

MANUFACTURING

EMPLOYER GUIDE

GENERAL SAFETY GUIDELINES

Train staff to learn and use the proper (and safe) work methods for all tasks.

Require staff to wear the right personal protective equipment for the job.

Monitor to make sure staff do not take shortcuts, risks, or engage in horseplay.

Instruct employees to report all hazardous conditions to management.

Instruct staff that drugs and alcohol are never permitted in the workplace.

Remind your staff that they are not to rush. Safety comes before speed.

Remind your staff to report all hazardous conditions to management.

Tips for Your Employees

Show up to work well rested.

Leave all personal problems at home.

Practice good housekeeping.
