IF YOU ARE UNABLE TO WORK BECAUSE OF A NON-OCCUPATIONAL ILLNESS OR INJURY, YOU MAY BE ENTITLED TO DISABILITY BENEFITS

- 1. Your employer is required by law to provide for the payment of disability benefits to their employees.
- 2. Statutory disability benefits are payable for any non-work related injury or illness (including disability due to pregnancy) beginning with the 8th consecutive day of disability. Benefits are payable for up to 26 weeks. The total amount of combined paid family and disability leave an employee may take in a 52 consecutive week period may not exceed 26 weeks. Benefit payments are based on your average weekly wages for the eight weeks immediately prior to your disability, and are subject to the maximum allowable by the law in effect on the initial day of disability. Your employer or union may provide for different benefits which are at least as favorable as statutory benefits under an approved Disability Benefits Plan or Agreement.
- 3. TO CLAIM BENEFITS you should file written notice and proof of disability (Claim Form DB-450) with your employer or the insurance carrier named below within 30 days from the first day of your disability, or all or part of your claim may be rejected. In no event should you wait more than 26 weeks from that date to file a claim. You may obtain Form DB-450 from your employer, its insurance carrier, your health care provider or by contacting the Workers' Compensation Board. (See address and telephone number below.) **Do not** assume that your employer has filed a claim on your behalf; **claim filing is your responsibility.**
- 4. You are entitled to be treated by any physician, chiropractor, dentist, nurse-midwife, podiatrist or psychologist of your choice. Unlike workers' compensation, your medical bills will **not** be paid by your employer or the insurance carrier, unless your employer and/or union provides for the payment of medical bills under an approved Disability Benefits Plan or Agreement.
- 5. Disability benefits are to be paid **directly** to you by the insurance carrier, **not through your employer**, unless your employer is an approved self-insurer.
- 6. If your employer or the insurance carrier contends that you are not entitled to the payment of disability benefits, they are required to send you a Notice of Rejection, within 45 days of the filing of your claim, telling you the reasons benefits are not being paid. If you disagree with their rejection, you have a legal right to request a review of the rejection by the Workers' Compensation Board. IMPORTANT: If within 45 days of filing your claim you do not receive benefits and do not receive a Notice of Rejection (Form DB-451), promptly contact the Workers' Compensation Board at the telephone number below.
- 7. If your disability is the result of an automobile accident and you have filed a claim for no-fault benefits, you must also file a claim (Form DB-450) for disability benefits. If you do not file for disability benefits, the no-fault insurer may reduce your no-fault payments. IMPORTANT: In such cases, if you are not entitled to disability benefits, immediately advise the no-fault insurance carrier.
- 8. Your employer may not ask you to waive your right to disability benefits nor may your employer deduct more than 60 cents a week (unless the additional contribution is part of an approved plan) from your pay to contribute to the payment of disability benefits insurance premiums. You cannot be discharged or discriminated against for filing a claim for disability benefits.

IF YOU HAVE DIFFICULTY IN OBTAINING A CLAIM FORM OR NEED HELP IN FILLING IT OUT, OR IF YOU HAVE ANY OTHER QUESTIONS OR PROBLEMS ABOUT A NON-WORK RELATED INJURY OR ILLNESS, CONTACT ANY OFFICE OF THE WORKERS' COMPENSATION BOARD.

This information is a simplified presentation of your rights as required by Section 229 of the Disability and Paid Family Leave Benefits Law. Your employer's disability benefits insurance carrier is:
