STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

4. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

5. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

6. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

7. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the

Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

8. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

9. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

10. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

11. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property

and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

12. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Exhibit A, the terms of this Exhibit A shall control.

13. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

14. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

15. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

16. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

17. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

18. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

20. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain.

NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

21. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

22. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

23. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

24. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.
To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

25. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

BID SUBMISSION

5. NOTIFICATION TO ALL BIDDERS

NYSIF is responsible for providing addenda or responding to questions from prospective Bidders. If it is necessary to revise the Bid Documents before the due date for bids, amendments will be posted on NYSIF's website: www.nysif.com/procurement.

By submitting a bid, Bidders are certifying they are qualified to perform the proposed work. Bidders shall have the necessary staff, equipment, compliance, etc. as set forth in the Bid Documents.

6. INTERNATIONAL BIDDING

All offers (tenders), and all information and Product required by the solicitation or provided as explanation thereof, shall be submitted in English. All prices shall be expressed, and all payments shall be made, in United States Dollars ($US). Any offers (tenders) submitted which do not meet the above criteria will be rejected.

7. BID OPENING

Bids may, as applicable, be opened publicly. NYSIF reserves the right at any time to postpone or cancel a scheduled Bid opening.

8. BID SUBMISSION

All Bids are to be packaged, sealed and submitted to the location stated in the Bid Specifications. Bidders are solely responsible for timely delivery of their Bids to the location set forth in the Bid Specifications prior to the stated Bid opening date and time.

In the event that a Bidder fails to provide such information on the return Bid envelope or shipping material, the receiving entity reserves the right to open the shipping package or envelope to determine the proper Bid number or Product group, and the date and time of Bid opening. Bidder shall have no claim against the receiving entity arising from such opening and such opening shall not affect the validity of the Bid or the procurement.

Notwithstanding the receiving agency's right to open a Bid to ascertain the foregoing information, Bidder assumes all risk of late delivery associated with the Bid not being identified, packaged or labeled in accordance with the foregoing requirements.

All Bids must be signed by a person authorized to commit the Bidder to the terms of the Bid Documents and the content of the Bid (offer).

9. LATE BIDS

For purposes of Bid openings held and conducted by NYSIF, a Bid must be received in such place as may be designated in the Bid Documents at or before the date and time established in the Bid Specifications for the Bid opening.

Any Bid received at the specified location after the time specified will be considered a late Bid. A late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of the Bid Documents are received or, (ii) in the case of a multiple award, an insufficient number of timely Bids were received to satisfy the multiple awards; and acceptance of the late Bid is in the best interests of NYSIF. Bids submitted for continuous or periodic recruitment contract awards must meet the submission requirements associated with their specifications. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of NYSIF shall not excuse late Bid submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late Bid submissions. Determinations by NYSIF relative to Bid timeliness shall be final.

10. BID CONTENTS

Bids must be complete and legible. All Bids must have original signatures. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by NYSIF or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Bidders are cautioned to verify their Bids before submission, as amendments to Bids or requests for withdrawal of Bids received by NYSIF after the time specified for the Bid opening, will not be considered.

11. ERRORS AND OMISSIONS

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in Bid Documents, immediately notify one of the Designated Contacts of such error and request the clarification or modification thereof. Notice to NYSIF of any problems described above must be made in writing and received at NYSIF on or before the date and time shown as the final date for Bidder inquiries. Any modifications deemed necessary by NYSIF shall be given by written notice and posted on NYSIF's Procurement website (www.nysif.com/procurement).

If prior to the final filing date for submission of a bid, a Bidder fails to notify NYSIF of a known error or an error that reasonably should have been known, the Bidder shall assume the risk. If awarded the contract, the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. EXTRANEOUS TERMS

Bids must conform to the terms set forth in the Bid Documents, as extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the Bid non-responsive and may result in rejection of the Bid.

Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

Only those extraneous terms that meet all the following requirements may be considered as having been submitted as part of the Bid:

a. Each proposed extraneous term must be specifically enumerated in the "Comments and Limitations" section of the proposer's bid response; and

b. The Bidder must identify the particular specification requirement (if any) that Bidder rejects or proposes to modify by inclusion of the extraneous term; and

c. The Bidder shall enumerate the proposed addition, deletion, counter-offer, modification or deviation from the Bid Document, and the reasons therefore.

No extraneous term(s), whether or not deemed "material," shall be incorporated into a Contract or Purchase Order unless submitted in accordance with the above and NYSIF expressly accepts each such term(s) in writing. Acceptance and/or processing of the Bid shall not constitute such written acceptance of Extraneous Term(s).

13. CONFIDENTIAL/TRADE SECRET MATERIALS

Trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the Bidder. Marking the Bid as "confidential" or "proprietary" on its face or in the document header or footer shall not be considered by NYSIF to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. Bidders/Contractors intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing at the time of bid submission, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

Contractor further warrants, covenants and represents that any confidential information obtained by Contractor, its agents, Subcontractors, officers, distributors, resellers or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the State or NYSIF hereunder or received from another third party, will not be divulged to any third parties. Contractor shall not be required to keep confidential any such material that is publicly available through no fault of Contractor, independently developed by Contractor without reliance on confidential information of NYSIF, or otherwise obtained under the Freedom of Information Act or other applicable New York State laws and regulations. This warranty shall survive termination of this Contract. Contractor further agrees to take appropriate steps as to its agents, Subcontractors, officers, distributors, resellers or employees regarding the obligations arising under this clause to insure such confidentiality.

