officers Law, which govern the conduct of the state employees, and sections 139-j and 139-k of the NYS Finance Law which governs the conduct of the state employees and their relations with outside parties.

The Contractor shall not contact or solicit NYSIF employees in connection with any contests, lotteries, challenges, or competitions, whether or not prizes, awards, gifts, remuneration or items of value are awarded. The Contractor shall neither solicit nor market directly to any NYSIF employees in their individual capacities. If the Contractor maintains identifiable records of NYSIF employees in connection with its performance hereunder, such records shall not commercially exploit its relationship with NYSIF nor use NYSIF, its name, trademarks or logo for any advertising, marketing or other commercial purpose without prior written approval. This clause shall survive termination of any awarded contract.

36. CONTRACTOR CONSULTANT LAW

Effective June 19, 2006, Chapter 10 of the Laws of 2006 amended the Civil Service and State Finance Laws, relative to maintaining certain information on contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as "contracts entered into by a state agency for *analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services*". The amendments require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), the Division of the Budget (DOB) and the Department of Civil Service (CS).

To meet these new requirements, the awarded contractor agrees to complete Form A - Contractor's Planned Employment Form, and Form B – Contractor's Annual Employment Report.

For more information on this requirement, please see the NYS Office of the State Comptroller's [Guide to Financial Operations](#) Section [XI.18.C Consultant Disclosure Legislation](#).

37. INSURANCE

Prior to the commencement of the work, Contractor shall file with NYSIF Certificates of Insurance evidencing compliance with all requirements contained in the Bid Documents. Acceptance and/or approval by NYSIF do not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under this Agreement.

Contractor shall cause all insurance to be in full force and effect as of the commencement date of this Agreement and to remain in full force and effect throughout the term of this Agreement and as further required by this Agreement. Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

38. PERFORMANCE / BID BOND

NYSIF reserves the right to require a Bidder or Contractor to furnish without additional cost, a performance, payment or Bid bond or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract. Where required, such bond or other security shall be in the form prescribed by NYSIF.

The parties may, from time to time, specify any new or different address in the United States as their address for the purpose of receiving notice under this Agreement by giving fifteen (15) days written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under this Agreement. Additional individuals may be designated in writing by the parties for purposes of implementation and administration/billing, resolving issues and problems and/or for dispute resolution.

For Public Works Agreements, Contractor must provide notice to NYSIF within 15 calendar days of the date that the contractor knew or should have known of the facts that form the basis of the claim, unless a different time frame is provided elsewhere in this Agreement. Notice should be as factually complete as possible. Further, Contractor has a continuing duty to promptly provide NYSIF with information about the condition and the claim. NYSIF shall provide Contractor with written acknowledgement of its receipt of notice, but NYSIF's failure to provide written acknowledgement shall not be a breach of contract or in any way alter the Contractor's obligation to provide timely notice.

40. MODIFICATIONS TO THE AGREEMENT

This Agreement may not be modified, renewed or discharged, except as herein specifically provided, or by an agreement in writing signed by both parties and, if applicable, approved by the Office of the State Comptroller or Department of Financial Services.

During the term of the contract, the contract may be amended as changes occur within the industry. NYSIF reserves the right to consider amendments which are not specifically covered by the terms of the contract but are judged to be in the best interest of NYSIF and the State. Examples of amendments may include but are not limited to new job titles under the Department of Labor Prevailing Wages, new categories of expertise, ancillary job classifications, on-going services, etc. NYSIF or the contractor may suggest changes. If the contractor offers new job titles or services, these services may be made available under this contract and may be offered at maximum not to exceed prices. It shall be the contractor's responsibility to submit to NYSIF service changes for consideration for contract amendment. These changes, if approved, shall take effect upon written notification by NYSIF and may be subject to approval by the Office of the State Comptroller or Department of Financial Services.

41. SEVERABILITY

In the event that any provision of this Agreement shall be considered void, voidable, illegal or invalid for any reason, such provision shall be of no force and effect only to the extent that it is so declared void, voidable, illegal or invalid. All of the provisions of this Agreement not specifically found to be so deficient shall remain in full force and effect.

42. CHOICE OF LAW: VENUE

This Agreement shall be governed by and construed under the laws of the State of New York, without giving effect to the choice of law or conflict of law provisions thereof.

**NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or owner's official representative authorized to legally bind the Reporting Entity must certify the truth of the questionnaire answers.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at ITServiceDesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <https://www.osc.state.ny.us/files/vendors/2017-11/vendor-questionnaire-definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor must read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered fully. Each response must provide all relevant information to appropriately explain the answer. If you have concerns as to the legal requirements behind your answers, please seek clarification from your counsel. However, information regarding a determination or finding made in error which was subsequently corrected or overturned, and/or was withdrawn by the issuing government entity is not required to be identified. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity, or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity. Please refer to the Definitions List for the complete definition.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES: REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The NYS Insurance Fund (NYSIF) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR") for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the "Contractor" and the "Contract," respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to NYSIF, to fully comply and cooperate with NYSIF in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for New York State- certified minority and women-owned business enterprises ("MWBEs"). The Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section IV of this Appendix and such other remedies are available to NYSIF pursuant to the Contract and applicable law.

II. Contract Goals

- A. For purposes of this Contract, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set goals for participation by MWBE's as subcontractors, service providers and suppliers to Contractor. Contractor is however, encouraged to make every good faith effort to promote and assist the participation of MWBE's on this Contract for the provision of service and materials. The directory of New York State Certified MWBE's can be viewed at: <https://ny.newnycontracts.com>. Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.
- B. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that

shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract]

III. Equal Employment Opportunity ("EEO")

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- B. In performing the Contract, the Contractor shall:
 - 1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 - 2. The Contractor shall submit an EEO policy statement to NYSIF within seventy-two (72) hours after the date of the notice by NYSIF to award the Contract to the Contractor.
 - 3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, NYSIF may require the Contractor or subcontractor to adopt a model statement (see Form 106 – Equal Employment Opportunity Policy Statement).
 - 4. The Contractor's EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. ONLY FOR CONTRACTS WITH A TOTAL EXPENDITURE IN EXCESS OF \$250,000: The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Form 101 - Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal or within a reasonable time, as directed by NYSIF.

For Construction Contracts, the Contractor is required to submit a Workforce Utilization Report on a Monthly basis.
 2. Separate forms shall be completed by the Contractor and any subcontractors.
 3. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.
- E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A. Where NYSIF determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to NYSIF liquidated damages.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by NYSIF, the Contractor shall pay such liquidated damages to NYSIF within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

APPENDIX S

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES (SDVOB)

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), thereby further integrating such businesses into New York State's economy. NYSIF recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSIF contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

CONTRACT GOALS

For purposes of this procurement, NYSIF conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>.

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

SDVOB UTILIZATION PLAN

☐ Initial Plan ☐ Revised plan Contract/Solicitation # _____

INSTRUCTIONS: This Utilization Plan must contain a detailed description of the supplies and/or services to be provided by each NYS Certified Service-Disabled Veteran-Owned Business (SDVOB) under the contract. By submission of this Plan, the Bidder/Contractor commits to making good faith efforts in the utilization of SDVOB subcontractors and suppliers as required by the SDVOB goals contained in the Solicitation/Contract. Making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Firms that do not perform commercially useful functions may not be counted toward SDVOB utilization. Attach additional sheets if necessary.

3. The fulfillment of obligations by the Firm, as proposed in the response, does not and will not compromise the Firm's ability to carry out its obligations under any existing contracts between the Firm and the State;
4. The fulfillment of any other contractual obligations that the Firm has with the State will not affect or influence its ability to perform under any contract with the State resulting from this Contract;
5. During the negotiation this Contract, the Firm will not knowingly take any action or make any decision which creates a potential for conflict of interest or might cause a detrimental impact to the State as a whole including, but not limited to, any action or decision to divert resources from one State project to another;
6. In fulfilling obligations under each of its State contracts, including any contract which results from this Contract, the Firm will act in accordance with the terms of each of its State contracts and will not knowingly take any action or make any decision which might cause a detrimental impact to the State as a whole including, but not limited to, any action or decision to divert resources from one State project to another;
7. No former officer or employee of the State who is now employed by the Firm, nor any former officer or employee of the Firm who is now employed by the State, has played a role with regard to the administration of this contract procurement in a manner that may violate section 73(8)(a) of the State Ethics Law; and
8. The Firm has not and shall not offer to any employee, member or director of the State any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or

promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

Firms engaged under this Solicitation should note that the State recognizes that conflicts may occur in the future because a Firm may have existing or new relationships. APPENDIX X

EO 177 CERTIFICATION PROHIBITING STATE CONTRACTS WITH ENTITIES THAT SUPPORT DISCRIMINATION

The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, pregnancy or pregnancy-related conditions, sexual orientation, gender identity, disability, marital status, familial status, domestic violence victim status, prior arrest or conviction record, military status or predisposing genetic characteristics.

The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

Generally, the Human Rights Law applies to:

- all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment;
- employers with fewer than four employees in all cases involving sexual harassment; and,
- any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, the Bidder hereby certifies that it does not have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status under the Human Rights Law.

Executive Order No. 177 and this certification do not affect institutional policies or practices that are protected by existing law, including but not limited to the First Amendment of the United States Constitution, Article 1, Section 3 of the New York State Constitution, and Section 296(11) of the New York State Human Rights Law.
