

**NYSIF REQUEST FOR INFORMATION
CLAIMS AUDITING SERVICES – OUT OF NEW YORK STATE POLICIES
RFI # 2023-19-INS**

1. OVERVIEW OF THE NEW YORK STATE INSURANCE FUND

The New York State Insurance Fund (NYSIF) was established in 1914 as part of the original enactment of the New York State Workers' Compensation Law. NYSIF's mission is to guarantee the availability of workers' compensation insurance at the lowest possible cost to New York employers and to provide timely, appropriate indemnity and medical payments to injured workers, while maintaining a solvent fund. Since inception, NYSIF has fulfilled the dual roles for which it was created: to compete with other carriers to ensure a fair marketplace and to be a guaranteed source of coverage for employers who cannot secure coverage elsewhere.

NYSIF is the largest workers' compensation carrier in New York State and among the top 10 largest workers' compensation carriers in the nation, insuring approximately 155,000 policyholders, with more than \$2 billion in annual premium and \$18 billion in assets. A self-supporting insurance carrier, NYSIF operates without taxpayer funding.

In addition to workers' compensation insurance, NYSIF provides disability benefits coverage for off-the-job injuries to more than 61,000 New York employers. In 2018, NYSIF added Paid Family leave as a component of its disability benefits product, providing New Yorkers with job-protected, paid time away from work to care for their families.

2. PURPOSE OF THIS REQUEST FOR INFORMATION (RFI)

The New York State Insurance Fund is in the process of gathering information from qualified firms who provide national workers' compensation claims auditing services. Under the NYSIF out-of-state coverage program, policies written under the program are intended to cover all workers' compensation obligations in all U.S. states and the District of Columbia, except: New York State (as they would already be covered by a NYSIF policy, Ohio, North Dakota, Wyoming and Washington (which mandate purchase of workers' compensation through those state funds), and U.S. territories such as U.S. Virgin Islands, Guam, Puerto Rico, etc. We are seeking information if qualified firms provide this type of service and if they can fulfill the requirements as outlined by NYSIF below.

There will not be a contract award for purchase of services or products directly resulting from this RFI. However, we may use this information garnered from the RFI process in future procurement(s). Respondents will be placed on a mailing list and will receive an announcement of any subsequent Request for Proposals (RFP) that may arise from the RFI. Any decision to subsequently issue an RFP for such services will be at the sole discretion of NYSIF, and NYSIF is under no obligation to initiate such an RFP.