14. RELEASE OF BID EVALUATION MATERIALS

Requests concerning the evaluation of Bids may be submitted under the Freedom of Information Law. Information, other than statistical or factual tabulations or data such as the Bid Tabulation, shall only be released as required by law after Contract award. Bid Tabulations are not maintained for all procurements. Names of Bidders may be disclosed after Bid opening upon request. Written requests should be directed to contracts@nysif.com.

15. FREEDOM OF INFORMATION LAW

During the evaluation process, the content of each Bid will be held in confidence and details of any Bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. If the Bid contains any such trade secret or proprietary information, a written request to NYSIF to not disclose such information must accompany the Bid. Such request must state with particularity the reasons why the information should not be available for disclosure and must be provided at the time of submission of the Bid. Notations in the header, footer or watermark of the Bid Document will not be considered sufficient to constitute a request for non-disclosure of trade secret or proprietary information. Where a Freedom of Information request is made for a trade secret or proprietary information, NYSIF reserves the right to determine upon written notice to the Bidder whether such information qualifies for the exemption for disclosure under the law. Notwithstanding the above, where a Bid tabulation is prepared and Bids publicly opened, such Bid tabulation shall be available upon request.

16. PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "**Public** Works" and "Building Services" - Definitions

i. **Public Works** Labor Law Article 8 applies to contracts for public improvement in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts). The State, a public benefit corporation, a municipal corporation (including a school district), or a commission appointed by law must be a party to the Contract. The wage and hours provision applies to any work performed by Contractor or Subcontractors.

ii. **Building Services** Labor Law Article 9 applies to Contracts for building service work over $1,500 with a public agency, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or

equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. **Prevailing Wage Rate Applicable to Bid Submissions** A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents. Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified.

c. **Wage Rate Payments / Changes During Contract Term** The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. **Public Posting & Certified Payroll Records** In compliance with Article 8, Section 220 of the New York State Labor Law:

i. **Posting** The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

ii. **Payroll Records** Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over $25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.

iii. **Submission of Certified Payroll Transcripts for Public Works Contracts Only** Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to NYSIF that has prepared or directs the preparation of the plans and specifications for a public works project, as set forth in the Bid Specifications. For Mini-Bid solicitations, the payroll records must be submitted to the entity preparing the agency Mini-Bid project specification. For "agency specific" Bids, the payroll records should be submitted to the entity issuing the purchase order. For all other OGS Centralized Contracts, such records should be submitted to the individual agency issuing the purchase order(s) for the work. Upon mutual agreement of the Contractor and NYSIF, the form of submission may be submitted in a specified disk format acceptable to the Department of Labor provided: 1) the Contractor/Subcontractor retains the original records; and, (2) an original signed letter by a duly authorized individual of the Contractor or Subcontractor attesting to the truth and accuracy of the records accompanies the disk. This provision does not apply to Article 9 of the Labor Law building services contracts.

iv. **Records Retention** Contractors and Subcontractors must preserve such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

Day's Labor Eight hours shall constitute a legal day's work for all classes of employees in this state except those engaged in farm and domestic service unless otherwise provided by law.

No laborers, workmen or mechanics in the employ of the Contractor, Subcontractor or other person doing or contracting to do all or part of the work contemplated by the Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five calendar days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. "Extraordinary emergency" shall be deemed to include situations in which sufficient laborers, workers and mechanics cannot be employed to carry on public work expeditiously as a result of such restrictions upon the number of hours and days of labor and the immediate commencement or prosecution or completion without undue delay of the public work is necessary, in the judgment of the NYS Commissioner of Labor, for the preservation of the Contract site or for the protection of the life and limb of the persons using the Contract site.

17. TAXES

a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.

b. Purchases made by NYSIF are exempt from New York State and local sales taxes and, with certain exceptions, federal excise taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by NYSIF or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to the State, an exempt organization under Section 1116 (a) (1) of the Tax Law. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.

c. Pursuant to Revised Tax Law 5-a, Contractor will be required to furnish sales tax certification on its behalf and for its affiliates, and subcontractors for Contracts with a value greater than $100,000 in accordance with provisions of the law.

18. EXPENSES PRIOR TO CONTRACT EXECUTION

NYSIF is not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid or best-and-final offers or for any work performed prior to Contract execution.

19. ADVERTISING RESULTS

The prior written approval of NYSIF is required in order for results of the Bid to be used by the Contractor as part of any commercial advertising. The Contractor shall also obtain the prior written approval of NYSIF relative to the Bid or Contract for press or other media releases.

