### Paid Sick Leave/Disability Benefits/Paid Family Leave

#### **ELIGIBILITY**

- 1. If I am out of work because I have been furloughed or laid off as a result of the COVID-19 pandemic, do I qualify for benefits?**

If you are out of work because you have been furloughed or laid off as a result of the COVID-19 pandemic, you may be eligible for unemployment insurance benefits and should contact the NYS Department of Labor at [labor.ny.gov](http://labor.ny.gov) to see if you are eligible.

- 2. If I am out of work because I am under an order of mandatory or precautionary quarantine or isolation issued by the state or local Department of Health, or other authorized government entity ("quarantine order") related to COVID-19, am I eligible for benefits?**

If you are under a quarantine order, you may be eligible for job-protected sick leave and compensation through a combination of Disability Benefits (DB) and Paid Family Leave (PFL) insurance benefits.

- 3. Do I have to use my sick leave accruals for leave because I am under a mandatory or precautionary order of quarantine or isolation?**

No, your employer must provide you with the required number of paid sick leave days without charge to any of your existing paid sick leave accruals.

- 4. NYSIF is my employer's DB and PFL insurance carrier. In what situations could I be eligible for benefits because of the COVID-19 pandemic?**

If you are unable to work because:

- **you are subject to a quarantine order:** you may be eligible for paid sick leave ('PSL' or 'quarantine leave') by your employer and a combination of DB and PFL benefits from NYSIF
- **your minor child is under a quarantine order:** you may be eligible for PFL benefits from NYSIF
- **you are caring for a family member who has been diagnosed with COVID-19:** you may be eligible for PFL benefits from NYSIF
- **you have been diagnosed with COVID-19:** you may be eligible for DB from NYSIF

**5. If I independently decide to self-quarantine, am I eligible for COVID-19 quarantine leave and benefits?**

No. You must be subject to a quarantine order. Benefits are available when an individual is under an order of mandatory or precautionary quarantine. Entities that may issue a qualifying order include the State of New York, the NYS Department of Health, local Department of Health or any government entity authorized to issue such order.

**6. Am I eligible for benefits if I stay home with my child because the school is closed due to COVID-19?**

If the school is closed due to a quarantine order, you may be eligible for PFL. If a school closes for preventative social distancing, you do not qualify for PFL or DB benefits, but you should check with your employer to see if there are any other benefits that may be available. You may also be eligible for paid sick leave after April 1, 2020, under the Federal Emergency Paid Sick Leave Act. For more information, visit [dol.gov](https://dol.gov).

**7. If I am able to work from home while under a quarantine order, am I eligible for benefits?**

No. If you are not showing symptoms or have not been diagnosed with a medical condition, and you are physically able to work through remote access or similar means, you are not eligible for benefits.

**8. Am I eligible for benefits if I am quarantined because I recently returned from traveling to another country?**

No. You are not eligible for benefits when subject to a quarantine order because:

- you traveled to a country with a level two or three health notice from the CDC, and
- your travel was not at the direction of your employer, and
- you were provided notice of the travel health notice, and
- knew about this restriction in the new law.

**APPLYING FOR BENEFITS**

**9. What type of documentation is needed to file a claim because I am under a quarantine order as a result of COVID-19?**

In order to apply for benefits from NYSIF, you must provide a copy of the quarantine order issued by a governmental entity authorized to issue such an order.

**Please note:** A note from your health care provider, a letter from your employer directing that you stay home, or the Governor's direction that non-essential employees are to stay home, is not sufficient documentation for benefits.

**10. How long do I have to apply for COVID-19 Quarantine DB/PFL benefits?**

If you are a full-time employee and have not worked for your employer for 26 consecutive weeks or a part time employee and have not worked for your employer for 175 days, you are not eligible for the PFL portion of the benefit.

### **19. What effect does the Federal Emergency Paid Sick Leave Act have on my benefits?**

Starting April 1, 2020, if you are subject to a quarantine order, you may be entitled to regular wages from your employer for up to 80 hours. The Federal Emergency Paid Sick Leave Act is much more expansive and covers other reasons you may be out of work related to COVID-19. Visit [dol.gov](https://www.dol.gov) for more information.

### **20. Are quarantine leave, PFL and DB insurance benefits available retroactively?**

Yes. The employee may take quarantine leave and receive PFL and DB insurance benefits if still currently under a quarantine order even if that order was issued prior to the enactment of the COVID-19 quarantine leave legislation.