20. PRODUCT REFERENCES

a. "**Or Equal**" In all Bid Specifications the words "or equal" are understood to apply where a copyrighted, brand name, trade name, catalog reference, or patented Product is referenced. References to such specific Product are intended as descriptive, not restrictive, unless otherwise stated. Comparable Product will be considered if proof of compatibility is provided, including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. NYSIF's decision as to acceptance of the Product as equal shall be final.

b. **Discrepancies in References** In the event of a discrepancy between the model number referenced in the Bid Specifications and the written description of the Products which cannot be reconciled, with respect to such discrepancy, then the written description shall prevail.

21. REMANUFACTURED, RECYCLED, RECYCLABLE OR RECOVERED MATERIALS

Upon the conditions specified in the Bid Specifications and in accordance with the laws of the State of New York, Contractors are encouraged to use recycled, recyclable or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health, welfare, safety requirements or in the Bid Specifications. Contractors are further encouraged to offer remanufactured Products to the maximum extent practicable without jeopardizing the performance or intended end use of the Product and unless such use is precluded due to health, welfare, safety requirements or by the Bid Specifications. Where such use is not practical, suitable, or permitted by the Bid Specifications, Contractor shall deliver new materials in accordance with the "Warranties" set forth below.

Items with recycled, recyclable, recovered, refurbished or remanufactured content must be identified in the Bid or Bidder will be deemed to be offering new Product.

22. WARRANTIES

Where Contractor, product manufacturer or service provider generally offers additional or more advantageous warranties than set forth below, Contractor shall offer or pass through any such warranties to NYSIF. Contractor hereby warrants and represents:

a. **Product Performance** Contractor warrants and represents that Products delivered pursuant to this Contract conform to the manufacturer's specifications, performance standards and documentation, and the documentation fully describes the proper procedure for using the Products.

b. **Title and Ownership Warranty** Contractor warrants, represents and conveys (i) full ownership, clear title free of all liens, or (ii) the right to transfer or deliver perpetual license rights to any Products transferred to NYSIF under this Contract. Contractor shall be solely liable for any costs of acquisition associated therewith. Contractor fully indemnifies the NYSIF for any loss, damages or actions arising from a breach of said warranty without limitation.

c. **Contractor Compliance** Contractor represents and warrants to pay, at its sole expense, for all applicable permits, licenses, tariffs, tolls and fees to give all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of the Commissioner that it meets or exceeds all requirements of the Bid/Contract and any applicable laws, including but not limited to, permits, insurance coverage, licensing, proof of coverage for worker's compensation and disability benefits (form C-105.2 and form DB-120.1, respectively), and shall provide such proof as required by the Commissioner. Failure to do so may constitute grounds for the Commissioner to cancel or suspend this Contract, in whole or in part, or to take any other action deemed necessary by the Commissioner.

d. **Product Warranty** Unless recycled or recovered materials are available in accordance with the "Recycled or Recovered Materials" clause herein, Product offered shall be standard new equipment, current model or most recent release of regular stock product with all parts regularly used with the type of equipment offered; and no attachment or part has been substituted or applied contrary to the manufacturer's recommendations and standard practice.

Contractor further warrants and represents that components or deliverables specified and furnished by or through Contractor shall individually, and where specified and furnished as a system, be substantially uninterrupted or error-free in operation and guaranteed against faulty material and workmanship for the warranty period, or for a minimum of one (1) year from the date of acceptance, whichever is longer ("Project warranty period"). During the Project warranty period, defects in the materials or workmanship of components or deliverables specified and furnished by or through Contractor shall be repaired or replaced by Contractor at no cost or expense to NYSIF. Contractor shall extend the Project warranty period for individual component(s), or for the System as a whole, as applicable, by the cumulative period(s) of time, after notification, during which an individual component or the System requires servicing or replacement (down time) or is in the possession of the Contractor, its agents, officers, Subcontractors, distributors, resellers or employees ("extended warranty").

Where Contractor, the Independent Software Vendor ("ISV"), or other third party manufacturer markets any Project Deliverable delivered by or through Contractor with a standard commercial warranty, such standard warranty shall be in addition to, and not relieve the Contractor from, Contractor's warranty obligations during the project warranty and extended warranty period(s). Where such standard commercial warranty covers all or some of the Project warranty or extended warranty period(s), Contractor shall be responsible for the coordination during the Project warranty or extended warranty period(s) with ISV or other third party manufacturer(s) for warranty repair or replacement of ISV or other third party manufacturer's Product.

Where Contractor, ISV or other third party manufacturer markets any Project Deliverable with a standard commercial warranty which goes beyond the Project warranty or extended warranty period(s), Contractor shall notify NYSIF and pass through the manufacturer's standard commercial warranty to NYSIF at no additional charge; provided, however, that Contractor shall not be responsible for coordinating services under the third party extended warranty after expiration of the Project warranty and extended warranty period(s).

e. **Replacement Parts Warranty** If during the regular or extended warranty period's faults develop, the Contractor shall promptly repair or, upon demand, replace the defective unit or component part affected. All costs for labor, material and transportation incurred to repair or replace defective Product during the warranty period shall be borne solely by the Contractor, and the State or NYSIF shall in no event be liable or responsible for such costs.

Any part of component replaced by the Contractor under the Contract warranty shall be replaced at no cost to NYSIF and guaranteed for the greater of: a) the warranty period under paragraph (d) above; or b) if a separate warranty for that part or component is generally offered by the manufacturer, the standard commercial warranty period offered by the manufacturer for the individual part or component.

f. **Virus Warranty** The Contractor represents and warrants that Licensed Software contains no known viruses. Contractor is not responsible for viruses introduced at Licensee's site.

g. **Date/Time Warranty** Contractor warrants that Product(s) furnished pursuant to this Contract shall, when used in accordance with the Product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a Contractor proposes or an acquisition requires that specific Products must perform as a package or system, this warranty shall apply to the Products as a system.

Where Contractor is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g., billing, invoicing, claim processing), Contractor warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of Contractor's business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. Contractor shall be responsible for damages resulting from any delays, errors or untimely performance resulting therefrom, including but not limited to the failure or untimely performance of such services.

This Date/Time Warranty shall survive beyond termination or expiration of this contract through: a) ninety (90) days or b) the Contractor's or Product manufacturer/developer's stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

h. **Workmanship Warranty** Contract warrants that all components or deliverables specified and furnished by or through Contractor under the Project Definition/Work Order meet the completion criteria set forth in the Project Definition/Work Order and any subsequent statement(s) of work, and that services will be provided in a workmanlike manner in accordance with industry standards.

i. **Survival of Warranties** All warranties contained in this Contract shall survive the termination of this Contract.

23. PRODUCTS MANUFACTURED IN PUBLIC INSTITUTIONS

Bids offering Products that are manufactured or produced in public institutions will be rejected.

24. PRICING

a. **Unit Pricing** If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of NYSIF, such unit pricing is obviously erroneous.

b. **Net Pricing** Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.

c. **"No Charge" Bid** When Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid "no charge" on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of NYSIF.

d. **Third Party Financing** If Product acquisitions are financed through any third party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a "Consent & Acknowledgment Agreement" in a form acceptable to NYSIF.

e. **Best Pricing Offer** During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of NYSIF, shall be immediately reduced to the lower price.

f. **Price Decreases** Price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after:

i. **GSA Changes**: Where NYS Net Prices are based on an approved GSA Schedule, the date the approved GSA Schedule pricing decreases during the Contract term; or

ii. **Commercial Price List Reductions**: Where NYS Net Prices are based on a discount from Contractor's list prices, the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or

Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) without being in conflict with, or obligation to comply on a global basis, with the terms of this clause.

g. **Best and Final Prices** As specified in the Bid Documents and Contract, a Contractor may be solicited at the time of issuance of a Purchase Order or Mini-Bid award for best and final pricing for the Product or service to be delivered. Contractors are encouraged to reduce their pricing upon receipt of such request.

25. DRAWINGS

a. **Drawings Submitted With Bid** When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by NYSIF, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.

b. **Drawings Submitted During the Contract Term** Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to the Commissioner's representative.

c. **Accuracy of Drawings Submitted** All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of product, connections and components. Drawings and diagrams are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing product, services or installation, or carrying out any other requirements of the intended scope of work.

26. SITE INSPECTION

Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder's ability to properly deliver, install or otherwise provide the required Product/Services. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

27. SAMPLES

a. **Standard Samples** Bid Specifications may indicate that the Product to be purchased must be equal to a standard sample on display in a place designated by NYSIF and such sample will be made available to the Bidder for examination prior to the opening date. Failure by the Bidder to examine such sample shall not entitle the Bidder to any relief from the conditions imposed by the Bid Specifications.

b. **Bidder Supplied Samples** NYSIF reserves the right to request from the Bidder/Contractor a representative sample(s) of the Product offered at any time prior to or after award of a contract. Unless otherwise instructed, samples shall be furnished within the time specified in the request. Untimely submission of a sample may constitute grounds for rejection of Bid or cancellation of the Contract. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, any descriptive literature relating to the Product and a statement indicating how and where the sample is to be returned. Where applicable, samples must be properly labeled with the appropriate Bid or Contract reference.

A sample may be held by NYSIF during the entire term of the Contract and for a reasonable period thereafter for comparison with deliveries. At the conclusion of the holding period the sample, where feasible, will be returned as instructed by the Bidder, at the Bidder's expense and risk. Where the Bidder has failed to fully instruct NYSIF as to the return of the sample (i.e., mode and place of return, etc.) or refuses to bear the cost of its return, the sample shall become the sole property of the receiving entity at the conclusion of the holding period.

c. **Enhanced Samples** When an approved sample exceeds the minimum specifications, all Product delivered must be of the same enhanced quality and identity as the sample. Thereafter, in the event of a Contractor's default, NYSIF may procure a Product substantially equal to the enhanced sample from other sources, charging the Contractor for any additional costs incurred.

d. **Conformance with Sample(s)** Submission of a sample (whether or not such sample is tested by, or for, NYSIF) and approval thereof shall not relieve the Contractor from full compliance with all terms and conditions, performance related and otherwise, specified in the Bid Specifications. If in the judgment of NYSIF the sample or product submitted is not in accordance with the specifications or testing requirements prescribed in the Bid Specifications, NYSIF may reject the Bid. If an award has been made, NYSIF may cancel the Contract at the expense of the Contractor.

e. **Testing** All samples are subject to tests in the manner and place designated by NYSIF, either prior to or after Contract award. Unless otherwise stated in the Bid Specifications, Bidder samples consumed or rendered useless by testing will not be returned to the Bidder. Testing costs for samples that fails to meet Contract requirements may be at the expense of the Contractor.

BID EVALUATION

28. BID EVALUATION

NYSIF reserves the right to accept or reject any and all Bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if NYSIF determines the best interests of the State will be served. NYSIF, in its sole discretion, may accept or reject illegible, incomplete or vague Bids and its decision shall be final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the offer.

29. CONDITIONAL BID

Unless the Bid Specifications provides otherwise, a Bid is not rendered non-responsive if the Bidder specifies that the award will be accepted only on all or a specified group of items or Product included in the specification. It is understood that nothing herein shall be deemed to change or alter the method of award contained in the Bid Documents.

30. CLARIFICATIONS / REVISIONS

Prior to award, NYSIF reserves the right to seek clarifications from Bidders on the contents of the bid/proposals Other than to provide such information as may be requested by NYSIF, no Bidder will be allowed to alter its proposal or add new information after the final filing date and time. Failure to provide requested information may result in rejection of the Bid.

31. PROMPT PAYMENT DISCOUNTS

While prompt payment discounts will not be considered in determining the low Bid, NYSIF may consider any prompt payment discount in resolving Bids which are otherwise tied. However, any notation indicating that the price is net, (e.g., net 30 days), shall be understood to mean only that no prompt payment discount is offered by the Bidder. The imposition of service, interest, or other charges, except pursuant to the provisions of Article 11-A of the State Finance Law, which are applicable in any case, may render the Bid non-responsive and may be cause for its rejection.

32. EQUIVALENT OR IDENTICAL BIDS

In the event two offers are found to be substantially equivalent, price shall be the basis for determining the award recipient. If two or more Bidders submit substantially equivalent Bids as to pricing or other factors, the decision of NYSIF to award a Contract to one or more of such Bidders shall be final.

33. PERFORMANCE AND RESPONSIBILITY QUALIFICATIONS

NYSIF reserves the right to investigate or inspect at any time whether or not the Product, services, qualifications or facilities offered by the Bidder/Contractor meet the requirements set forth in the Bid Specifications/Contract or as set forth during Contract negotiations. Contractor shall at all times during the Contract term remain responsible and responsive. A Bidder/Contractor must be prepared to present evidence of legal authority to do business in New York State, integrity, experience, ability, prior performance, organizational and financial capacity as well as where applicable, a statement as to supply, plant, machinery and capacity of the manufacturer or source for the production, distribution and servicing of the Product offered/Bid. If NYSIF determines that the conditions and terms of the Bid Documents, Bid Specifications or Contract are not complied with, or that items, services or Product proposed to be furnished do not meet the specified requirements, or that the legal authority, integrity experience, ability, prior performance, organization and financial capacity or facilities are not satisfactory, NYSIF may reject such Bid or terminate the Contract.

34. DISQUALIFICATION FOR PAST PERFORMANCE AND FINDINGS OF NON-RESPONSIBILITY

Bidder may be disqualified from receiving awards if Bidder, or anyone in Bidder's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts or is deemed non-responsible.

35. QUANTITY CHANGES PRIOR TO AWARD

NYSIF reserves the right, at any time prior to the award of a specific quantity Contract, to alter in good faith the quantities listed in the Bid Specifications. In the event such right is exercised, the lowest responsible Bidder meeting Bid Specifications will be advised of the revised quantities and afforded an opportunity to extend or reduce its Bid price in relation to the changed quantities. Refusal by the low Bidder to so extend or reduce its Bid price may result in the rejection of its Bid and the award of such Contract to the lowest responsible Bidder who accepts the revised qualifications.

36. TIMEFRAME FOR OFFERS

NYSIF reserves the right to make awards within one hundred eighty (180) days after the date of the Bid opening or such other period of time as set forth in the Bid Documents, during which period, Bids must remain firm and cannot be withdrawn. Pursuant to Section 163(9)(e) of the State Finance Law and Section 2-205 of the Uniform Commercial Code when applicable, where an award is not made within the one hundred eighty (180) day period or other time specified as set forth in the Bid Documents, the Bids shall remain firm until such later time as either a Contract is awarded or the Bidder delivers to NYSIF written notice of the withdrawal of its Bid. Any Bid which expressly states therein that acceptance must be made within a shorter specified time, may at the sole discretion of NYSIF, be accepted or rejected.

ADMINISTRATIVE

37. NYSIF PREROGATIVES

The contract award is subject to the availability of funds. Moreover, NYSIF is not liable for any costs incurred by any firm for work performed to prepare its proposal or for any travel and/or other expenses incurred in the preparation and/or submission of its proposal or with respect to any presentation/interview that may be required by NYSIF. Further, NYSIF is not liable for any costs incurred by the successful Bidder for services performed or costs incurred until the contracting process has been completed and all required approvals obtained.

NYSIF reserves the right to exercise the following:

a. Withdraw the IFB/RFP at any time, at NYSIF's sole discretion;

p. Reject/disqualify a bid if, in NYSIF's sole opinion, the bid price is determined to be excessive;

q. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a Bidder's proposal and/or to determine a Bidder's compliance with the requirements of the solicitation;

r. Use proposal information obtained through site visits, management interviews and the state's investigation of a Bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the Bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the IFB/RFP

s. Review Bidder's records used in determining bid;

t. Require the Bidder to demonstrate to the satisfaction of NYSIF any feature(s) presented as a part of its bid;

u. Investigate or make any inquiry into the capabilities of any Bidder to properly perform under any resultant contract;

v. Make inquiries, at NYSIF's discretion and by means which it may choose, into the Bidder's background or statements made in the bid to determine the truth and accuracy of all statements made therein;

w. Adjust or correct Bidders' mathematical errors and waive or modify other minor irregularities in proposals received, after prior notification to the Bidder;

bb. In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken by NYSIF as if no delay in payment had occurred;

cc. Submission of an invoice and payment, or electronic transmission, thereof by NYSIF shall not preclude NYSIF from obtaining reimbursement or demanding a price adjustment in any case where the service delivered is found to deviate from the terms and conditions of the bid and award documents. Any delivery made which does not meet such terms and conditions may be rejected, or accepted on an adjusted price basis as may be determined by NYSIF;

dd. Reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of NYSIF. Options contained in this paragraph shall also be at NYSIF's sole discretion;

ee. Terminate the contract(s) if it deems the price adjustment pursuant to the solicitation or contract is not in the best interests of NYSIF or the State;

ff. ff. Implement changes in price based on unforeseen factors such as dramatic changes in availability, delivery, costs, etc., for product, supplies, etc., that substantively affect the contractor's business processes or that may impact contract pricing. hh. Review and consider other known clients of the Bidder in addition to those provided, including NYSIF, and to disqualify based on unsatisfactory reports and/or records of services provided;

ii. Reject all bids which do not comply with the bid specifications. However, NYSIF may elect to award to the Bidder who receives the highest overall combined evaluation score providing that the Bidder's non-compliance is deemed by NYSIF to be non-material to overall performance of the services;

jj. Invalidate a Bidder's scores at any time during the evaluation process if the Bidder's bid is deemed non-responsive or is disqualified;

kk. Evaluate, accept and/or reject any and all bids, in whole or in part, and waive technicalities, irregularities and omissions if, in NYSIF's considered judgment, the best interests of NYSIF will be served. Separable portions of offers may also be accepted or rejected. In the event compliant bids are not received, NYSIF reserves the right to consider late or non-conforming bids as offers;

ll. ll. Stop the work covered by this solicitation and any contract(s) resulting there from at any time that it is deemed the successful Bidder is unable or incapable of performing the work to NYSIF's satisfaction;

mm. Disqualify a Bidder from receiving the award if the Bidder, or anyone in the Bidder's employ, has previously failed to perform satisfactorily in connection with public bidding or contracts;

nn. Negotiate with Bidders to serve the best interests of the State and NYSIF;

oo. Begin contract negotiations with another Bidder in order to serve the best interests of NYSIF in the event that NYSIF is unsuccessful in negotiating a contract with the selected Bidder;

pp. Split the contract between several Bidders;

qq. If a contract is not approved by the State Comptroller or the Department of Financial Services, where applicable, or if a contract is awarded but terminated within 120 days, NYSIF reserves the right to contract with the next lowest Bidder (IFB)/next highest ranking offer (RFP);

rr. If two or more bids are found to be substantially equivalent, NYSIF, at its sole discretion, will determine award;

ss. Unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 180 days from the bid opening;

tt. Accept or reject any of the Bidder's employees assigned to this contract and to require their replacement at any time

uu. Consider amendments which are not specifically covered by the terms of the contract but are judged to be in the best interest of NYSIF and/or the State;

vv. Have any service completed via separate competitive bid or other means, as determined to be in the best interest of NYSIF;

ww. Adjust any Bidder's expected costs of the bid price based on a determination of the evaluation committee that the selection of the said Bidder will cause the State to incur additional costs.

38. NEW YORK STATE PROCUREMENT RIGHTS

To enable the State to acquire commodities, technology and services at the lowest price or best value from responsible and responsive bids, the State reserves the rights to:

a. Define requirements to meet Agency needs and to modify, correct and clarify requirements at any time during the process provided the changes are justified and maintain fairness in contracting with the business community;

b. Accept and/or reject any or all bids, and waive technicalities or portions of the bids in the best interest of the State;

c. Establish terms and conditions which must be met by all Bidders and/or, where permitted by the solicitation, eliminate mandatory requirements that are not met by any Bidder;

d. Establish, where permitted by solicitation, conditions under which the scope of the contract can be expanded and criteria for price increases or decreases during the contract period;

39. BIDDER CERTIFICATION REQUIREMENTS

a. NYSIF reserves the sole right of judgment and acceptance of a company's written bid.

b. The submitted bid must remain in effect for one hundred-eighty (180) days from the bidding deadline. Bidders whose bids have been rejected by NYSIF shall be notified of such rejection.

c. Compensation shall be paid by the State of New York, in accordance with its standard payment practices.

d. The Bidder certifies that, if selected, all services described in the bid document can and will be provided.

e. The successful Bidder agrees to submit an Equal Employment Opportunity Policy Statement and Staffing Plan to NYSIF, upon request, as outlined under Participation of New York State Business Enterprises.

f. The Bidder warrants that, if selected, it will not delegate, assign, encumber or subcontract, in whole or in part, its agreement and/or its responsibilities under the contract without prior written approval from NYSIF.

For any bid that includes services to be provided by subcontract with a third party, the Bidder will be responsible for the conduct and performance of the third party. NYSIF will consider the Bidder to be the prime contractor and the sole point of contact in regard to any contractual items specified or required in the bid documents.

The Bidder should obtain the consent of the proposed subcontractor and include it in the bid.

The bidder agrees not to subcontract any of its services, unless as indicated in its proposal, without prior written approval of NYSIF. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

g. The Bidder warrants that all information provided by it in connection with this bid is true and accurate.

h. The Bidder agrees not to make any claims for or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any lack of information.

i. The Bidder warrants that the prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor. Unless otherwise required by law, the Bidder certifies that the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to the opening, directly or indirectly, to any Bidder or competitor and no attempt has been made or will be made by the Bidder to induce any other person, partnership, or corporation to submit or not submit a bid for the purpose of restricting competition. In addition, a Bidder is prohibited from making multiple bids in a different form (e.g., as prime Bidder and as a subcontractor to another prime Bidder).

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.

j. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.

k. The Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

A Bidder must include a statement in the bid describing all actual or potential relationships which may be considered to be a "conflict of interest." The "conflict of interest" will be taken under consideration by NYSIF's Bid Evaluation Committee. The Committee's determination of a disqualifying "conflict of interest" is final.

l. The Bidder will conform to all provisions of NYSIF Exhibit A, *Standard Clauses*.

m. The Bidder agrees that no New York State or local sales tax, transportation tax or Federal excise tax will be charged on any part of this project since NYSIF is an agency of the State of New York and tax exempt by statute.

n. The Bidder will save and hold harmless NYSIF and its management from all claims, suits, litigation and legal liability from any acts or omissions committed by the Bidder during the course of the contract.

o. The contractor is an independent contractor of the State and may not hold itself out nor claim to be an officer, employee or subdivision of the State nor may contractor make any claim, demand or application to or for any right based upon any different status.

p. Contractor represents and warrants that it shall secure all notices and comply with all laws, ordinances, rules and regulations of any governmental entity in conjunction with the performance of obligations under the Contract, at the contractor's expense. Prior to award and during the Contract term and any renewals thereof, Contractor must establish to the satisfaction of NYSIF that it meets or exceeds all requirements of the Bid and Contract and any applicable laws, including but not limited to, permits, licensing, and shall provide such proof as required by NYSIF. Failure to comply or failure to provide proof may constitute grounds for NYSIF to cancel or suspend the Contract, in whole or in part, or to take any other action deemed necessary by NYSIF. Contractor also agrees to disclose information and provide affirmations and certifications to comply with Sections 139-j and 139-k of the State Finance Law

q. All contractors and contractor employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law, and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees, and governing the conduct of employees of firms, associations and corporations in business with the State. In signing the bid, each Bidder has guaranteed knowledge and full compliance with those provisions for this and any other dealings, transactions, sales, contracts, services, offers or relationships involving the State and/or State employees. Failure to comply with those provisions may result in disqualification from the bidding process and in other civil or criminal proceedings as required by law.

r. As a general rule and in accordance with New York Public Officers law, former employees of NYSIF may neither appear nor practice before NYSIF, nor receive compensation for services rendered on a matter before NYSIF, for a period of two years following their separation from NYSIF. In addition, former NYSIF are subject to a "lifetime bar" from appearing before NYSIF receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with NYSIF.

s. Bidder and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law; other laws applicable to the service of State employees; and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the "Ethics Requirements"). Bidder certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under this RFP or subsequent contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by Bidder or is Subcontractors and who is disqualified from providing services under the RFP or subsequent contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from a Contract. Bidder shall identify and provide the State with notice of those employees of Bidder and its Subcontractors who are former employees of the State that will be assigned to perform services under this RFP or subsequent Contract, and make sure

that such employees comply with all applicable laws and prohibitions. The State may request that Bidder provide it with whatever information that State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be conflict with any of the Ethics Requirements. The State shall have the right to terminate the Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

t. Bidder hereby reaffirms the attestations made in its proposal and covenants, and represents that there is and shall be no actual or potential conflict of interest that could prevent Bidder's satisfactory or ethical performance of duties required to be performed pursuant to the terms of the RFP or subsequent Contract. Bidder shall have a duty to notify NYSIF immediately of any actual or potential conflicts.

u. If NYSIF impedes or causes any delay in the completion of the Contractor's work, then NYSIF should be notified immediately in writing of the delay and the reason(s) for such delay.

v. Tax Law 5-a is in effect for all solicitations to purchase issued by covered agencies on or after January 1, 2005. It applies to contracts where (1) the total amount of such persons' sales delivered into New York State are in excess of $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates, subcontractors, or affiliates of subcontractors whose sales delivered into New York State exceeded $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and (2) the contracts or agreements with state agencies or public authorities for the sale of commodities or services having a value in excess of $100,000. The law imposes upon certain contractors the obligation to certify whether or not the contract, its affiliates, its subcontractors and affiliates of the subcontractors are required to register to collect state sales and compensating use tax.

w. Pursuant to State Finance Law Sections 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between NYSIF and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of a solicitation release through final award and approval of the Procurement Contract by NYSIF and, if applicable, Office of the State Comptroller or Department of Financial Services ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law Section 139-j (3)(a). Designated staff, as of the date hereof, is identified in the solicitation document (see INQUIRIES/ISSUING OFFICE/DESIGNATED CONTACT). NYSIF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award, and in the event there are two findings within a 4 year-period, the Bidder is debarred from obtaining governmental Procurement Contracts.

x. Bidder has provided "Appendix V – Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative attesting that the Bidder's performance of the services does not and will not create a conflict of interest with, nor position Bidder to breach any other contract currently in force with, the State of New York, and that Bidder will not act in any manner that is detrimental to any State of New York project on which Bidder is rendering services.

y. In conjunction with any subcontract under this RFP or subsequent Contract, the Bidder shall obtain and deliver to NYSIF, prior to entering into a subcontract, an "Appendix V- Vendor Assurance of No Conflict of Interest or Detrimental Effect", signed by an authorized executive or legal representative of the subcontractor. Bidder shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to NYSIF a signed and completed Appendix V for each of its subcontractors prior to entering into a subcontract.

z. NYSIF and Bidder recognize that conflicts may occur in the future because the Bidder may have existing, or may establish new relationships. The NYSIF will review the nature of any relationships and reserves the right to terminate any contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.

(Note: The contractor shall include the language of the above provisions in every subcontract in such a manner that the requirements of the provisions will be binding upon each subcontractor as to work in connection with the State contract. This includes the requirement that subcontractors shall undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and, when requested, provide to the contractor information on the ethnic background, gender and Federal Occupational Categories of the employees to be utilized on the State contract.)

A debriefing will be limited to a review of an unsuccessful Bidder's own submission and the scoring of that submission. An unsuccessful Bidder is not entitled to review the submission of the successful Bidder beyond being informed of the total scoring of the successful Bidder. Generally, NYSIF will provide a written response to debriefing requests, providing the unsuccessful Bidder with the top score, average score, and Bidder's score for each of the major evaluation categories as well as the Bidder's ranking in each.

1. CONTRACT DOCUMENTS

The contract documents consist of the contract agreement, proposal, bid document specifications, addenda issued prior to receipt of bids, and all subsequent modifications and changes issued pursuant to the bid documents.

The contract represents the agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral, including the bidding documents which may have resulted from the Bid Documents.

The contract may be revised, modified and/or amended by mutual written consent of both parties and where applicable the approval of the NYS Attorney General (AG), Office of the State Comptroller (OSC) or the Department of Financial Services (DFS). The contract is made in accordance with the laws of New York State.

2. TERM

In addition to any stated renewal periods in the Contract, any Contract or unit portion thereof let by NYSIF may be extended by NYSIF for an additional period(s) of up to one year with the written concurrence of the Contractor and, where required, OSC or DFS approval. Such extension may be exercised on a month to month basis or in other stated periods of time during the one year extension.

3. TERMINATION OF CONTRACT

a. For Cause: For a material breach that remains uncured for more than thirty (30) days or other specified period after written notice to the Contractor, the Contract may be terminated by NYSIF at the Contractor's expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non- performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach. NYSIF shall have the right to award a new contract to a third party. In the event of termination for cause, NYSIF shall seek recovery damage incurred by NYSIF and the reasonable re-procurement costs associated in reassigning the contract.

b. For Convenience: This Contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.

c. For Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate NYSIF officials or staff, the contract may be terminated by NYSIF at the Contractor's expense where the Contractor is determined by NYSIF to be non-responsible. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.

d. For Violation of the Sections 139-j and 139-k of the State Finance Law: NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.

e. For Violation of Revised Tax Law 5a: NYSIF reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor.

f. Conflicts of Interest: NYSIF reserves the right to review the nature of relationships and reserves the right to terminate the contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured

4. SUSPENSION OF WORK

a. For Convenience: NYSIF may order the contractor in writing to suspend performance of all or any part of the work for a reasonable period of time, not to exceed thirty (30) days, as determined by NYSIF.

Upon receipt of a suspension order, the contractor shall, as soon as practicable, cease performance of the work as ordered.

The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

b. For Non-Responsibility: NYSIF, in its sole discretion, reserves the right to suspend any or all activities under this contract, at any time, when NYSIF discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of

such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as NYSIF issues a written notice authorizing a resumption of performance under the contract.

5. VENDOR RESPONSIBILITY

The contractor shall at all times during the contract term remain responsible. The Contractor agrees, if requested by NYSIF, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

6. SAVINGS/FORCE MAJEURE

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or NYSIF in the performance of the Contract which non- performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide NYSIF with written notice of any force majeure occurrence as soon as the delay is known.
